Technical Sanctioned by Chief Engineer,
 All work proposed to be executed by contract shall be notified in form of invitation to tender posted in the office of the Executive Engineer and signed by the Executive Engineer.
 His letter No. DB/DWE/184, Dt: 23-01-2013 for
 Rs. 237,000/-
 This form will state the work to be carried out, as well as the date for submitting and opening tenders, and the time allowed for carrying out the work; also the amount of earnest money to be deposited with the tender, and the amount of the security deposit to be deposited by the successful tenderer and the percentage, if any to be deducted thereon.

Executive Engineer
 Tehsil Engg. Divn.
 Mirpurkhas

Any person who submits a tender shall fill up the printed form stating at what percentage above or below the rates specified in Schedule 'B' memorandum showing the work to be carried out; he is willing to undertake the work. Only one rate of such percentage shall be framed. Tenders, which propose the rates specified in the said form of invitation to tender or which contain any other conditions, will be liable to rejection. No printed form of tender shall include a tender for more than one work, but if contractors wish to tender for two or more works they shall submit a separate tender for each. Tenders shall have the name and number of the work to which they refer written outside the envelope.

5. The Executive Engineer or his duly authorised Assistant shall open tenders in the presence of contractors who have submitted tenders or their representatives who may be present at the time, and he will enter the amounts of the several tenders in a comparative statement in a suitable form. In the identification, sign copies of the specifications and other documents mentioned in Rule 1. In the event of a tender being rejected the Divisional Officer shall authorize the Treasury Officer concerned to refund the amount of the earnest money for deposited to the contractor making the tender, on his giving a receipt for the return of the money.

6. The Officer competent to dispose of the tenders shall have right of rejecting all or any of the tenders.

stating at what percentage above or below the rates specified in Schedule 'B'
 memorandum showing details of work to be carried out; he is willing to under
 take the work. Only one rate of such percentage shall be framed. Tenders, which propose
 the said form of invitation to tender or which contain any other conditions, will be liable to rejection.
 No tender form of tender shall include a tender for more than one work,
 but if contractors wish to tender for two or more works they shall submit a
 separate tender for each. Tenders shall have the name and number of the
 work to which they refer written outside the envelope.

5. The Executive Engineer or his duly authorised Assistant shall open
 tenders, in the presence of contractors who have submitted tenders or their
 representatives who may be present at the time, and he will enter the amounts
 of the several tenders in a comparative statement in a suitable form. In the
 identification, sign copies of the specifications and other documents mention-
 ed in Rule 1. In the event of a tender being rejected the Divisional Officer
 shall authorize the Treasury Officer concerned to refund the amount of the
 earnest money for deposited to the contractor making the tender, on his giving
 a receipt for the return of the money.

6. The Officer competent to dispose of the tenders shall have right of
 rejecting all or any of the tenders.
