SUB: CLARIFICATION ABOUT NIT NO. EE/KORANGI/01/2016
DATED. 23.2.2016

Respected Sir,

With reference to the NIT mentioned above, published in the daily News papers of Karachi. It is noted that 4% Bid Guarantee has been demanded against almost all the tenders mentioned in the NIT.

Sir, we are dealing all the matters of Government Contractors who are working for the last several years. They have participated in the tendering several times but always it was the normal practice that 2% Bid Guarantee was to be attached with the tender and after award of work 8% Security Deposit is deducted from the running bills for the work done. Thus it becomes 10% total Security Deposit.

However, you have demanded 4% Bid Guarantee to be attached with the tender. Please clarify the position under **Rule IB.8 of SPPRA BIDDING DOCUMENT**. Till it is cleared the tenders may not be opened and date of opening of tenders may be postponed. The corrigendum letter may be issued for demand of 2% Bid Guarantee against all tenders instead of 5% bid Guarantee demanded in the NIT.

Please note that unless this situation is cleared tenders can not be opened. Otherwise we deserve our rights to approach SPPRA & PPRA for taking action on violation of PPRA rules.

Thanking you.
