SUBJECT: NIT REF No. PM/USPCAS-W/MUET/JAM/-108, DATED 16-10-2017,
(SR# 34835)

Reference: No. A.D(ASMT) SPPRA/34835/17-18/4029 dated 16-01-2018

This is with reference to your letter mentioned under reference regarding the observations on the bid evaluation report of the subjected NIT. The para-wise replies are given as under:

- Specifications of Air conditioners of 2.0 ton as mentioned in the requirement has been selected, whereas in the comparative statement 1.5 ton is given due to typographic mistake. However, the same has been rectified and sent herewith.
- The highlighted rates are recommended for purchase in the comparative statement. Furthermore, some higher rates of items are selected due to more technical features of the products. Also, quality of the said items seems to be better than the lowest quoted products, therefore, the committee recommended to purchase the same.

It is further assured that SPP Rules 2010 (Amended 2017) are strictly followed by us in letter & spirit as desired by the competent authority of the University.
