**TECHNICAL REPORT OF THE PURCHASE OF CENTRIFUGAL PUMPS WITH MOTORS**

A technical committee comprising on the following members was constituted by the Director, ICCBS for evaluation of our recently called Tender for the purchase of Centrifugal pumps with motors.

1. Prof. Dr. Abdul Malik
2. Engr. Javaid Iqbal
3. Engr. Tariq Sami
4. Engr. Sadia Jabeen Asim
5. Engr. Noorullah Husaini

Tender was called for the Supply and Installation of Centrifugal Pumps with motors in which six bidders participated as under:

1. M/s Industrial Development and Engineering Associate
2. M/s Trade Linkers
3. M/s Mosh Pakistan
4. M/s HMA Pumps
5. M/s Thermotech Engineering
6. M/s Askari International

After opening the tender, the tender were scrutinized by the technical Committee. It was found that the specifications of M/s Industrial Development & Engg. Associates are not according to tender specifications. They quoted 7.5 H.P motor instead of 10 H.P. Therefore, their bid is rejected, while the bids of the other companies have accepted.

The Committee discussed the models in detail and enquired from the bidders about the technical specification, their warranty, financial sound ness, Company affiliation, Client list and legal formalities in case of import. After reviewing, the committee recommends the following:

1. M/s Thermotech Engineering is the lowest with the Armstrong pumps and Seimens motors. They are the authorized dealer and distributor of Armstrong Pumps (UK and Canada). They have professional team for the installation of pumps and their services. They are financially sound and they have the experience of the jobs related to our subject

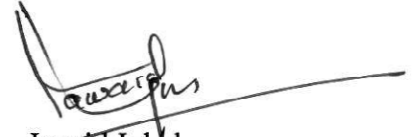

The Committee has recommended that M/s Thermotech Engg. may be awarded the work for the supply and installation of the Centrifugal pumps with motors.
