Mr. Kashif Paracha, Advocate for petitioner,
Mr. Khalid Javed Khan, A.G. Sindh

Respondent No.4 invited bids from Manufacturers, Distributors, Suppliers and Importers having good reputation and sound financial position for procurement of various vaccines and drugs for the treatment of Hepatitis which included the injuction Pegelated Interferon Alfa2a and Alfa2b with cap; Rabavirin 400 mg (221 Cap with each Inj). The technical specification for supply of this drug was that it should have been approved by Food & Drug Administration, USA (FDA) or European Medicines Agency (EMA). This rider for seeking approval from FDA or EMA has been challenged in this petition. The manufacturer of such drug is Getz Pharma whereas the petitioner is distributor. The case of the petitioner is that in condition No.2 of the bid documents only those bidders are eligible who are ISO certified and their drugs have the approval of GMP or FDA. Under Item No.3 drugs ought to be registered with the Ministry of Health, Government of Pakistan. It is further the case of the petitioner that its products are registered with Ministry of Health, Government of Pakistan and in order to exclude the drug offered by the petitioner the respondents have specifically inserted additional restriction i.e. the condition that it must have approval from FDA or EMA. It is further contended that attempt is made on the part of the respondents to exclude the petitioner in order to accommodate only a limited number of bidder whose products have approval of FDA or EMA. He then referred to Sindh Public Procurement Rules, 2010, particularly Rules 13, 20 and 44 and contended that the transparency which is to be maintained under such Rules is not being maintained by the Respondents. He also contended that the Rules specifically emphasize that national companies should be encouraged in preference to the foreign Companies so that they may also grow.

The Technical Bid Evaluation Committee Evaluated the Technical Proposals of Hepatitis B & C Medicine

HEPATITIS B & C MEDICINES

During the evolution of technical proposal of Hepatitis B & C Medicine of technical proposal, the following firms have been qualified/disqualified for below mentioned items.

S.#	Name of Firm / Manufacturer	Name of items in which firms Disqualified	Name of items in which firms Qualified	Remarks
1	M/s Aster Life Sciences Lahore	Inj. Interferon 3MIU (Intermax) Reg No. 01S597 Make Changehun Institute of Biological Products China Cap. Ribavirin (Cap. Alpha-Virin 400 mg) Reg No. Make Hamaz Pharmaceutical Multan Water for Inj Reg No. 069583 Make Changehun Institute of Biological Products China		<ul style="list-style-type: none"> • As per company claims Alpha 2a 3MIU Registration No. 01S597 and date 17-12-2008, is in the name of M/s Masoom as (2a Infron) as such the company M/s Masoom did not purchase and not also showed any sale in the Pakistan since 2008. • Then this company handed over new registration to Aster life sciences on dated 18-04-2011, with the same brand name and registration No. which was objectionable as the source was changed and MOH re-registered the same molecule dated 04-06-2011 this means the new product registration and brand name must show all the technical tender clauses for successful technical bids. • M/s Aster life science brand quoted in this tender is registered on 04-06-2011, as per tender mandatory terms the company which don't have satisfactory experience of 2 ½ year to 03 years (formula- Registration Date. 04-06-2011 date at the time of the

				<p>Period is approximately 04 months to qualify this tender).</p> <ul style="list-style-type: none"> As per tender terms the company must show the sales of 300,000 vials/ampoule per year below this quantity, the offer will not be consider by the committee, as per company sales record they only 528/- packs /import vials from abroad and not produce any proven any satisfactory track record. The Technical evaluation committee unanimously has decided not to consider for financial bid opening.
2	M/s Bio-Care Pharmaceutic a Lahore		<p>Inj. Interferon 3 MIU (Reg. 028470) (Ceron) Make China</p> <p>Cap. Ribavirin (Hepamed) (Reg. 028114)</p> <p>Water for Inj. 043457)</p> <p>Cap. + Water Pk Anhui Anke Biotechnology China</p>	<ul style="list-style-type: none"> Quoted item of M/s Biocare Pharmaceutica Lahore is as per the tender specification. The committee has approved technical bid and allowed for financial opening of the bid.
3	M/s Hamza Enterprises Hyderabad	<p>Inj. Interferon 3MIU (Uniferon) Cap. Rabavirin 400 mg Water for inj Inj:INF 3 MIU (R. No. 059966) Spain Telstar Spain</p> <p>Inj. Pege-Interferon (Uni-Peg) 180 Reg No. 061194 Cap. Rabavirin 400 mg</p>	<p><i>[Handwritten signatures and initials]</i></p>	<p>Comments Regarding item No. 1</p> <ul style="list-style-type: none"> M/S. Getz got registration of quoted products before year 2000 from one central Asian Estate Lithonia (included in European Union) however due to undisclosed reasons Getz applied for re-registration with caption change of manufacturer in Ministry of Health Pakistan, and got new registration for new principle / manufacturer of the same product which got approval of registration on 23rd of April, 2011. As per tender mandatory terms & condition the quoted product must have two and half to three year experience in this market, with reference to the registration date of Getz Interferon, the product is just two years and three months of total experience in this market and not full filling the mandatory term. This objection has been raised at the time of opening of technical bids by the competitors and is part of the minutes of meeting. This program has awarded the contract to M/S AJ Mirza for the same manufacturer i.e. M/S Getz Pharma for last financial year 2012 -13 under manufacturer's warranty / authority the supply of products manufactured by M/s Getz is still incomplete despite of reminders and notices by the department. This lack of supply not only caused the limited supply of treatment to the patients but also stopped the program for new registration of new patients. The early treatment to the hepatitis Patients is a significant factor in their cure of the disease, non supply of products has almost caused the failure of whole cause of program. <p>Also invoked hue & cry in the masses throughout the province and brought the bad name to HP&CP Chief minister's initiative, media also tagged their non supply of medicines as non priority program, nor the manufacturer intimated to this office of any penal action taken against the supplier.</p> <ul style="list-style-type: none"> Technical committee took serious note of their non professional attitude and cannot risk the life's of the patients and thus has recommended not to qualify technically instead the recommendations are to

				<p>manufacturer from future business across the province by the Health Department.</p> <ul style="list-style-type: none"> The Technical evaluation committee unanimously has decided not to consider for financial bid opening. <p>Comments Regarding Item No. 4</p> <ul style="list-style-type: none"> The quoted product is 20kDa / Not approved by FDA while the requirement of tender is 40kDa plus FDA Approval. Both are the mandatory tender specifications of the product. The Technical evaluation committee unanimously decided not to consider for financial bid opening.

Getz got registration of quoted products before year 2000 from one central Asian Estate Lithonia (included in European Union) however due to undisclosed reasons Getz applied for re-registration with caption change of manufacturer in Ministry of Health Pakistan, and got new registration for new principle / manufacturer of the same product which got approval of registration on 23rd of April, 2011. As per tender mandatory terms & condition the quoted product must have two and half to three year experience in this market, with reference to the registration date of Getz Interferon, the product is just two years and three months of total experience in this market and not full filling the mandatory term. This objection has been raised at the time of opening of technical bids by the competitors and is part of the minutes of meeting. This program has awarded the contract to M/S AJ Mirza for the same manufacturer i.e. M/S Getz Pharma for last financial year 2012 -13 under manufacturer's warranty / authority the supply of products manufactured by M/s Getz is still incomplete despite of reminders and notices by the department.
