16-07-2015

Rule No. 11. Procurement Plan

(1). Mandatory Provision of Procurement Plan - All procuring agencies shall devise a mechanism for planning in detail for all proposed procurements, determining the requirement of the procuring agency, within its available resources, and prepare an annual or a longer term rolling plan, detailing the procurement methods applicable for specific procurements.

The SMI University is an autonomous body and receiving the grants from provincial government and federal government by the HEC on the schedule given hereunder:

1. Provincial Government releases the budget in four installments on quarterly basis
2. HEC releases the budget in 12 installments on monthly basis

The annual procurement plan is prepared when PC-I is approved and amount are allocated in the ADP. The SMI University is receiving recurring budget therefore it is not possible to prepare annual procurement plan as the resources depend on release of budget from provincial government and HEC.

Rule No. 11. Procurement Plan

(1). Mandatory Provision of Procurement Plan - All procuring agencies shall devise a mechanism for planning in detail for all proposed procurements, determining the requirement of the procuring agency, within its available resources, and prepare an annual or a longer term rolling plan, detailing the procurement methods applicable for specific procurements.

The SMI University is an autonomous body and receiving the grants from provincial government and federal government by the HEC on the schedule given hereunder:

1. Provincial Government releases the budget in four installments on quarterly basis
2. HEC releases the budget in 12 installments on monthly basis

The annual procurement plan is prepared when PC-I is approved and amount are allocated in the ADP. The SMI University is receiving recurring budget therefore it is not possible to prepare annual procurement plan as the resources depend on release of budget from provincial government and HEC.

Rule No. 11. Procurement Plan

(1). Mandatory Provision of Procurement Plan - All procuring agencies shall devise a mechanism for planning in detail for all proposed procurements, determining the requirement of the procuring agency, within its available resources, and prepare an annual or a longer term rolling plan, detailing the procurement methods applicable for specific procurements.

The SMI University is an autonomous body and receiving the grants from provincial government and federal government by the HEC on the schedule given hereunder:

1. Provincial Government releases the budget in four installments on quarterly basis
2. HEC releases the budget in 12 installments on monthly basis

The annual procurement plan is prepared when PC-I is approved and amount are allocated in the ADP. The SMI University is receiving recurring budget therefore it is not possible to prepare annual procurement plan as the resources depend on release of budget from provincial government and HEC.
