No. PMC/N.H/S.B.A/ACCTT: 72/74

Dated: 13/7/2011

To,

✓ Mr. Shakeel Ahmed Mangnejo,
Director (A&F),
Sindh Public Procurement Regulatory Authority,
Government of Sindh,
@ Karachi.

Subject: **NIT REF No: PMC/N.H/SBA/ACCTT:/2306/10, DATED: 23-4.2011**

This is with reference to your office letter No. Dir (A&F) T0222/SPPRA/42-5/10-11/137,
Dated: 9th July 2011, the comments/views of this office on the subjected matter are as under.

1) The open tenders were invited through press for the purchase of Machinery & Equipment required for Peoples Medical College for Girls, Nawabshah (S.B.A) for the financial year 2010-11. According to PPRA rules, the bids were obtained in two separate envelopes captioned as Technical & Financial proposals from all the intended firms. Accordingly, in the first phase, technical proposals furnished by the below mentioned participating firms were opened on 18th May 2011 by the constituted purchase committee of institution comprising of Deputy Secretary (M&I Cell) Health Department GOS as a member in the presence of representatives of the firms & suppliers.

S. No	Name of Bidders
1.	M/s B-S Traders Nawabshah
2.	M/s Platinum Corporation Sukkur/Karchi
3.	M/s Dynamic Corporation Karachi
4.	M/s So-Safe Water Technologies Nawabshah
5.	M/s SR International Karachi
6.	M/s Pak Traders Karachi
7.	M/s SK Trading Corporation Karachi
8.	M/S Sohail Scientific Karachi
9.	M/s Syed Enterprises Nawabshah

2) All the technical proposals/bids in respect of tendered items furnished by the above mentioned firms were evaluated and scrutinized by the committee. The meeting of committee to finalize the next phase with regard to open financial proposals/bids was fixed on 01-06-2011 in which the representatives of above mentioned firms were also present.

3) As far as the case of M/s: Pak Traders, Karachi is concerned, it is clarified here that along with some other items of the tender, they have also offered their bid for the particular item "Generator 200 KVA" appearing at Sr # 3 on page # 4 of the tender document for Rs. 4,695,000/- mentioning two makes as Siemens/Olympian in the technical bid which do not seem to be in accordance with the PPRA rules. Further the offered make/model is not found in accordance with the tender specifications.

The firm provided a general catalogue in respect of said item from which the committee was unable to assess detailed specifications of the required product in a proper manner. The quoted Engine and alternator (both essential and main components of the unit) were of different make & manufacturer (as mentioned by the firm in para 2 of their letter dated: 18-06-2011 addressed to this end) which also appear to be in contravention to tender specifications and do not fulfill the condition of single source warranty. About the construction of Generator room nothing was clarified in the bid. Hence, with the unanimous agreement of the committee, the bid of M/S Pak Traders Karachi was rejected. Whereas, the technical & financial bids offered by M/s: Platinum Corporation, Sukkur were found completely as per tender requirements and finally approved by the committee for purchase at the cost of 5,000,000/-.

4) The minutes/bid evaluation report is enclosed herewith.
