**Project Directorate**  
**Project Implementation Unit (PIU)**  
**Sindh Irrigated Agriculture Productivity Enhancement Project**  
**(SIAPEP)**

**OF SUPPLY & SERVICES COMPANIES (SSCs) FOR**  
**OF LASER LAND LEVELLING EQUIPMENT**  
**FOR EXPRESSION OF INTEREST**

The Government of Pakistan has received a credit from the International Development Association (IDA) towards the Agriculture Productivity Enhancement Project (SIAPEP) being implemented in the Province of Sindh for a period of 2021 and intends to apply part of its proceeds for Procurement of Precision Laser Land Levelling Equipment. The project interventions include improvement of watercourses, improved field irrigation practices, introduction and promotion of High Efficiency Irrigation System (HEIS), promotion of laser land levelling, introduction of deep ploughing, provision of emergency shelters, and assistance in improving agronomic practices through Integrated Pest Management (IPM), crop diversification, and other measures.

For the project, a total of 1,100 numbers Laser Land Levelling Equipment (LLEs) to the farmers / service providers was required, out of which 1,100 LLEs have been supplied by the pre-selected Firms to the Farmers/Service Providers on 'first come - first served basis' during their year of implementation. The interested eligible farmers have the option to purchase the LLEs of pre-defined standards and specifications from any of the pre-selected Supply and Services Companies (SSCs) of their own choice. The Project is providing the financial subsidy to Farmers / Service Providers for this purpose. The SSCs will be short-listed along with their Laser Land Levelling Equipment to be provided under the project.

The Project PIU (SIAPEP) now invites eligible firms / consortium / joint venture with specific and proven competence and experience in supply complete Laser Land Levelling Equipment and provision of post-delivery services under projects of similar nature to indicate their interest. The firm(s) / joint venture(s) should submit their applications in English language along with relevant complete details to enable the PIU to prepare a list of eligible firm(s) / joint venture(s) for participation in subsequent proceedings of the project as supply & service companies. The firms already selected for the first year of the implementation are required to submit their applications afresh.

The firm(s) / joint venture(s) should have the following strength / background would be eligible for pre-selection under the Project for a period of one year:

- Authorized dealer of specific make of Laser Land Levelling equipment meeting approved technical specifications and able to provide complete unit including scraper (Attach valid sole distributor certificate and complete details of its scraper along with brochure. The Firm(s) may enter into joint venture (JV) with manufacturer / service provider to provide the requisite services for the purpose. The firm(s) may offer more than one model of Laser Land Levelling Equipment (LLE) or more than one model of scraper (manufacturer / sole distributor), if it enters into JV with other firm(s), cannot be applicant for the project or JV for pre-selection as SSC. The JVs are allowed to utilize the standing of partner firm, relevant experience and financial capacity to fulfill the requisite eligibility criteria for the project. The standing of partner firm would only be considered.
- For local firms (Attach copy of valid NTN Certificate and GST Certificate);

The firm(s) / joint venture(s) should have been in public / private sector during last three years (Attach year wise list of turnover / net profit / tax, and date of delivery). Any additional document may be furnished to the PIU.

The firm(s) / joint venture(s) should have the following strength / background would be eligible for pre-selection under the Project for a period of one year:
