Percentage Rate Tender and Contract
for works

Not issue vide this office letter no T/C. 55/1152 dated 1/...

General Rules and Direction for the Guidance of Contractors

1. All work proposed to be executed by contract shall be notified in a form of invitation to tender posted on a board showing up in the office of the Executive Engineer and signed by the Executive Engineer. The detailed of the works to be tendered will be supplied to the prospective tenders on...

...as well as the date for submitting and opening of the work; also the amount of earnest money to be deposited by the successful tenderer. It will also state whether refund of earnest money will be granted. Copies of the specifications, designs and any other documents required in connection with the work for the purpose of identification, and shall also be available in the office of the Executive Engineer during office hours.

When a tender is submitted by a firm, it must be signed separately by each partner. If the tender is submitted by a partner of any partner, it shall be signed on his behalf by a partner of the firm.

When a tender is submitted for any work, when executed by a firm, shall also be in the name of the firm by one of the partners, or by some other person authorized by the firm.

The tender shall fill up the usual printed form, stating at what percentage of the cost of the work the contractor is prepared to execute the work. Only one rate of such percentage, on all the items of work, shall be tendered. Tenders, which propose any alteration in the work, or in the time allowed for carrying out the work, or which are liable to rejection. No printed form of tender shall include any other conditions. Contractors wish to tender for two or more works they shall state the name and number of the work to which they refer.

The tenders shall be opened by the Assistant Engineer in the presence of the contractor or their representatives who may be present at the time, and the tenders shall be opened in a comparative statement in suitable form. In the event of a tender being rejected the contractor shall for the purpose of identification, sign copies of the tender. In the event of a tender being rejected the contractor shall be liable to refund the amount of the earnest money. The contractor shall have the right of rejecting all or any part of the tender.

payment alleged to have been made by a contractor in regard to any work under the contract shall be valid and binding on Government unless it is proved to the contrary.

Conditions of Contract

Chief Engineer
Sindh Bureau Right Bank Region
LARKANA

Security deposit.

Clause 1. — The persons whose tender may be accepted (hereinafter called the contractor) shall (A) within one day for a contract of Rs. 1,000 or less, or two days for a contract of more than Rs. 1,000 upto Rs. 2,000 and so on, upto a limit of ten days, for a contract of Rs. 10,000 or more of the receipt by him of the notification of the acceptance of his tender) deposit with the Executive Engineer in cash or Government securities endorsed to Executive Engineer (if deposited for more than 12 months) a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender), or (B) (permit Government at the time of making any payment to him for work done under the contract to deduct such sum as will (with the earnest money deposited by him) amount to percent of all moneys so payable, such deductions to be held by Government by way of security deposit). Provided always that in the event of the contract or depositing a Lumpsum by way of security deposit as contemplated at (A) above, then and in such case, if the sum so deposited shall not amount to, per cent of the total estimated cost of the work, it shall be lawful for Government at the time of making any payment to the contractor for work done under the contract to make up the full amount of per cent by deducting a sufficient sum from every such payment as last aforesaid. All compensation or other sums of money payable by the contractor to Government under the terms of his contract may be deducted from, or paid by the sale of a sufficient part of his security deposit, or from the interest arising therefrom, or from any sums which is due or may become due to the contractor under this contract and in the event of his security deposit, or from the interest arising therefrom, or from any sums which is due or may become due to the contractor under this contract and in the event of his security deposit being reduced by reason of any such deduction or sales aforesaid the contractor shall, within ten days thereafter, make good in cash or with Government securities endorsed as aforesaid any sum or sums which may have been deducted from, or raised by sale of his security deposit or any part thereof. The security deposit referred to, when paid in cash, may, at the cost of the depositor, be converted into interest, bearing securities provided that the depositor has expressly desired this in writing.

If the amount of the security deposit to be paid in a lumpsum within the period specified at (A) above is not paid tender / contract already accepted shall be considered as cancelled and legal steps taken against the contractor for recovery of the amounts.

Compensation for delay.

The security deposit lodged by a contractor (in cash or recovered in instalments from his bills) shall be refunded to him after the expiry of three months from the date on which the work is completed.

Note: - A work should be considered as complete for the purpose of refund of security deposit to a contractor from the last date on which its final measurements are checked by a competent authority, if such check is necessary otherwise from the last date of recording the final measurements.

Clause 2. — The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the order to commence work is given to the contractor. The work shall throughout the stipulated period of the contract be proceeded with, with the due diligence (time being deemed to be of the essence of the contract on the part of the contractor) and the contractor shall pay as compensation an amount equal to one
