TECHNICAL REPORT OF TENDER NO:-HEJ-190213 SUPPLY AND  
INSTALLATION OF PUBLIC ADDRESS SYSTEM.

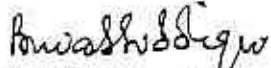

Technical committee meeting for Tender No: ~~ICCBS-260213~~ <sup>HEJ-190213</sup> was held on  
29/03/2013;

Since the quality of the required items was important, therefore end user asked for  
samples of quoted items, the lowest bidder B.R Enterprises submitted sample of  
their quoted wire and channel duct, both were sub standard and also was not  
according to our tender requirements. They were also asked to submit the sample  
with complete tagging and with complete specification but they did not provide  
the same in given time.

Hence it was rejected on being non responsive.

However second lowest bidder A.A Electronics submitted the required samples  
and was found satisfactory. The quoted items by technical committee of A.A  
Electronics are also as per tender specs.

The committee recommends procuring the Public Address System from A.A  
Electronics.
