## Recommendations / Decision of Purchase Committee:-

The Purchase Committee thoroughly examined all the bids received and recommended that:-

### Items No.1:-

One single bid of each item received as the required items is proprietary in nature due to reason that only two brands of Cell Separators are available in Sindh i.e. (i) MCS 995E Haemonitis Machine manufactured by M/s. Haemonetics Corp., USA & (2) Amicus Aphaerisis Machine manufactured by M/s. Baxter Fenwal USA. Only Platelets Bags of same brand can be used on these Machines, No other /alternate /equivalent product can be used. In such situation, the Sindh Public Procurement Rules 2010 provides vide Rule 16(b)(ii) that the Direct Contracting from a single source without competition subject to provision that the Head of the Department certifies in writing the proprietary nature of the item (s) to be procured.

Inview of above, and due to urgent need of platelets Bags, the Procurement Committee unanimously decided to stop the tender process of this item and recommended to procure the same from concerned firms through direct contracting as per provision of SPP Rules 2010.

### Items No.2:-

Bids of (1) M/s. R.K. Scientific, & (2) M/s. Easa Business not found eligible as mentioned against each in evaluation report. Remaining Three Bids (1) M/s. R.S. Enterprises, (2) M/s. S. K. Trading (for item No.2-A), & (3) M/s. Oasis Medical Services, meeting the criteria, hence recommended to qualify technically.
