The Procurement Committee perused the recommendations mentioned in the technical minutes attached at **annexure-A** and discussed the technical proposals of 05 (Five) bidders in detail. After discussion, sealed financial proposals of following 05 bidders who declared technically qualified were opened by the Committee in presence of the bidders / firms and rates were announced.

✓

S #	Name of bidders with No. of medical equipments against which technically qualified	
1	M/s Shams Enterprises	8
2	M/s Naveed Medicos	13
3	M/s Zafar Brothers	4
4	M/s Karachi Medical Company	2
5	M/s Paras Enterprises	2

Item-wise comparative statement of the rates of **14 items out of 21 items** of qualified bidders has been prepared accordingly, attached at **annexure-B**.

The comparative statement was discussed in detail and found that following bidders are lowest in items as mentioned below against each firm.

S#	Name of Bidders / Firms	No. of items in which bidder is lowest
i.	M/s Shams Enterprises	4
ii.	M/s Naveed Medicos	8
iii.	M/s Zafar Brothers	-
iv.	M/s Karachi Medical Company	2
v.	M/s Paras Enterprises	-
	Total	14

In view of the above position, there is only (1) single bid of medical equipment / instrument and according to SPPRA Rules 48 single bid is acceptable, even when only one bid is submitted, the bidding process may be considered valid, if it was advertised in accordance with the rules, and prices are comparable to the rates of the last award contract or the market rates. In this regard, the rates of single item was compared with the last award contract rates and found the same according to prevailing whole sale market rates as the whole tender process was strictly observed according to SPPRA rules, therefore, the Committee discussed and accepted the single bid rates offered by the different following bidders / firms.

S#	Name of Bidders / Firms	No. of items in which single bid offered by the bidder
a.	M/s Shams Enterprises	1
b.	M/s Naveed Medicos	-
c.	M/s Zafar Brothers	-
d.	M/s Karachi Medical Company	-
e.	M/s Paras Enterprises	-
	Total	1

The Committee has further discussed and unanimously recommended that according to the terms & conditions of the bid document and SPPRA rules lowest and single bids offered by the bidders may be accepted and acceptance letters and work orders may be issued at the earliest.

The Procurement Committee has further discussed about the remaining **7 medical equipments / instruments** attached at **Annexure-C** against which no bid was offered or the offered item was found technically un-satisfactory being inferior in quality. Therefore, it was unanimously recommended that tenders may be called for the remaining items as the same are

also essential for the prison hospitals, so that requirement of the prison hospitals be completed and remaining amount be properly utilized to prevent the same from lapsing.

The meeting ended with the vote of thanks by the Chair.
