2	Turnover for Financial Soundness of bidder is mentioned as Rs. 60.00 however cost of the project is Rs. 130.00 Million, which seems inappropriate and may affect quality.	The Turnover Rs. 60.00 Million was included in the evaluation criteria, considering the wider participation / competition and maintaining transparency in the procurement. Because Power Drilling Machine is not a common machine, supplying firms only import after confirmation of Notification of award, otherwise their firms provided backup support to machineries who are engaged in pilling work at limited resources.
3	The requirement of Registration of Sindh Revenue Board (SRB) mentioned in Evaluation of is not required for the Procurement of goods.	Sindh Revenue Board Letter No. SRB-Com-RV/DC-34/Wht/3547/2017-18 dated 21.11.2017 (Copy enclosed), wherein Sindh Revenue Board directed that 2% of the value of services or goods procured by the department of Government of Sindh funded out of ADP of 2017-18. However applicable taxes will be deducted as per Rules.
4	Procuring agency specify ADP Scheme in Annual Procurement Plan, whereas, further breakup of schemes are not given hence, the instant procurement comprising two parts is not mentioned in Annual Procurement Plan against ADP # 35. Procuring agency may advised to prepare Annual Procurement Plan as NIT as per Rule-12.	The Annual Procurement Plan described procurement of goods in two parts i.e. Power Drilling Rig Machine & Allied Transportation (Copy enclosed).
