**Machine not functioning in Larkana**

The important diagnostic facility of MRI, which is non-functional since 2011, is yet to be repaired at Chandka Medical Hospital (CMCH). The passage of over five months in this connection the Medical Superintendent Dr. Jawaid Shaikh has written a letter to the supra-rajzi Trading Co. of Larkana informing them that the machine is left this site for completing installation of MRI for the benefit of patients. He said the machine is causing huge expense in keeping the Helium gas temperature for the machine to have to run heavy generator during the day because this hospital is facing electricity load for 10-hours out of 24 regularly. -Our
