Irrigation Net work, Drainage system and flood Protection works in Ghotki Feeder Canal Area Water Board (SIDA) Ghotki.

2.0 INVITATION FOR PREQUALIFICATION

DATE: 25-10-2013

1. The irrigation & power Department, Government of Sindh has been entrusted by the Government of Pakistan and provided funds to finance the cost E/Work raising and strengthening and providing stone pitching along Bund in Sindh to eligible payments under the Contract for which this invitation for prequalification is issued.

2. The Director Ghotki Feeder Canal Area water Board Ghotki, intends to prequalify Local Contract under National Competitive bidding (NCB) of Contract Package FPWSGFCAWB. The following main item of works will be executed under this Contract.

E/WORK, STONE PITCHING AND BRICK LINING ALONG CANALS, BUNDS AND DRAINAGE SYSTEM.

- i. Jungle clearance and removing within 1/4 (a) Light;
- ii. Borrow pit excavation undressed lead upto 100' ft;
- iii. Laying earth in 6" layers leveling, dressing and watering for compaction etc; complete.
- iv. Earthwork compaction of sheep foot or power roller with optimum moisture content for 85% modified AASTO density (Highway Schedule);
- v. Earthwork excavation in irrigation channels, drain etc, dressed to designed section grades and profiles excavated material disposed off and dressed with in 50' ft; lead;
- vi. Carriage of E/Work (Extra 3 miles).
- vii. Ploughing 3 time;
- viii. Stone filling dry hand packed filling behind retaining walls pitching and aprons formation dressing and prepared sub grade (b) slope.
- ix. Stone pitching i/c sub-base with hammer dressed stone on surface laid in coursed i/c pitching and aprons.
- x. Brick Lining

Construction is to be completed in 180 days.

3. It is expected that Invitation to Bid will be issued by March 2013
4. Pre-qualification is open to contractors / Joint venture of Contractors who are registered with PEC in Category C-5 for Construction and Operation of Engineer Works, described in Para-2 mentioned hereinabove. Application may be submitted for pre-qualification for the above works.
5. Appropriate category PEC registered contractor may obtain the prequalification documents from the office of the Employer representative office.

The Director,
Ghotki Feeder Canal Area,
Water Board (SIDA) Ghotki.
Phone No. 0723-684568.

Or may requested to send the through mail at the specified address as above.

6. The request must clearly state: "Request for prequalification documents" E/work for raising strengthening and providing stone pitching of Bunds in Ghotki Feeder Canal Area Water Board (SIDA) Ghotki. The documents are available for non-refundable fee of Rs.2,000/- from 10 A.M onward during office hours. The documents if requested mail will be promptly dispatched by registered mail for which cost of mail Rs.300/- will be borne by the Applicants. However, under no circumstances the Employer will be responsible for late delivery or loss of the documents so mailed.
7. A minimum requirement for prequalification will be to have successfully completed as prime contract, the execution of at least one project of a nature and complexity comparable to the proposed contract with the last three years, this experience should include.

(a) Capabilities of Executing following major items of Engineering Works

E/WORK AND STONE PITCHING AND BRICK LINING, ALONG CANALS, BUNDS AND DRAINAGE SYSTEM.

- i. Jungle clearance and removing within ft: (a) Light:
- ii. Borrow pit excavation undressed lead upto 100' ft:
- iii. Laying earth in 6" layers leveling, dressing and watering for compaction etc; complete.
- iv. Earthwork excavation in irrigation channels, drain etc, dressed to designed section grades and profiles excavated material disposed off and dressed with in 50' ft: lead;
- v. Carriage of E/Work (Extra 3 miles).
- vi. Ploughing 3 time;
- vii. Stone filling dry hand packed filling behind retaining walls pitching and aprons formation dressing and prepared sub grade (b) slope.
- viii. Stone pitching i/c sub-base with hammer dressed stone on surface laid in coursed i/c pitching and aprons.
- ix. Brick Lining

- (i) For Key personnel.
 - The experience of personnel on two similar projects shall be 03 years and total experience 05 years.
 - B.Sc Engineering or equivalent qualification approved by PEC as an academic qualification shall be essential for execution/supervision of Engineering Works/Projects.
 - (ii) For Other Engineering Positions
 - B.Sc Engineering or equivalent PEC as an academic qualification shall be essential for Engineering Works/Projects.
 - Experience on similar Project for 03 years and total experience 05 years.
8. Application for prequalification must be delivered in sealed envelopes by hand or through registered mail, to :-

The Director,
Ghotki Feeder Canal
Area Water Board Ghotki.

Phone No. 0723-684568.

not later than 25/10-2011 at 4:00 Hrs.

and be clearly marked application for prequalification for Earth Work for raising-strengthening and providing stone pitching of Bunds in Ghotki Feeder Canal Area Water Board Ghotki".

9. The Director Ghotki Feeder Canal Area Water Board Ghotki reserves the right to accept/reject later applications.
10. Contractors will be informed, in due course of the result of the evaluation of applicants. Only the firms of contractor and joint venture pre-qualified under this process will be invited to bid.

3.0 INSTRUCTIONS TO APPLICANTS

3.1 Submission of Applications

- 3.1.1 Application for prequalification (one original and two copies) must be received in sealed envelopes to be delivered by hand or through registered mail to :-

The Director,
Ghotki Feeder Canal
Area Water Board Ghotki.

Phone No. 0723-684568

Not later than 25-10-2013, at 4:00 p.m

and be clearly marked application for prequalification for Earth Work for raising strengthening and providing stone pitching of Bunds in Ghotki Feeder," Contract Package Flood Protective works in GFCAWB," The Employer representative reserve the right accept later applications.

- 3.1.2 The name and mailing address of the Applicant shall be clearly marked at left hand side of the envelope .
- 3.1.3 The application shall be prepared in the English/Sindh language. Information in any other language shall be accomplished by its translation in English. Employer reserves the right for prequalification of the applicants in case of non-compliance of the above requirements.
- 3.1.4 The Applicants must respond to all questions and provide complete information as advised in this documents. Any lapses to provide essential information may result in disqualification of the application.
- 3.1.5 The time, date of place of clarification meeting to be held is as follows, where all prospective Applicants may result clarification about the project and the evaluation criteria.

Location: Office of the Director Ghotki Feeder,
Canal Area Water Board Ghotki.
Phone No. 0723-684568

Time: 11:00 a.m
Date: 25/10/2013

3.2 Qualification Criteria

3.2.1 General

Prequalification will be based on all the criteria given in succeeding Para 3.2.2 to 3.2.6 regarding the contractor's general and particular experience, personnel and equipment capabilities, and financial position, as demonstrated by the Applicant's response in the Forms attached to this latter. The Employer reserve the right to waive minor deviations, if these don't materially affect the capability of an contractor to perform the contract. Sub-Contractor's experience and resources shall not be taken into account in Determining the contractor's compliance with the qualifying criteria. However, joint Venture experience and resources shall be considered. Consortium of Association of Firms will be considered for similar treatment as in case of joint Venture.

3.2.2 General Experience

The Applicant shall meet the following minimum criteria:

- a) Average annual turnover which is also termed as Income from contracting. Revenue or Sales and is defined as billing for works in progress and completed annually over the last five years of Rs.50 Million
- b) Successful experience as prime Contractor in the execution of at least one project of a nature and complexity comparable to the proposed contract (s) within the last three years. This experience should include.

E/WORK AND STONE PITCHING AND BRICK LINING, ALONG CANALS, BUNDS AND DRAINAGE SYSTEM.

- i. Jungle clearance and removing within ft: (a) Light;
- ii. Borrow pit excavation undressed lead upto 100' ft;
- iii. Laying earth in 6" layers leveling, dressing and watering for compaction etc; complete.
- iv. Earthwork excavation in irrigation channels, drain etc, dressed to designed section grades and profiles excavated material disposed off and dressed with in 50' ft: lead;
- v. Carriage of E/Work (Extra 3 miles).
- vi. Ploughing 3 time;
- vii. Stone filling dry hand packed filling behind retaining walls pitching and aprons formation dressing and prepared sub grade (b) slope.
- viii. Stone pitching i/c sub-base with hammer dressed stone on surface laid in coursed i/c pitching and aprons.
- ix. Brick Lining

3.2.3 Personnel Capabilities

The contractor must have in his employment suitably qualified personnel to fill the following key management and specialist positions. The applicant will supply information on a prime and an alternate candidate for each position (both should meet the specified experience requirements).

Position	No. of Staff	Total Experience (Years)	In similar Works (Years)	As Manager of Similar Works (Years)
Project Manager Alternate	1	10	05	03
Alternate		10	05	03
Construction Engineer (Earthworks)	2	05	03	Not Applicable
Alternate		05	03	Not Applicable
Construction Engineer (Stone Paving)	2	05	03	Not Applicable
Alternate		05	03	Not Applicable
Material Engineer	2	05	03	Not Applicable
Alternate		05	03	Not Applicable
Survey Engineer	2	05	03	Not Applicable
Alternate		05	03	Not Applicable
General Foreman	2	05	03	Not Applicable
Alternate		05	03	Not Applicable

B.Sc Engineering or equivalent qualification approved by PEC as an academic qualification shall be essential for execution supervision of Engineer Works/Projects for all positions of personal except General Foreman.

3.2.4 Equipment Capabilities

The contractor should own, or have assured access to (through rented, lease, purchase agreement or other means), the following key items of equipment (limited based on known commitments, these will be available for deployment on the proposed contract or works. The contractor may also list alternate equipment, which he would propose for the contract together with an explanation of the alternate proposal.

Sr.No.	equipment Type and Characteristics	Minimum number required
1	Tractor equipped with Trolley	05
2	Excavator/Loader (300/350; Boom Length, 1/1.5 Cu-yd) Bucket Capacity.	02
3	Water Pump/Water Blower fitted with Diesel Pumps etc;	02

Sr.No.	Equipment Type and Characteristics	Minimum number required
4	Roller Sheep foot/Power (12 ton Capacity)	02
5	Crawler Dozer 195 HP (155 kW) Capacity	02
6	Front End Loader 2.5 Cu-yd.	02
7	Rear End Dump Trucks 10 Cu-yd	02

(b) The Employer will also provide the following special equipment:

Sr.No.	Equipment Type and Characteristics	Minimum number required
1	Not Applicable	--

3.2.3 Financial Position

3.2.5.1 The contractor should demonstrate that he has access to, or has available liquid assets, un-encumbered real assets, lines, of credit and other financial means sufficient to meet the construction cash flow for other period of four month, estimated as Pak Rs.15.00 Million or equivalent. Net of the contractor's commitments for other ongoing contracts shall also be considered.

3.2.5.2 The audited balance sheets for the past three years should demonstrate the soundness of the contractor's Financial Position, showing long term profitability. Where necessary, the Employer will make enquiries with the contractor's bankers.

3.2.6 Litigation History

The contractor should provide accurate information on any litigation or arbitration resulting from contracts complete or under execution over the last three years. A consistent history of award against the contractor or any Partner of a joint venture may result in rejection of the application.

3.3 Joint Venture (JV)

3.3.1 Joint Venture must comply with the following requirements:-

a) Following are minimum qualification requirements:-

- i. The lead partner shall meet not less than 50 percent of all qualifying criteria given in Paras 3.2 and 3.5 heretofore
- ii. Each of the partners shall meet not less than 25 percent of all the qualifying criteria given in Paras 3.2 and 3.5 heretofore.
- iii. The joint venture must collectively satisfy the criteria of Para of all 3.2, 3.3 and 3.4, for which purpose the relevant figures for each of the partners shall be added together to arrive at JV's total capacity. Individual members must satisfy each of the requirement of Paras 3.5 and 3.6 heretofore.
- iv. The International constructors have to establish joint venture with local constructors on submission of the following relevant documents, subject to the condition that share of the Pakistani constructors of Pakistan operators shall not less than 30 Percent.

License issued by PBE to the lead Pakistani constructor or Pakistani operator and enlistment certificate of the foreign constructor or foreign operator.

Joint venture or association agreement of the parties specifying share of each party and name of the lead Pakistani constructor or Pakistani operator; and brief description and scope of work for which the association of joint venture intends to participate in bidding.

b) Any change in a pre-qualified JV after prequalification, shall be subject to the written approval of the Employer prior to the deadline for submission of bids. Such approval may be denied if:

- i. Partner (s) withdraw from a JV and remaining partners do not meet the qualifying requirements;
- ii. The new partners to a JV are not qualified individually or as another JV; or
- iii. In the opinion of the Employer; a substantial reduction in competition would result.

c) Bid shall be signed by all members in the JV so as to legally bind all partners; jointly and severally, and any bid shall be submitted with a copy of the JV agreement providing the joint and several liabilities with respect to the contract.

3.3.2 The prequalification of a JV does not necessarily pre-qualify any of its partners individually or as a partner in any other JV or association. In case of dissolution of a JV, each one of the constituent firms may pre-qualify if they meet all the prequalification requirements and any partner of JV has requested/ shall requested for the same and then this prequalification shall be subject to the written approval of the Employer.

3.4 Conflict of Interest

3.4.1 The contractor (including all members of a JV) must not be associated, nor have been associated in the past, with the consultant or any the entity that has prepared the design, specification, and other prequalification and bidding documents for the project, or was proposed as Engineer for the contract, over the last five years. Any such association may result in disqualification of the contractor.

3.5 Updating Prequalification Information

3.5.1 Bidders shall be required to update the financial, personnel and equipment information used for prequalification at the time of submitting their bids, to confirm their continued compliance with the qualification criteria and verification if the contractor's qualification there holds are not longer met at the time of bidding.

3.6 Other Factors

3.6.1 Only firm and JVs that have been pre-qualified under this procedure shall be invited to bid. A qualified firm or a member of a qualified JV may participate only in one bid for the contract. If a firm submits more the than one bid, singly or as a JV, all bids including that bidder will be rejected. This rule will not apply in respect of bids, which include specialist sub-contractors who are used by more than one bidder.

3.6.2 The Employer's representatives reserves the right to:

- a) Amend the scope and value of any contract(s) to be bid, in which event the bidder(s) will only bid among those pre-qualified bidders who meet the requirements of the contract(s) as amended. However the Employer has to review the disqualified bids who originally do not meet the specified criteria for prequalification.
- b) Reject or accept any application; and
- c) Cancel the prequalification process and reject all applications.

The Employer shall neither be liable for any such actions nor be under any obligation to inform the contractor of the grounds for rejection; however, may be debriefed if solicited.

3.6.3 Contractors will be informed in writing by fax or mail within 48 days of the date submission of applications (Para 8 of Chapter 2.0, invitation for prepublication) of the result of their applications and may be debriefed if solicited.

3.7 Fraud and Corruption

It is policy of the GOS to require its staff and its contractor to observe the highest standard of ethics during the selection and execution of such contracts in pursuance of this Policy, GOS:

- a. Defines, for the purposes of this provision, the terms set forth below:

- (i) "Corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of any thing of value to influence the action of a public official in the
 - (ii) "Fraudulent practice" means a misrepresentation or omission of facts in order to influence a selection process or the execution of a contract;
 - (iii) "Collusive practice" means harassing or threatening to harm, directly or indirectly, persons or their property to influence their participation in an procurement process, or affect the execution of a contract.
- (b) Will reject a proposal for award if it determines that the constructor recommended for award has directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the contract in question.
- (c) Will sanction a construction including declaring the constructor ineligible, either indefinitely or for stated period of time, to be awarded a COS contract if it at any time determines that the contract has, directly or through an agent, engaged in corrupt fraudulent, collusive or coercive practices.

4.0 EVALUATION CRITERIA

Applicants meeting the minimum requirements mentioned in Para 3.2 besides other facts shall be considered for prequalification. No compromise shall be made on Key Personnel, academic qualification and experience. History of excessive contract arbitrations and litigation resulting in decision against them will be considered sufficient ground for disqualification.

Criteria of Pre-qualification for the Raising, Strengthening and Providing Stone pitching along Bunds in Ghotki Feeder Canal Area Water Board Ghotki Contact Package Flood Protective Works in GFCAWB.

Evaluation Criteria for Pre-Qualification

The criteria evaluation for calculation of the prequalification contractors is detailed as under:-

Three main capabilities of Financial, Technical and Experience of each contractor/ firm will be seen for evaluating purpose on the basis of Maximum Score (Points) for each capability as given below:-

Item/Capability	Maximum Score (Points)
i. Financial	30
ii. Technical	30
iii. Experience	40
Total Score (Points)	100

Over all minimum acceptable score points will be 60% for prequalification purpose.

Factor	Maximum Score (Points)	Minimum Acceptable Score (Points) for clearing the capability
Financial Capacity	30	18
Technical Capacity	30	18
Experience	40	24

D Finance Capacity

Financial Capacity is assessed based on two factors, namely Estimated Cost of work (V) in Million rupees and Time of Completion of Contract (T) in years, as under:

Sub-Factors	Weighting (Points)
a) Average Annual Income (i.e Profit after Tax) from Contract works (Last 5 years).	
Average Annual Income = $\frac{\text{Annual Income of works executed in last five years}}{5}$	
Ratio = $\frac{\text{Average Annual Income}}{V}$	
Less than 1.0 Between 1.0 and 1.5 Between 1.5 and 2.0 Between 2.0 and 3.0 Above 3.0	0 4 6 8 10
b) Bid Capacity (Based on last 5 years)	
Ratio B.C/V	
Less than 0.2 Between 0.2 and 0.4 Between 0.4 and 0.6 Between 0.6 and 1.0 Between 0.8 and 1.0 Over 1.0	0 2 4 6 8 10
Note: Bid Capacity (B.C) = 5 x Net worth (NW) minus 0.2 x Total value of Balance works (BV) under ongoing Contractors Where Networth (NW) = Total Assets minus Total Liabilities (average of last 5 years) and V = Estimated cost of work	
c) Available Credit Line (C.L) from Reputable Bank	
Ratio C.L/V	
Less than 0.1 Between 0.1 and 0.15 Between 0.15 and 0.20 Between 0.20 and 0.30 Over 0.30	0 4 6 8 10
