2. **INSTALLATION OF 100 BHP VERTICAL TURBINE 1/C P/L/J/T 20" DIA PE WATER SUPPLY PIPE LINE IN OTP, HYDERABAD.**

I- M/s Jiando Khan	Rs.22788473/-	1 st in ranking (<i>Qualified</i>)
II- M/s Ali Builders	Rs.23723390/-	2 nd in ranking
III- M/s Haji Siraj Soomro	Rs.24382565/-	3 rd in ranking

During the preliminary screening of the documents produced by M/s Orient Engineering works at the time of issuance of bidding documents were examined and found that the contractor has provided in-valid license of Pakistan Engineering Council, having validity up till 31st December 2014, besides this he has also not produced the registration with Sindh Revenue Board which were mandatory for bidding as per provision of SPP rule-46-III and (ammendment 2013), as mentioned in eligibity creteria of published NIT, as well as clause IB-2(a) of standard bidding documents. The Executive Engineer, Housing Project Constt: Division-II, HDA under letter No. EE/HPCD-II/HDA/841, Dated:26/01/2015, has requested the bidder to provide the valid license of PEC and registration with SRB on or before 04/02/2015, with a copy along with enclosure was sent to SPPRA, but the firm again submitted the same in-valid PEC license having validity upto 31st December, 2014 with a remarks that the license is valid for renewal up till 31st March 2015, and further stated that a copy of registration with SRB attached, vide his application dated 28/01/2015, but the copy of registration with SRB was not found attached with above application.

Upon this state of affairs the Executive Engineer, Housing Project Constt: Division-II, HDA, under letter No. EE/HPCD-II/HDA/866, Dated:06/02/2015, informed the contractor about the factual position and requested him to provide a copy of the registration with SRB, but not responded till date.

As the contractor is non serious and trying to mis-lead the procurement agency just to sabotage the transparent process of procurement by way of mis-quoting.

As M/s Orient Engineering Works stood 1st in the ranking for the work at serial No.1 above, but not furnished the valid lisencc of PEC for the year 2015 and registration with SRB as per provision of SPP rule-46-III and (ammendment 2013), and

clause IB2,(a) of SBD. Beside this the Contractor also failed to furnish the evidence of qualification to perform the contract with bidding documents as per provision of clause IB-2(c), IB-11 pursuant to clause IB-8 of SBD as mentioned in published NIT. Hence M/s Orient Engineering Works is declared as in-eligible for bidding and un-qualified to perform the contract. In the light of above mentioned facts M/s Orient Engineering Works stands **dis-qualified** in non compliance of SPP rule 46-III of 2010 (ammendment 2013) and SPP rule-42 of 2010 read with clause 7-6 (A-1) and i (1-AB) of regulation of procurement of works 2013, and clause IB-11 pursuant to clause IB-8 of SBD.

The documents of M/s Jiando Khan who stood 2nd lowest in ranking of work at serial No.1 were examined and found that the contractor is eligible and qualified for award of contract of the work as per provision of SPP Rule 46-III of 2010 (ammendment 2013) and clause IB-11 of SBD

The procurement committee recommends to award both the works as mentioned above, to M/s Jiando Khan as per provision of SPP rules 2010 and regulations 2013.
