NIT No. TC/G-55/700/10-2010

Name of work: B/works for closing Brackets occurred during
 flood 2010 along Bithoro Br. Drain from RD 0.0
 to 15 I.P.E. NID, Bithoro Br. Drain from RD 227
 to 32 I.P.E. N.I.P.

General Rules and Instructions for the Guidance of Contractors

1. All work proposed to be executed by contract shall be notified in a form of invitation to tender posted on a board hung up in the office of the Executive Engineer and signed by the Executive Engineer.

This form will state the work to be carried out, as well as the date for submitting and opening tenders, and the time allowed for carrying out the work; also the amount of earnest money to be deposited with the tender, and the amount of the security deposit to be deposited by the successful tenders and the percentage, if any to be deducted from bills. It will also state whether a refund of quarry fees, royalties, octroi dues and ground rents will be granted. Copies of the specifications, designs and drawings and estimated rates schedule rates and any other documents required in connection with the work shall be signed by the Executive Engineer for the purpose of identification, and shall also be open for inspection by contractors at the office of the Executive Engineer during office hours.

B.S. Mule sanctioned by CR 709, KB Hyd.

2. In the event of the tender being submitted by a firm, it must be signed separately by each partner thereof, or in the event of the absence of any partner, it shall be signed on his behalf by a person holding a power of attorney authorizing him to do so.

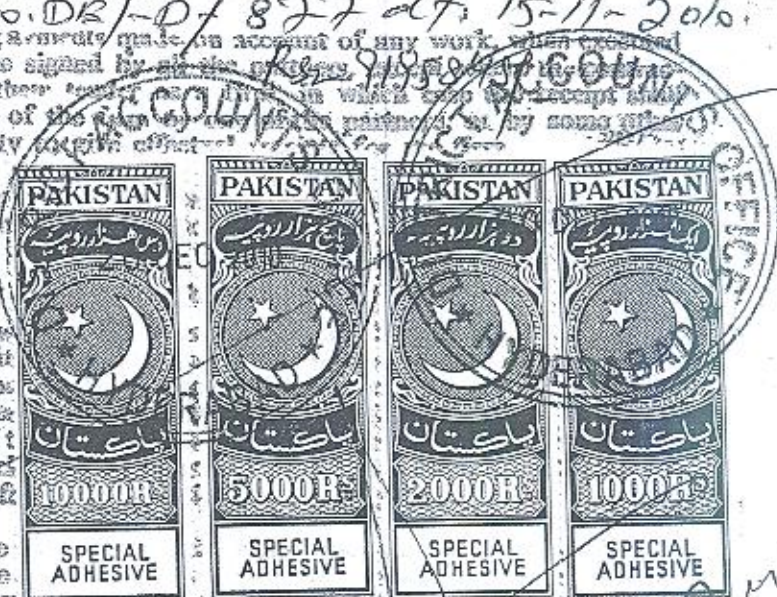

Verd No. DR/D/877 dt: 15-11-2010

3. Receipts for payments made on account of any work when executed by a firm, shall also be signed by all the partners or by some of the persons having authority to give effective receipts on behalf of the firm.

4. Any person who is proposing to tender for the work, shall state in what parcels and in what order he proposes to take the work. Only the parcels which he proposes to take shall be framed. Tenders for the work, or which cover the whole or a part of the work, shall be submitted in separate tenders for each work to which they refer.

5. The Executive Engineer shall require the successful tenderer to deposit with him a certified copy of the specifications and drawings of the work to which he has tendered in Rule 1. In the event of a tender being rejected, the Executive Engineer shall authorize the Treasury Officer concerned to refund the amount of the earnest money for deposited to the contractor making the tender, on his giving a receipt for the return of the money.

6. The contractor shall be liable for the security of the money deposited with him in respect of the work.
