PREQUALIFICATION REPORT

INTRODUCTION

The Govt. of Sindh is developing a Special Economic Zone in District Khairpur which is famous as "The City of Dates" as it has the highest production of dates in Sindh. The main objective of the Khairpur Special Economic Zone (KSEZ) Project is to strengthen the industrial base of Sindh, to improve the regional economic conditions and to develop Khairpur as a future hub of Agro processing and other related industries. The Zone, being in the proximity of date growing areas, is ideal for setting up date processing and packaging plants for exporting different varieties of dates as a value-added product in the international market. It is designed to bring about a socio-economic revolution in Khairpur District in particular and in the entire region in general.

The KSEZ Project is located along National Highway (N-5) in deh Tando Nazer Ali and is easily accessible by road, by rail and by air. It is spread over an area of about 140 acres. National Industrial Parks Development and Management Company (NIP) is providing the Project Management and Marketing services while EA Consulting Pvt. Ltd. are providing the Consultancy Services for Master Planning, Infrastructure Design and Construction Supervision of the Project. The Master Plan includes all necessary infrastructure facilities including road network, truck stand, water supply, sewerage and storm water drainage systems, Sewage Treatment Plant, Power Distribution and Street Lighting system and a special Power Generation Plant. In addition to the above, also being constructed are the shared facilities including Admin. Office, Laboratory, Training Centre, Mosque, Clinic, Overhead Water Tank, Guard Posts and Security Staff Residences and provision has been made for developing commercial facilities such as hotel & restaurant, shops and banks, etc.

This Report provides detail of the Evaluation and recommendations in respect of Applications for Prequalification received from Contractors in response to the Prequalification Notice for the Project (**Construction of Tube well and Pump House**) published in Daily Kawish, Jang & The News on 20 January 2018.

Pre-qualification documents were purchased by the following contractors:-

- 1) M/s R.K construction Co.
- 2) M/s Crescent Construction Co.
- 3) M/s Madni Engg. Const .Co
- 4) M/s Pakistan Civil & Electrical Works

- 6) M/s Kaybee Constructors
- 7) M/s Blue Stone Associate
- 8) M/s RPS construction Co.
- 9) M/s Gul Construction Co.

CONSTRUCTION OF TUBE WELL & PUMP HOUSE AT KHAIRPUR SPECIAL ECONOMIC ZONE

MANDATORY REQUIREMENTS

- a. Registration with Pakistan Engineering Council in Category C5 (CE-10) or above for contracts in construction and operation of Engineering Works.
- b. Registration with Income Tax with valid Registration Number.
- c. Sales Tax Registration Certificate.
- d. **Passing score 60% overall, but it is mandatory to obtain at least 30% in each category.**

EVALUATION

The Evaluation was carried out as per criteria mentioned in the request for pre-qualification document. In the first Step of evaluation, applied all the criteria and checked for the fulfillment of the Mandatory requirements by all the contractors.

CONCLUSION

Aggregate Qualifying Score is 30% in each category, hence going through the evaluation process (on the basis of criteria) it is noted that Eight (8) contractors are fulfilling the Mandatory requirements and One (1) contractor fails in fulfilling mandatory requirement. After detail scrutiny, Six (6) contractors fail to achieve passing score in Experience Record and Equipment capability. Therefore only Three (3) Contractors qualified for Construction of Tube Well & Pump Hose at Khairpur Economic Zone, as mentioned below:

S.#	Contractors / Firms	Marks Obtained
1	M/s Madni Engg. Const. Co	66

PREQUALIFICATION REPORT

INTRODUCTION

The Govt. of Sindh is developing a Special Economic Zone in District Khairpur which is famous as "The City of Dates" as it has the highest production of dates in Sindh. The main objective of the Khairpur Special Economic Zone (KSEZ) Project is to strengthen the industrial base of Sindh, to improve the regional economic conditions and to develop Khairpur as a future hub of Agro processing and other related industries. The Zone, being in the proximity of date growing areas, is ideal for setting up date processing and packaging plants for exporting different varieties of dates as a value-added product in the international market. It is designed to bring about a socio-economic revolution in Khairpur District in particular and in the entire region in general.

The KSEZ Project is located along National Highway (N-5) in deh Tando Nazer Ali and is easily accessible by road, by rail and by air. It is spread over an area of about 140 acres. National Industrial Parks Development and Management Company (NIP) is providing the Project Management and Marketing services while EA Consulting Pvt. Ltd. are providing the Consultancy Services for Master Planning, Infrastructure Design and Construction Supervision of the Project. The Master Plan includes all necessary infrastructure facilities including road network, truck stand, water supply, sewerage and storm water drainage systems, Sewage Treatment Plant, Power Distribution and Street Lighting system and a special Power Generation Plant. In addition to the above, also being constructed are the shared facilities including Admin. Office, Laboratory, Training Centre, Mosque, Clinic, Overhead Water Tank, Guard Posts and Security Staff Residences and provision has been made for developing commercial facilities such as hotel & restaurant, shops and banks, etc.

This Report provides detail of the Evaluation and recommendations in respect of Applications for Prequalification received from Contractors in response to the Prequalification Notice for the Project **Construction of Main Electrical Sub-station** published in Daily Kawish, Jang & The News on 20 January 2018 .

Pre-qualification documents were purchased by the following contractors:-

- 1) M/s R.K construction Co.
- 2) M/s Crescent Construction Co.
- 3) M/s Madni Engg. Const .Co
- 4) M/s Pakistan Civil & Electrical Works
- 5) M/s Manzoor Ali Qadir & Co.
- 6) M/s Descon Engg.
- 7) M/s Gul Construction Co.

MANDATORY REQUIREMENTS

- a. Registration with Pakistan Engineering Council in Category C4 (CE-10 & EE-05) or above for contracts in construction and operation of Engineering Works.
- b. Registration with Income Tax with valid Registration Number.
- c. Sales Tax Registration Certificate.
- d. **Passing Score 60% overall, but it is mandatory to obtain at least 30% in each category.**

EVALUATION

The Evaluation was carried out as per criteria mentioned in the request for pre-qualification document. In the first Step of evaluation, applied all the criteria and checked for the fulfillment of the Mandatory requirements by all the contractors.

CONCLUSION

Aggregate Qualifying Score is 30% in each category, hence going through the evaluation process (on the basis of criteria) it is noted that Six (6) contractors are fulfilling the Mandatory requirements and One (1) contractor fails in fulfilling mandatory requirement. After detail scrutiny, Three (3) contractors fail to achieve passing score in Experience Record and Equipment capability. Therefore only Four (4) Contractors qualified for Construction of Main Electrical Sub-station at Khairpur Economic Zone, as mentioned below:

S.#	Contractors / Firms	Marks Obtained
1	M/s Madni Engg. Const. Co	60
2	M/s Pakistan Civil & Electrical Works	75.5
3	M/s Descon Engg.	85.5
4	M/s Gul Construction Co.	60.5
