Tentative Terms Of Reference

Website Hosting Outsourcing

Syed Mohammad Baqar Abidi

8/10/2016

In this document you can find the Technical Specification section of the Terms Of Reference for the Website Hosting outsourcing of Sindh Education Foundation combined by ITU and ACU at SEF.

Background:

The Sindh Education Foundation (SEF) has been working since 1992 to empower disadvantaged communities of Sindh towards social change by creating and facilitating new approaches to learning and education. The Foundation works on a diverse portfolio of programs through promotion of Public, Private and Community Partnerships and seeks to address not only the goals of Education For All and quality education targets but also create greater ownership and sustainability of the educational interventions.

These objectives are achieved through provision of employment, entrepreneurship and institutional development opportunities at the grassroots level. With financial support from the Department of Education and Literacy, Government of Sindh, the Foundation's portfolio is continuously expanding to reach out to over 500,000 beneficiaries through a network of more than 3,000 schools in underserved areas of Sindh.

The Sindh Education Foundation website (www.sef.org.pk) the primary point of entry to the organization and thus we are looking for a service provider with the technical skills to maintain the website (www.sef.org.pk) on an ongoing basis.
