

No. Dir (CB)/SPPRA/3-22(K@K)/11-12/001  
GOVERNMENT OF SINDH  
SINDH PUBLIC PROCUREMENT REGULATORY AUTHORITY  
Karachi, dated the 27<sup>th</sup> April 2012  
July

The Transition Officer,  
(Defunct) Taluka Municipal Administration Tangwani,  
District Kashmore @ Kandhkot

**SUBJECT: NEE NO. (D) TMA/206/2012 DATED 14.04.2012**

I am directed to refer to your letter No. (D)/TMA/141/2012 dated 01.06.2012 and to state that Bid Evaluation Reports do not mention date of opening and amount offered by bidders. Besides, works are Awarded upto 120% above.

2. In view of the above, it is advised to furnish the Bid Evaluation reports with date of opening and amount offered by bidder along with justification of premium over composite schedule of Rate (CSR).

Manager (CB)

Mr. Illahi Bux Government Contractor resident of Tahuka Tangwani Distt: Kashmir

**Name of Work:-** Earth work over katcha sarrak vill: Sono Khan Nindwani UC Jamal  
**Tender Cost:-** 150000/- inwards (Fifteen lac only)

**CONDITIONS OF CONTRACT**

- Clause No. 01** ) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.
- Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order of commencement. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount (equal to 1% or such smaller amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 2% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, and three fourths of the work before three fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 2% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day (but the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.
- Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of Extension of Time ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) on suitable grounds be shown (hereinafter) authorize such extension of time if any, as may, in his opinion, be necessary or proper.
- Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of Final Certificate ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, and upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the works shall have been measured by the Tahuka Municipal Administration sub-ordinate with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off dirt before the date fixed for completion of the work the Transition Officer may at the expense of the contractor remove such scaffolding, surplus materials or to dispose Of the same as he thinks fit and clean of such dirt as aforesaid shall forthwith Pay the amount of the expenses so incurred claim in respect of any such Scaffolding or surplus materials as may actually be incurred claim in thereof.

STAN

Mr. Illahi Bux Government Contractor resident of Taluka Tangwani Distt: Kashmir

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No. 14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable (they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done) to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection) while in progress, from any cause what ever or any imperfections become apparent in it within three for three months) months of a certificate final or others of his compellation shall have been given by Transition Officer or after certificate) charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer charge may cause the same to be made good by the other workmen and deduct the sum that may be then or any time thereafter may become due to the contractor.

Handwritten text, possibly a date or reference number.

**Name of Work:-** Const: of Envicrate block town Karampur  
**Tender Cost:-** 5000000/- inwards (Fifty lac only)

**CONDITIONS OF CONTRACT**

- Clause No. 01** ) **the Person**  
The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the existing money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.
- Clause No. 2** ) The time allowed for carrying out the work as covered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligences (time being allowed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount equal to 1000/- such as smaller amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3 of the whole of the work before 1/3 of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% of such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3 of the whole of the work before 1/3 of the whole time allowed under the contract has elapsed one half of the work before one half of such time has elapsed, and three fourths of the work before three fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% of such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the pace of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.
- Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of Extension of Time ) has having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefor authorize such extension of time if any, as may, in his opinion, be necessary or proper.
- Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of Final Certificate ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the site from all wood work, doors, windows, walls, floors or other parts of any building, on upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the works shall have been measured by the Taluka Municipal Administration sub ordinate with measurements after approved by the Transition Officer shall be binding and conclusive upon the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and clearing off the site before the date fixed for completion of the work the Transition Officer may at the expense of the contractor remove such scaffolding, surplus materials or rubbish and shall forthwith pay the amount of the expenses so incurred clear in respect of any such Scaffolding or surplus materials as may be actually relied by the contractor.

**Name of Work:-** Const. of Envicrate block vill. Taj Mohammad Dahani UC Gulwali  
**Tender Cost:-** 5000000/- inwards (Fifty lac only)

**CONDITIONS OF CONTRACT**

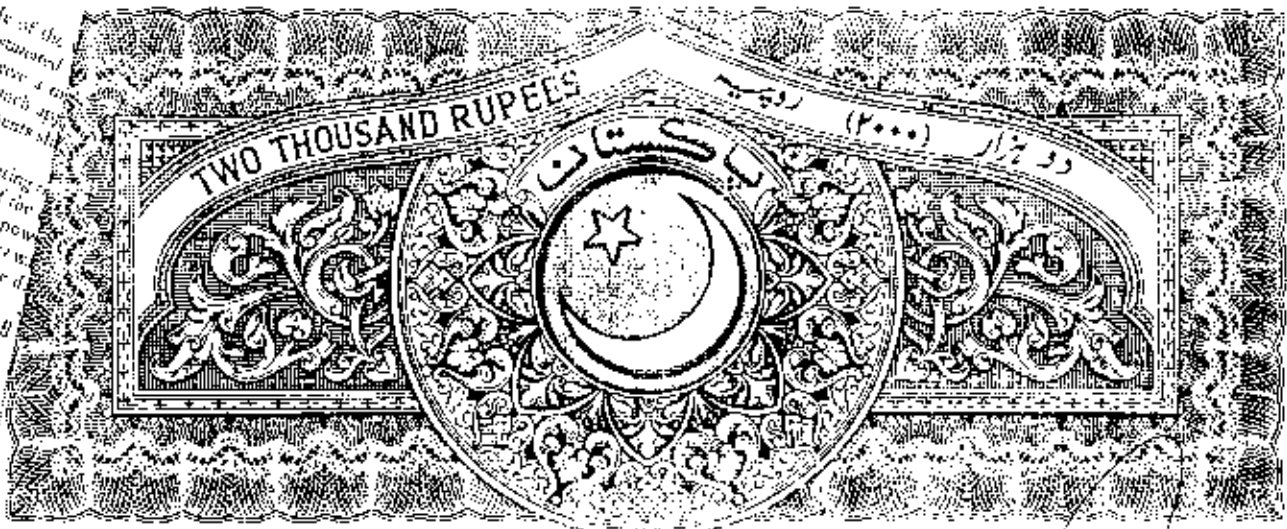

**Clause No.01** ) **The Person**  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.

**Clause No. 2** ) **The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract or the part of the contractor) and the contractor shall pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed; and three fourths of the work before three fourths of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the pure quality of work remains uncompleted, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.**

**Clause No. 3** ) **Extension of Time**  
 ) If the contractor shall decide extension of the time for completion of the work on the grounds of his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore (whereby such extension of time if any, as may, in his opinion, be necessary or proper).

**Clause No. 4** ) **Final Certificate**  
 ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, on or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, after the work shall have been measured by the Taluka Municipal Administration sub-inspector with measurements also approved by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off dirt before the date fixed for completion of the work the Transition Officer may at the expense of the contractor remove such scaffolding, surplus materials or rubbish and clean of such dirt as aforesaid and shall forthwith pay the amount of the expenses so incurred and the contractor shall be liable to pay the sum actually relied by the Transition Officer in respect of any such scaffolding or surplus materials as thereof.

After the whole of the work is completed the contractor shall be entitled to receive a certificate of such work and to make payments as follows:-  
 The contractor shall be entitled to receive a certificate of such work and to make payments as follows:-  
 The contractor shall be entitled to receive a certificate of such work and to make payments as follows:-

Mr. Mejnoo Dahani Government Contractor resident of Taluka Tangwani

change of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No.14** ) If the contractor or his work people, or servants shall break, defect, injury or destroy any part of building in which contractor liable they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done to the promise in which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection while in progress, from any cause whatsoever any imperfections become apparent in it within three for three months months of a certificate final or others of his compulsion shall have been given by Transition Officer in after certificate charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in-charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time thereafter, may become due to the contractor,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall these decisions shall be final) from any sums that may be then or at any time thereafter either may become due to the contractor, or from his security deposit.

**Clause No.15** ) The contractor shall supply at his own cost all materials plant tools appliances, implements, ladders, eardrugs, Contractor to ladders, scaffolding and temporary works requisite or proper for the execution of the work whether original, supply plant, altered or substituted, and whether included in the specification or other documents part of the contractor or ladders, referred to in these conditions or not which may be necessary for the purpose of satisfy or complying with the Scaffoldings, etc ) requirements of the Transition Officer as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled to require together with carriage therefore, to and from the work. The contractor shall also supply without charge the requisite Transition Officer of persons with the means and means necessary for the purpose of setting out works, and estimating, weighting and assisting to the measurement or examination at any time from time to time of work or materials. Failing his so doing the same may be provided by Transition Officer as for expense of contractor, or from his security deposit. The contractor shall also provide all necessary ending and lights required to protect to public from accident and shall be bound to bear the expenses in instance of every suit, action or other proceeding, if law that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay the damage and the cost of which may be awarded in such suit, action or proceeding to any such person, or which may consist of the contractor being bound to compensate any claim by any such person.

Mr. Abdul Sattar Government Contractor resident of Taluka Tangwani Distt: Kashmir

**Name of Work:-** Const. of Footpath town Karampur  
**Tender Cost:-** 200000/- inwards (Twenty lac only)

**CONDITIONS OF CONTRACT**

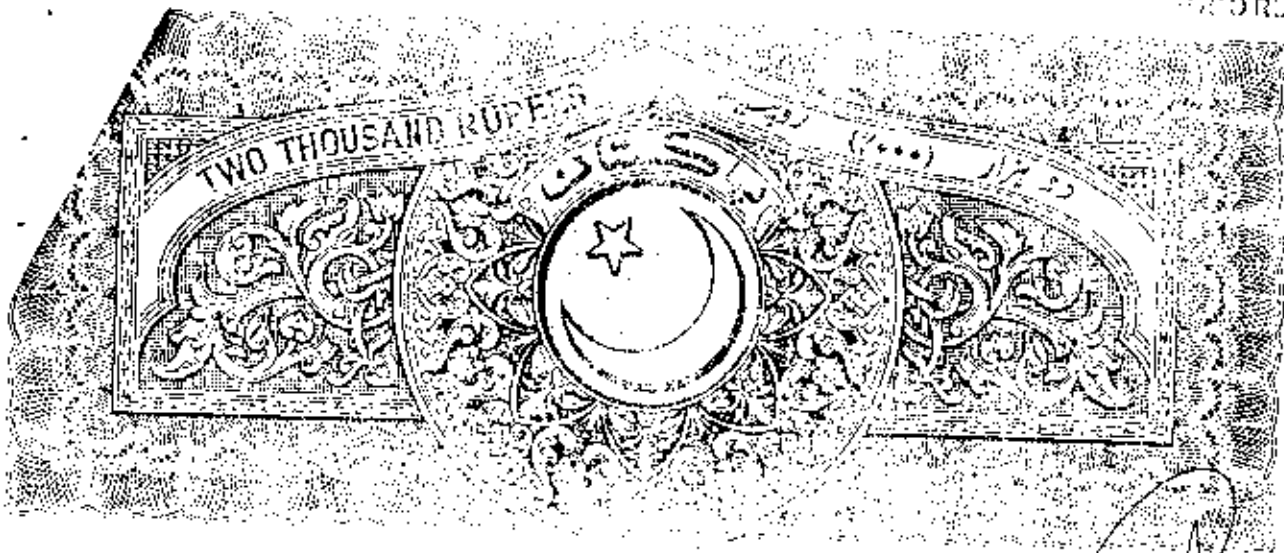

**Clause No.01** ) the Person  
) The person whose tender may be accepted (hereinafter called the contractor) shall (within three days of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer a cash sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be delivered from the security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be prosecuted with all the diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount (equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3rd of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by tender every day that the work remains uncompleted unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/2 the whole of the work before 1/2 of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed; and three fourths of the work before three fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the work remains uncompleted, provided always that the entire amount of compensation to be paid under this provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of extension of Time ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefor authorize such extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of Final Certificate ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, on or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the works shall have been measured by the Taluka Municipal Administration sub-ordinate with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and clearing off dirt before the date fixed for completion of the work the Transition Officer may at

of the contractor remove such scaffolding, surplus materials or or dispose Of the same as he thinks fit and clean of such dirt as aforesaid shall forthwith Pay the amount of the expenses so incurred claim in respect of any such Scaffolding or surplus materials as sum actually relied by the said thereof.

Mr. Abdul Sattar Government Contractor resident of Taluka Tangwani Distt: Kashmir

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No.14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building to which contractor liable they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done to the promise in which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection while in progress, from any cause what ever or any imperfections become apparent in it within three months of a certificate final or others of his completion shall have been given by Transition Officer in after certificate charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in-charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time there after, may become due to the contractor,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall these decisions shall be final) from any sums that may be then or at any kind there either may become due to the contractor, or from his security deposit.

**Clause No.15** ) The contractor shall supply at his own cost all materials plant tools appliances, implements, ladders, cordage, Contractor to ) ladders, scaffolding and temporary works requisite or proper for the execution of the work whether original, supply plant, ) altered or substituted, and weather included in the specification or other documents part of the contractor or ladders, ) referred to in these conditions or not which may be necessary for the purpose of satisfy of complying with the

Scaffoldings, etc ) requirements of the Transition Officer as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled to require together with earnings therefor, to and from the work. **Name of Work:-** Const. of Compound wall graveyard Doulat shah Karampur

**Tender Cost:-** 3000000/- inwards (Thirty lac only)

**CONDITIONS OF CONTRACT**

Clause No.01 ) the Person

The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.

Clause No. 2 ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work

shall throughout the stipulated period of the contract be proceeded with all the diligence (there being deemed to be the essence of the contract on the part of the contractor) and the contractor shall pay as compensation an amount equal to 1% or such as smaller amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncommenced or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3<sup>rd</sup> of the whole time allowed under the contract has elapsed; and half of the work before one half of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that the work remains uncommenced or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 the whole of the work before 1/3<sup>rd</sup> of the whole time allowed under the contract has elapsed; and half of the work before one half of such time has elapsed; and three fourths of the work before three fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 16% on the estimated cost of the work as shown in the tender.

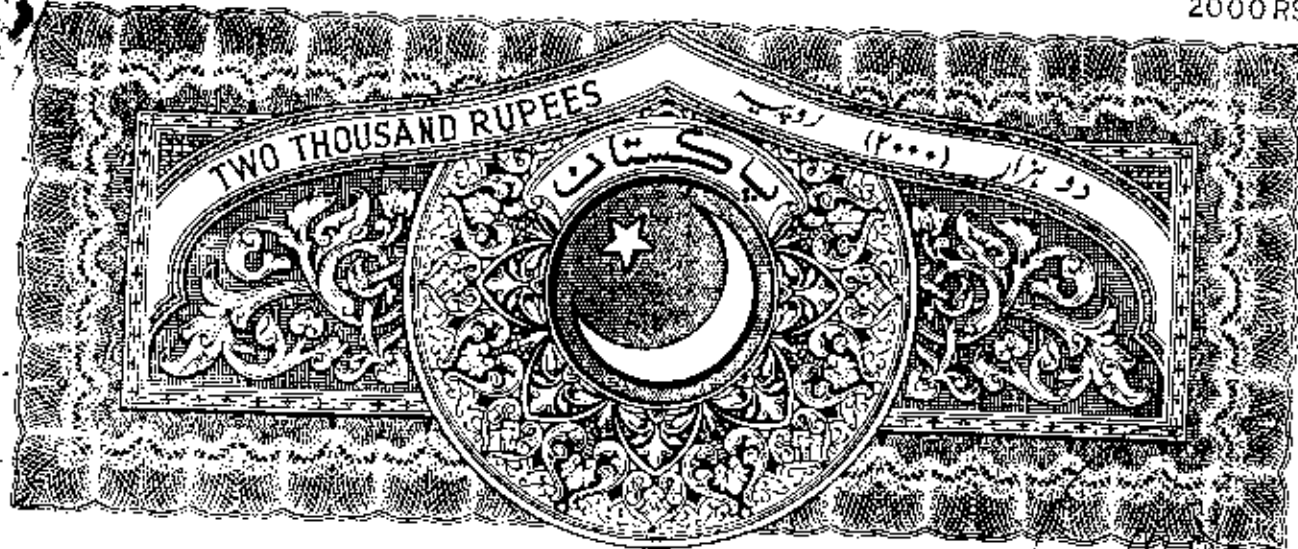

Clause No. 3 ) If the contractor shall decide extension of the time for completion of the work on the grounds of Extension of Time

his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore authorize such extension of time if any, as may, in his opinion, be necessary or proper.

Clause No. 4 ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of Final Certificate

such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, on spot or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the works shall have been measured by the Taluka Municipal Administration and ordinance with measurements after approval by the Transition Officer, shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and clearing off dirt before the date fixed for completion of the work the Transition Officer may so

of the contractor remove such scaffolding, surplus materials or in dispose Of the same as he thinks fit and clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred claim in respect of any such Scaffolding or surplus materials as sum actually relaid by the sale Thereof.

 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days  
**Security Deposit** ) of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer  
 in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the  
 tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the  
 security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work  
**Delay** ) shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to  
 be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount equal to 1% or such smaller amount as the  
 amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by  
 tender for every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution  
 of the work the Contractor shall be bound in all cases in which the time allowed for any work extends one month, to complete 1/3rd of the whole of the work  
 before 1/3rd of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed. In the event of  
 contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the  
 Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that  
 the work remains uncompleted unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor  
 shall be bound in all cases in which the time allowed for any work extends one month, to complete 1/3rd of the whole of the work before 1/3rd of the whole  
 time allowed under the contract has elapsed one half of the work before one half of such time has elapsed, and three fourths of the work before three  
 fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
 to 1% or such smaller amount as the Transition Officer whose decision in writing shall be final) may decide on the said estimated cost of the whole work  
 for every day that the work remains incomplete, provided always that the entire amount of compensation to be paid under this provision of  
 this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of  
**Extension of** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
**Time** ) to the Transition Officer within 10 days to the date of hindrance on account of which he desires such  
 extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefore authorize such  
 extension of time of any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the  
 contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt  
 from all work, doors, windows, walls, floors or other parts of any building, on upon or about which the work is to be executed, or of which he may  
 have had possession for the purpose of the execution thereof, and the works shall have been measured by the  
 Taluka Municipal Administration and certificate with measurements after approval by the Transition Officer shall be binding and conclusive against the  
 contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and  
 cleaning off dirt before the date fixed for completion of the work the Transition Officer may at  
 of the contractor remove such scaffolding, surplus materials or rubbish and dispose Of the same as he thinks fit and  
 clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred claim to  
 respect of any such scaffolding or surplus materials as shall actually relate by the sale  
 thereof

Mr. Ghulam Yaseen Government Contractor resident of Taluka Tangwani Distt: Kashmir

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No. 14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable (they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done ) to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection ) while in progress, from any cause what ever or any imperfections become apparent in it within three for three months ) months of a certificate (and all others of his compulsory shall have been given by Transition Officer in after certificate ) charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time thereafter, may become due to the contractor.

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall those decisions shall be final) from any sums that may be then or at any kind there either may become due to the contractor, or from his security deposit.

**Clause No. 15** ) The contractor shall supply at his own cost all materials (that tools appliances, implements, ladders, cordage, Contractor to ) rickles, scaffolding and temporary works requisite or proper for the execution of the work (weather or good, supply plant, ) stored or substituted, and weather included in the specification or other documents part of the contractor or ladders, ) referred to in these conditions or not which may be necessary for the purpose of satisfy of complying with the Scaffolding, etc ) requirements of the Transition Officer as to any matter as in which under these conditions he is entitled to be satisfied, or which he is entitled to require together with charge therefore, to and from the work. The contractor shall also supply without charge the requisite Transition Officer of persons with the means and Materials necessary for the purpose of setting out works, and counting, weighing and assisting in the measurement or execution at any time from time to time of work or materials. Failing his so doing the same may be provided by Transition Officer, at the express of contractor, or from his security deposit. **Name of Work:** Const: of CC drain & Envicrate block vill: Amcer Ali Khan Dajarani UC  
 Duniyapur  
**Tender Cost:** 300000/- inwards (Thirty lac only)

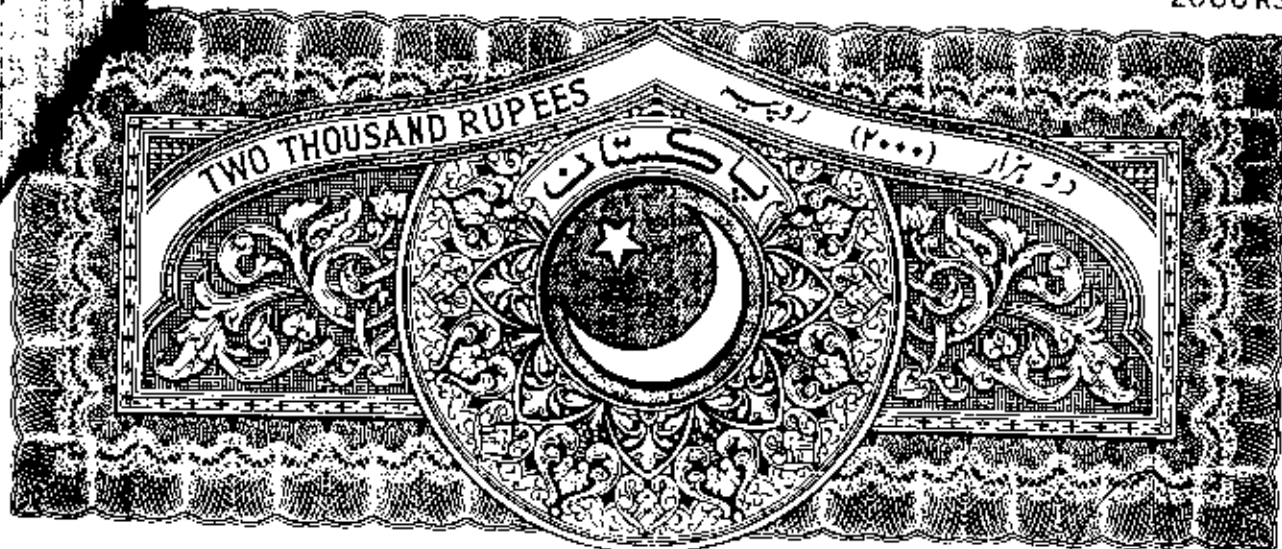

**CONDITIONS OF CONTRACT**

Clause No.01 ) the Person  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days  
**Security Deposit** ) of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer  
 in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the  
 tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the  
 security deposit.

Clause No. 2 ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work  
**Delay** ) shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to  
 be the essence of this contract or the paw of the contractor) and the contractor shall pay as compensation an amount (equal to 1% or such smaller  
 amount the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by  
 tender for every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution  
 of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work  
 before 1/3 of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed. In the event of  
 contractor failing to comply with this condition he shall be liable to pay as compensation and amount equal to 1% or such smaller amount as the  
 Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that  
 the work remains uncompleted unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor  
 shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3 of the whole  
 time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, and three fourths of the work before three  
 fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
 to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work  
 for every day that the pure quality of work remains uncomplete, provided always that the entire amount of compensation to be paid under the provision of  
 this clause shall not exceed 15% on the estimated cost of the work as shown in the tender.

Clause No. 3 ) If the contractor shall decide extension of the time for completion of the work on the grounds of  
**Extension of** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
**Time** ) to the Transition Officer within 10 days to the date of hindrance on account of which he desires such  
 extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefor authorize such  
 extension of time if any, as may, in his opinion, be necessary or proper.

Clause No. 4 ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the  
 contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt  
 from all wood work, doors, windows, walls, floors or other parts of any building, up upon or about which the work is to be executed, or of which he may  
 have had possession for the purpose of the execution thereof, nor until the works shall have been measured by the  
 Tende Municipal Administration sub ordinate with measurements after approval by the Transition Officer shall be binding and conclusive against the  
 contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and  
 cleaning off dirt before the date fixed for completion of the work the Transition Officer may at  
 of the contractor remove such scaffolding, surplus materials or or dispose of the same as he thinks fit and  
 clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred claim to  
 respect of any such Scaffolding or surplus materials as sum actually relied by the said  
 Thereof.

Mr. Mansoor Ahmed Government Contractor resident of Taluka Tangwani Distt: Kashmore

**Name of Work:-** Earth work over katcha sarrak vill: Lashkar Khan Bijarani UC Gutwali  
**Tender Cost:-** 500000/- inwards (Five lac only)

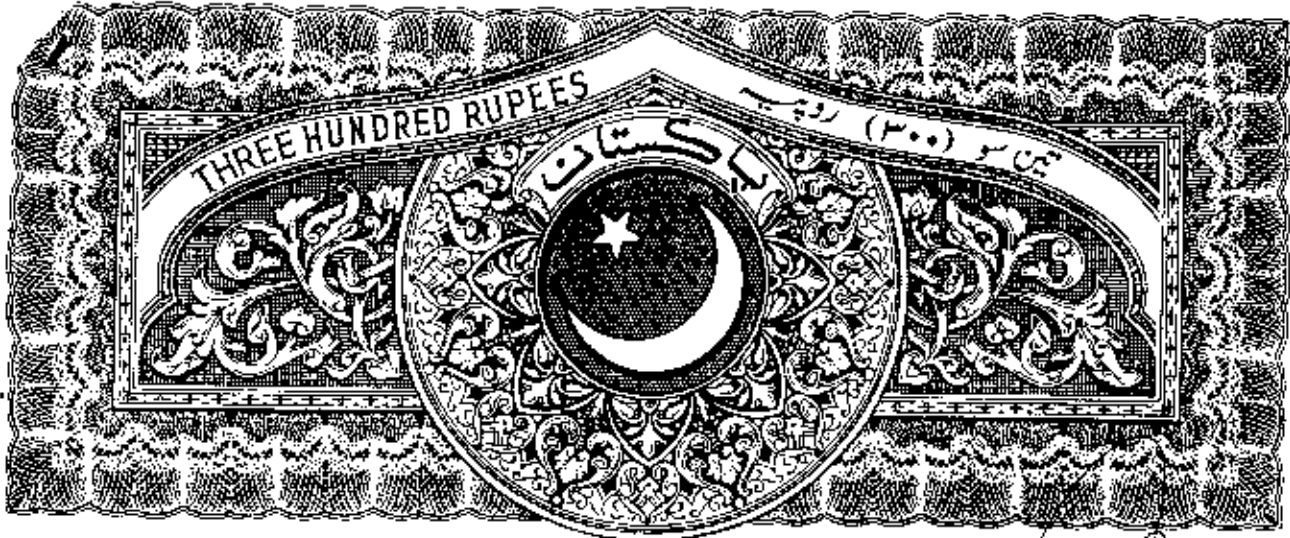

**CONDITIONS OF CONTRACT**

**Clause No. 01** ) **the Person**  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender, to make up the full security deposit specified in the tender. All compensation or other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncommenced or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3 of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that the work remains uncommenced or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/4 of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed, and three fourths of the work before three fourths of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of Extension of Time his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore authorize such extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of Final Certificate such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, on upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the works shall have been measured by the Taluka Municipal Administration sub-ordinance with measurements after approved by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off dirt before the date fixed for completion of the work the Transition Officer may:  
 of the contractor remove such scaffolding, surplus materials or rubbish and dispose of the same as he thinks fit and clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred and claim in respect of any such scaffolding or surplus materials as shall actually accrued by the date thereof.

**Name of Work:** - Const. of Envicrate block vill: Rais Inayatullah Khan Bhayo UC Lafao

**Tender Cost:** 150000/- inwards (Fifteen lac only)

**CONDITIONS OF CONTRACT**

**Clause No.01** ) for Person

) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer in each a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the

**Compensation for Delay** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to

be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount equal to 1% (or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work, the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% (or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by tender every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed, one half of such work before one half of such time has elapsed, and three fourths of the work before three fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of

**Extension of Time** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such

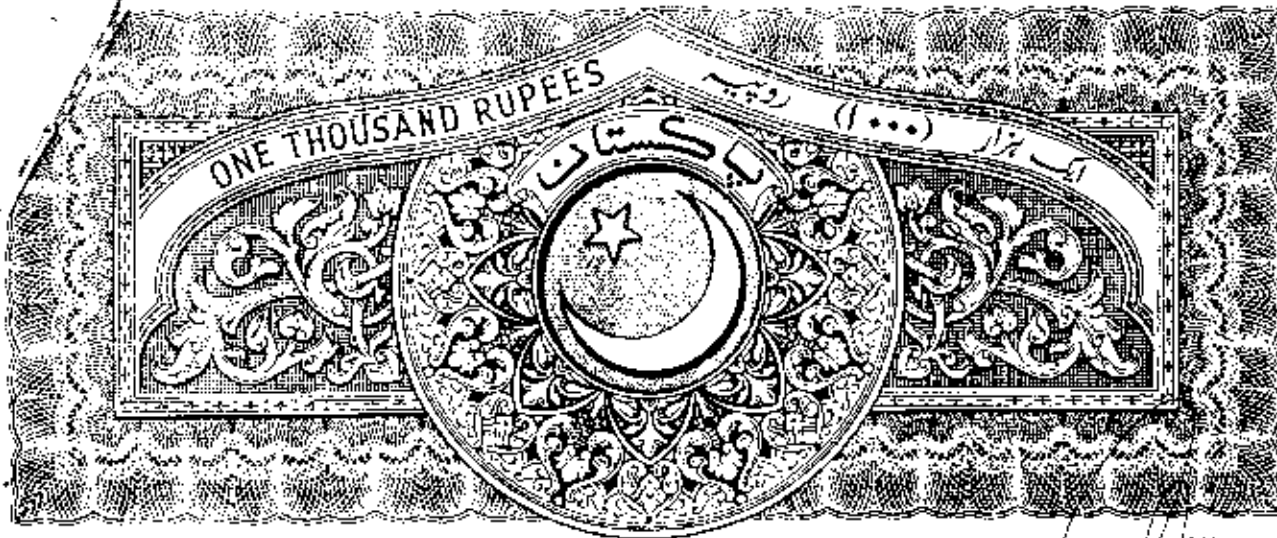

extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefor authorize such extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of

**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned all the site from all work, doors, windows, walls, floors or other parts of any building, on upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the works shall have been measured by the

Taluka Municipal Administration and ordinance with measurements after approved by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements in this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off site before the date fixed for completion of the work the Transition Officer may at

of the contractor remove such scaffolding, surplus materials or to dispose Of the same as he thinks fit and clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred class in respect of any such Scaffolding or surplus materials as sum actually relid by the sale Thereof

Mr. Shoukat Government Contractor resident of Taluka Tangwani Distt: Kashmir

charge of the work, and if any work shall be covered up or covered by and the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No.14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection while in progress, from any cause what ever or any imperfections become apparent in it within three for three months months of a certificate final or others of his compulsion shall have been given by Transition Officer in- after certificate charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in- charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time thereafter, may become due to the contractor,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall those decisions shall be final) from any sums that may be then or at any kind there either may become due to the contractor, or from his security deposit

**Clause No.15** ) The contractor shall supply at his own cost all materials plant tools appliances, implements, ladders, cordage, Contractor to jacks, scaffolding and temporary works requisite or proper for the execution of the work weather original, supply plant, altered or substituted, and weather included in the specification or other documents part of the contract or ladders, referred to in these conditions or not which may be necessary for the purpose of satisfy of complying with the Scaffoldings, etc ) requirements of the Transition Officer as to any matter as to work under these conditions he is entitled to be satisfied, or which he is entitled into require together with carriage therefore, to aid from the work. **Name of Work:-** Const: of CC block vill: Mir Hyder Ali Khan Bijarani  
**Tender Cost:-** 500000/- inwards (Fifty lac only)

**CONDITIONS OF CONTRACT**

**Clause No.01** ) the Person  
) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit

**Clause No. 2** ) The time allowed for executing the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount equal to 1% or such smaller amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncompleted or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3 of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the work remains uncompleted or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/4 of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, and three fourths of the work before three fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the work remains uncompleted or unfinished, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefore authorize such extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of such completion, but no such certificate be given, nor shall the work be considered as complete until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, on or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and the works shall have been measured by the Taluqa Municipal Administration sub-ordinate with measurements after approval by the Transition Officer shall be binding and enforceable against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and clearing off dirt before the date fixed for completion of the work the Transition Officer may at

of the contractor remove such scaffolding, surplus materials or rubbish and dispose of the same as he thinks fit and shall forthwith pay the amount of the expenses so incurred and claim in respect of any such Scaffolding or surplus materials as sum actually relied by the contractor therefor.

**Name of Work:** - Repair of Mettalled road from vill: Jewo Malik road to Sardar Mir Sher  
 Mohammad Khan Bijarani Mari road UC Saifal

**Tender Cost:-** 500000/- inwards (Fifty lac only)

**CONDITIONS OF CONTRACT**

- Clause No.01** ) the Person  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.
- Clause No. 2** ) Compensation for Delay  
 ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the expiry of the contract or the part of the contract) and the contractor shall pay as compensation an amount (equal to 1% or such smaller amount) for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all case in which the time allowed for any work exceeds one month, to complete 1/3rd of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work for every day that the work remains uncommenced unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3rd of the whole of the work before one fourth of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the poor quality of work remains incomplete, provided always that the whole amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.
- Clause No. 3** ) Extension of Time  
 ) If the contractor shall decide extension of the time for completion of the work on the grounds of his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefore authorize such extension of time if any, as may, in his opinion, be necessary or proper.
- Clause No. 4** ) Final Certificate  
 ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the site from all wood work, doors, windows, walls, floors or other parts of any building, on upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, until the works shall have been measured by the Taluka Municipal Administration sub measure with measurements affect approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and clearing off site before the date fixed for completion of the work the Transition Officer may at the discretion of the contractor remove such scaffolding, surplus materials or rubbish and dispose of the same as he thinks fit and clear of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred in respect of any such Scaffolding or surplus materials as may actually relted by the sale thereof.

Mr. Ahsan Ali Gajani Government Contractor resident of Karampur town Taluka Tangyani

*(Handwritten signature and notes)*

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No.14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable ) they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done ) to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & for its perfection ) while in progress, from any cause what ever or any imperfections become apparent in it within three for three months ) months of a certificate final or others of his compulsion shall have been given by Transition Officer to- after certificate ) charge as aforesaid, the contractor shall make the same in his own expense, or in default, the Transition Officer in- charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time there after, may become due to the contractor,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall those decisions shall be final) from any sums that may be then or at any kind there either may become due to the contractor, or from his security deposit.

**Clause No.15** ) The contractor shall supply in his own cost all materials plant tools appliances, implements, ladders, cordage, Contractor to ) (scales, scaffolding and temporary works requisite or proper for the execution of the work weather original, supply plant, ) altered or substituted, and weather included in the specification or other documents part of the contractor or materials, ) referred to in these conditions or not which may be necessary for the purpose of satisfy or complying with the

Scaffoldings, etc ) requirements of the Transition Officer as to any matter as in which under these conditions he is entitled to be satisfied, or which he is entitled to require together with cordage, etc, to and from the work. **Name of Work:-** Const: of Mettalled road vill: Muqdam Shah Ali Nindwani UC Saifal  
**Tender Cost:-** 500000/- inwards (Fifty lac only)

**CONDITIONS OF CONTRACT**

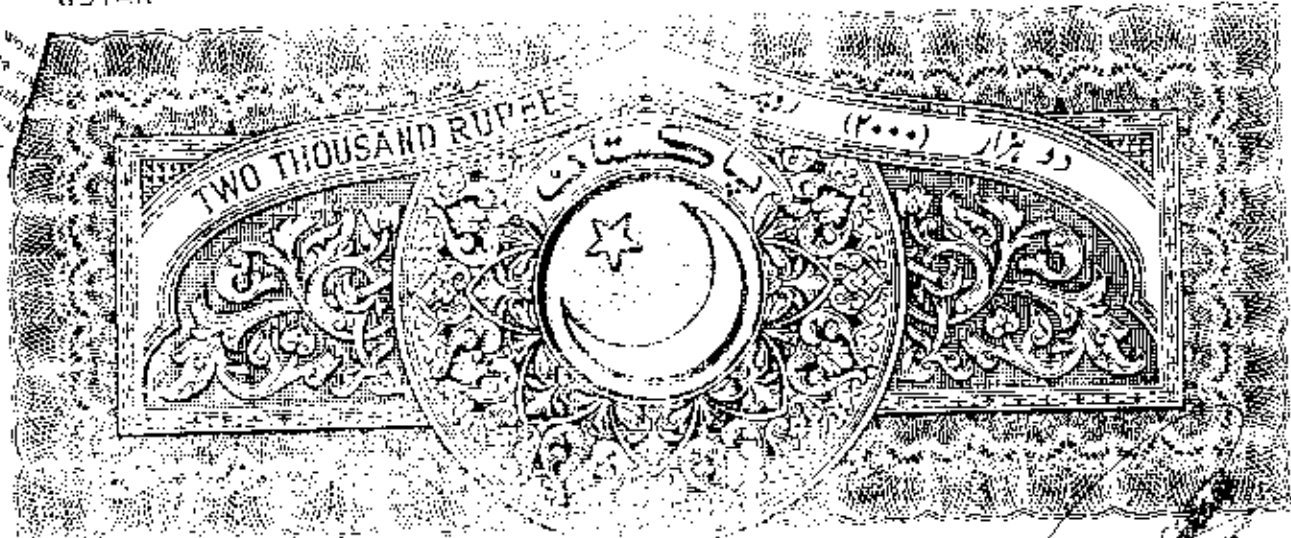

**Clause No.01** ) the Person  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days  
**Security Deposit** ) of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer  
 in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the  
 tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be debited from the  
 security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for Delay** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work  
 shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to  
 be the essence of the contract on the part of the contractor) and the contractor shall pay as compensation an amount equal to 1% on such smaller  
 amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by  
 tender for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution  
 of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3 of the whole of the work  
 before 1/3 of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, in the event of  
 contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% on such smaller amount as the  
 Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that  
 the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor  
 shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3 of the whole of the work before 1/3 of the whole  
 time allowed under the contract has elapsed one half of the work before one half of such time has elapsed; and three fourths of the work before three  
 fourths of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
 to 1% on such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work  
 for every day that the pace quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of  
 this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of  
**Extension of Time** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
 to the Transition Officer within 10 days to the date of hindrance on account of which he desires such  
 extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore authorize such  
 extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the  
 contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the site  
 from all waste work, drains, windows, walls, floors or other parts of any building, or upon or about which the work is to be executed, or of which he may  
 have had possession for the purpose of the execution thereof, and until the works shall have been measured by the  
 Taluka Municipal Administration sub ordinate with measurements after approval by the Transition Officer shall be binding and conclusive against the  
 contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and  
 cleaning off dirt before the date fixed for completion of the work the Transition Officer may at  
 the expense of the contractor remove such scaffolding, surplus materials or to dispose of the same as he thinks fit and  
 clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred claim in  
 respect of any such Scaffolding or surplus materials as sum actually relied by the said  
 Thereof.

whole of the work to estimated as to receive a month of such approval work shall be done of the due amount may be

### CONDITIONS OF CONTRACT

- Clause No.01** ) the Person  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days  
**Security Deposit** ) of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer  
 in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the  
 tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the  
 security deposit.
- Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work  
**Delay** ) shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed) to  
 be the essence of the contract (in the part of the contractor) and the contractor shall pay as compensation an amount (equal to three per cent as a matter  
 amount the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by  
 tender) for every day that the work remains uncompleted or unfinished, after the proper date. And further, to ensure good progress during the execution  
 of the work the Contractor shall be bound in all case in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work  
 before 1/3 of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed. In the event of  
 contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the  
 Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that  
 the work remains uncompleted or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor  
 shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3 of the whole  
 time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed; and three fourths of the work before three  
 fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
 to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work  
 for every day that the pure quality of work remains uncomplete, provided always that the entire amount of compensation to be paid under the provision of  
 this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.
- Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of  
**Extension of** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
**Time** ) to the Transition Officer within 10 days to the date of hindrance on account of which he desires such  
 extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore authorize such  
 extension of time if any, as may, in his opinion, be necessary or proper.
- Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the  
 contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the dirt  
 from all wood work, doors, windows, walls, floors or other parts of any building, or open or about which the work is to be executed, or of which he may  
 have had possession for the purpose of the execution thereof, and until the works shall have been measured by the  
 Taluka Municipal Administration sub-ordinate with measurements after approval by the Transition Officer shall be binding and conclusive against the  
 contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and  
 clearing off dirt before the date fixed for completion of the work the Transition Officer may at  
 of the contractor remove such scaffolding, surplus materials or rubbish and dispose of the same as he thinks fit and  
 claim to  
 clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred.  
 respect of any such scaffolding or surplus materials as sum actually relied by the side  
 Thereof.

Mr. Ahsan Ali Gajani Government Contractor resident of Karampur town Taluka Tangwani

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

Clause No.14 ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable (they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done ) to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection ) while in progress, from any cause what even if any imperfections become apparent in it within three for three months ) months of a certificate final or others of his compellation shall have been given by Transition Officer in- after certificate ) charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in- charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time there after, may become due to the contractor ,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, Transition Officer shall those decisions shall be final) from any sums that may be then or at any kind there after may become due to the contractor, or from his security deposit.

*(Handwritten signature and stamp)*

**Name of Work:** - Const: of single spin culverts UC Saifal  
**Tender Cost:-** 500000/- inwards (Five lac only)

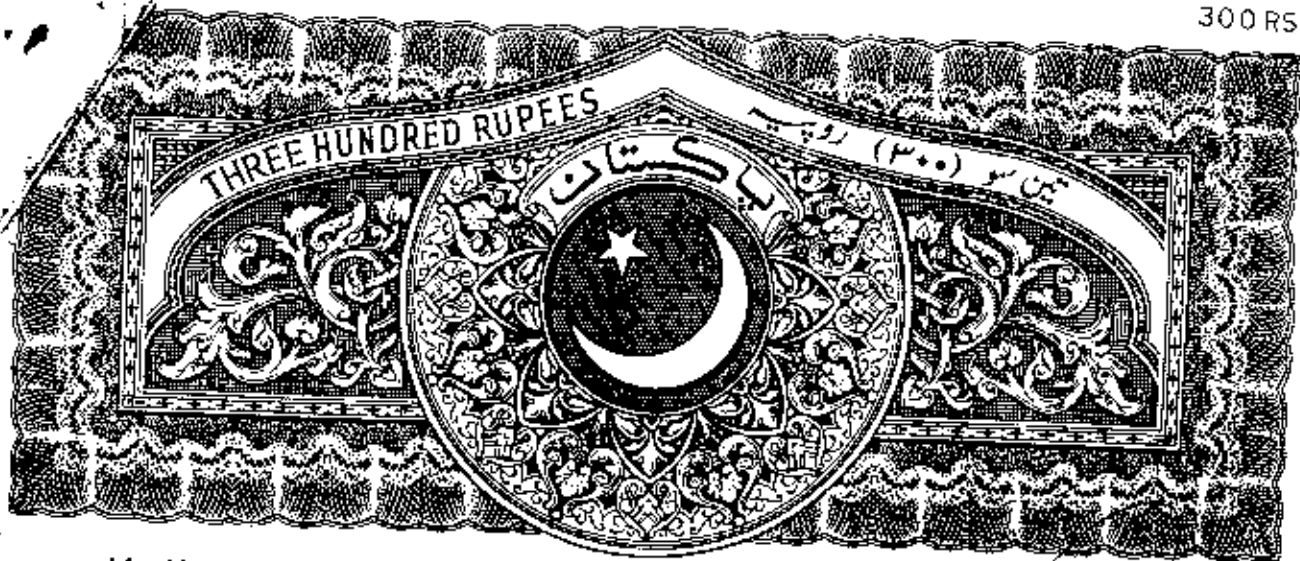

**CONDITIONS OF CONTRACT**

**Clause No.01** ) **the Person**  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days  
**Security Deposit** ) of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer  
 in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified at the  
 tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from this  
 security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work  
**Delay** ) shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to  
 be the essence of the contract or the part of the contractor) and the contractor shall pay as compensation an amount /equal to 1% of such smaller  
 amount the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by  
 tender for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution  
 of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work  
 before 1/3<sup>rd</sup> of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed. In the event of  
 contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% of such smaller amount as the  
 Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that  
 the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor  
 shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3<sup>rd</sup> of the whole  
 time allowed under the contract has elapsed one half of the work before one half of such time has elapsed; and three fourths of the work before three  
 fourths of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
 to 1% of such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work  
 for every day that the pace quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of  
 this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of  
**Extension of** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
**Time** ) to the Transition Officer within 14 days to the date of hindrance on account of which he desires such  
 extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore otherwise such  
 extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the  
 contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the dirt  
 from all wood work, doors, windows, walls, floors or other parts of any building, as upon or about which the work is to be executed, or of which he may  
 have had possession for the purpose of the execution thereof, and until the work shall have been measured by the  
 Calcutta Municipal Administration sub-ordinates with measurements after approval by the Transition Officer shall be binding and conclusive against the  
 contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and  
 clearing off dirt before the date fixed for the completion of the work the Transition Officer may at  
 of the contractor remove such scaffolding, surplus materials or to dispose Of the same as he thinks fit and  
 clean of such dirt as aforesaid shall forthwith Pay the amount of the expenses so incurred claim in  
 respect of any such Scaffolding or surplus materials as sum actually relied by the said  
 thereof.

(D) Taluka municipal administration  
Tangwani

Mr. Ahsan Ali Gajani Government Contractor resident of Karampur town Taluka Tangwahi

**Name of Work:** - Const. of single spin culverts UC Karampur

**Tender Cost:** - 500000/- inwards (Five lac only)

**CONDITIONS OF CONTRACT**

**Clause No.01** ) the Person  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days

**Security Deposit** ) of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the

**Compensation for Delay** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount (equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, in complete 1/3rd of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, in complete 1/3rd of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed; and since finishing of the work before three fourths of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% of the estimated cost of the work as shown in the tender

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of

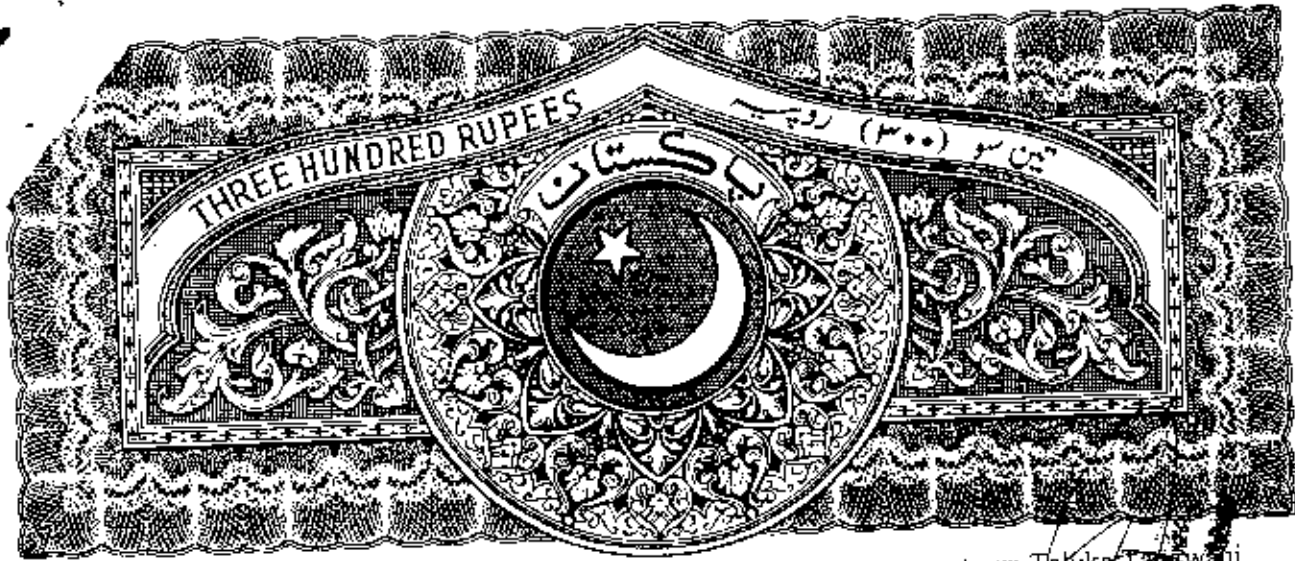

**Extension of Time** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore authorize such extension of time if any, or may, in his opinion, be necessary or proper

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of

**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt from all wood work, doors, windows, walls, boxes or other parts of any building, on upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the works shall have been measured by the Taluka Municipal Administration sub-division with measurements after approval by the Transition Officer shall be making and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off the dirt before the date fixed for completion of the work the Transition Officer may at

of the contractor remove such scaffolding, surplus materials or rubbish and dispose of the same as he thinks fit and clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred claim in respect of any such scaffolding or surplus materials as such actually relied by the sub. Thereof.

Mr. Ahsan Ali Gajani Government Contractor resident of Karampur town Taluka Talagwanji

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No.14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection while in progress, from any cause what ever or any imperfections become apparent in it within three for three months months of a certificate final or others of his compellation shall have been given by Transition Officer in- after certificate ) charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in- charge may cause the same to be made good by the other workman and deduct the sum that may be there or any time there after, may become due to the contractor;

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall those decisions shall be final) from any sums that may be then or at any kind there either may become due to the contractor, or from his security deposit.

**Clause No.15** ) The contractor shall supply at his own cost all materials plant tools appliances, implements, ladders, cordage, Contractor to ) jacks, scaffolding and temporary works requisite or proper for the execution of the work weather original, supply plant, ) altered or substituted, and weather included in the specification in other documents part of the contractor or adders, ) referred to in these conditions or not which may be necessary for the purpose of satisfy of complying with the

**Scaffoldings, etc** ) requirements of the Transition Officer as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled here require together with carriage therefor, to and from the work. The contractor shall also supply without charge the requisite Transition Officer of persons with the means and Materials necessary for the purpose of seeing out works, and counting, weighing and assaying to the measurement or examination at any time from time to time of work or materials. Fading his so doing the same may be provided by Transition Officer at the expense of contractor, or from his security deposit. Tangwani

M/S Shehzen Ali & Co. Government Contractor resident of Taluka Tangwani

**Name of Work:-** Const. of CC drain vill: Bajarabad UC Tangwani  
**Tender Cost:-** 2000000/- inwards (Twenty lac only)

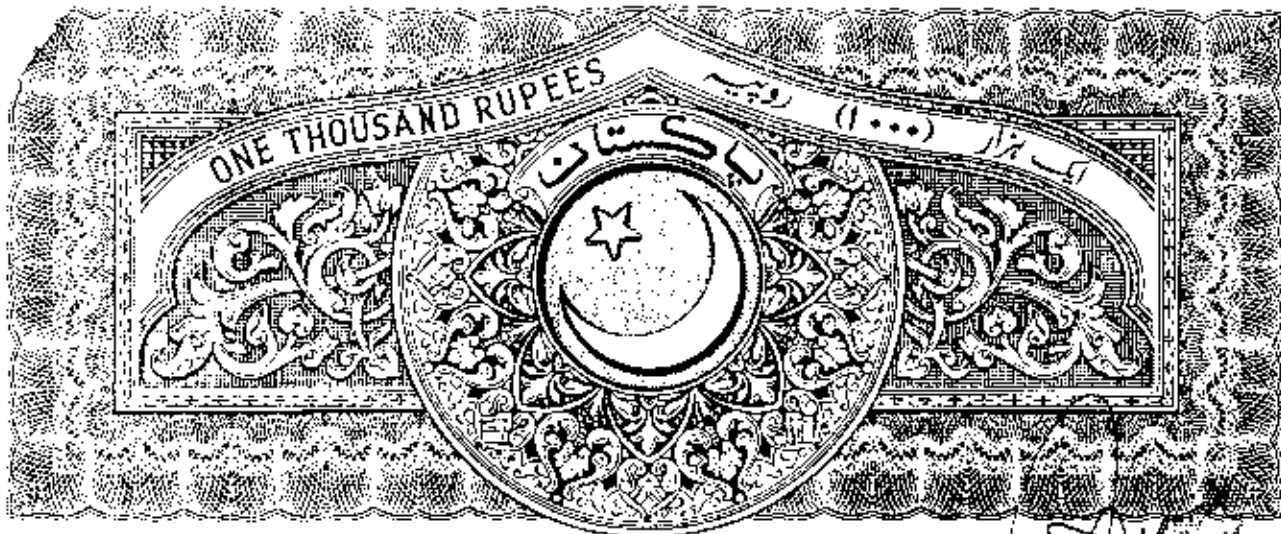

**CONDITIONS OF CONTRACT**

**Clause No.01** ) the Person ) The person whose tender may be accepted (herein after called the contractor) shall (within three days  
**Security Deposit** ) of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer  
 in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the  
 tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the  
 security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work  
**Delay** ) shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to  
 be the essence of the contract or the part of the contractor) and the contractor shall pay as compensation an amount equal to 1% of such as stated  
 amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by  
 tender for every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution  
 of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work  
 before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, in the event of  
 contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% of such smaller amount as the  
 Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that  
 the work remains uncompleted unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor  
 shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3rd of the whole  
 time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed; and three fourths of the work before three  
 fourths of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
 to 1% of such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work  
 for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of  
 this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of  
**Extension of** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
**Time** ) to the Transition Officer within 10 days to the date of hindrance on account of which he desires such  
 extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefore authorize such  
 extension of time if any as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the  
 contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt  
 from all work done, windows, walls, floors or other parts of any building, on upon or about which the work is to be executed, or of which he may  
 have had possession for the purpose of the execution thereof, after the work shall have been approved by the Transition Officer shall be binding and conclusive against the  
 Taluka Municipal Administration sub ordinance with measurements after approval by the Transition Officer shall be binding and conclusive against the  
 contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and  
 cleaning off dirt before the date fixed for completion of the work the Transition Officer may at  
 of the contractor remove such scaffolding, surplus materials or it  
 clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred  
 respect of any such scaffolding or surplus materials as sum actually relid by the sale  
 thereof. claim in

M/S Shehzen Ali & Co. Government Contractor resident of Taluka Tangwani

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

Clause No.14 ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building to which contractor is liable ) they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done ) to the promise in which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection ) while in progress, from any cause what ever or any imperfections become apparent to it within three for three months ) months of a certificate final or others of his completion shall have been given by Transition Officer in after certificate ) charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer is charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time there after, may have come due to the contractor,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall those decisions shall be final) from any sums that may be then or at any time there after or become due to the contractor, or from his security deposit.

Clause No.15 ) The contractor shall supply at his own cost all materials plant tools appliances, implements, fixtures, cartage, Contractor to ) jacks, scaffolding and temporary works requisite or proper for the execution of the work whether original, supply plant, ) altered or substituted, and whether included in the specification or other documents part of the contract or ladders, ) referred to in these conditions or not which may be necessary for the purpose of safety or complying with the Scaffolding, etc ) requirements of the Transition Officer as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled to require together with cartage thereon, to and from the work. The contractor shall also supply without charge the requisite Transition Officer of persons with the means and Materials necessary for the purpose of setting out works, and counting, weighing and assisting in the measurement or examination at any time from time to time of work or materials. FILING no so doing the same way be provided by Transition Officer at the expense of contractor, or from his security deposit.  ) The person whose tender may be accepted (herein after called the contractor) shall (within three days  
**Security Deposit** ) of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer  
 in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the  
 tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the  
 security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work  
**Delay** ) shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to  
 be the essence of the contract on the part of the contractor) and the contractor shall pay as compensation an amount (equal to 1% or such smaller  
 amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by  
 tender for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution  
 of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work  
 before 1/3rd of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed. In the event of  
 contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the  
 Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that  
 the work remains uncommenced unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor  
 shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 the whole of the work before 1/3rd of the whole  
 time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed; and three fourths of the work before three  
 fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
 to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work  
 for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of  
 this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of  
**Extension of** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
**Time** ) to the Transition Officer within 10 days to the date of hindrance on account of which he desires such  
 extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore without such  
 extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered as complete until the  
 contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the dirt  
 from all work done, windows, walls, floors or other parts of any building, on upon or about which the work is to be executed, or of which he may  
 have had possession for the purpose of the execution thereof, and until the works shall have been assessed by the  
 Taluka Municipal Administration sub ordinance with measurements after approval by the Transition Officer shall be binding and conclusive against the  
 contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and  
 clearing off dirt before the date fixed for completion of the work the Transition Officer may at

of the contractor remove such scaffolding, surplus materials or so dispose of the same as he thinks fit and  
 clean it such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred claim in  
 respect of any such scaffolding or surplus materials as sum actually relaid by the sale  
 thereof.

M/S Shehzen Ali & Co. Government Contractor resident of Taluka Tangwani

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed

**Clause No.14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done to the premises on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection while in progress, from any cause what ever or any imperfections become apparent in it within three for three months months of a certificate final or others of his compulsion shall have been given by Transition Officer after certificate charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in-charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time here after, may become due to the contractor,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall those decisions shall be final) from any sums that may be then or at any time here either may become due to the contractor, or from his security deposit.

**Clause No.15** ) The contractor shall supply at his own cost all materials plant tools appliances, implements, ladders, cordage, Contractor to ) rickles, scaffolding and temporary works requisite or proper for the execution of the work weather original, supply plant, ) erected or substituted, and whether included in the specification or other documents part of the contractor or ladders, ) referred to in these conditions or not which may be necessary for the purpose of satisfy of complying with the

**Scaffoldings, etc** ) requirements of the Transition Officer as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled to require together with earnings therefor, to and from the work. The contractor shall also supply without charge the requisite Transition Officer of persons with the means and Materials necessary for the purpose of setting out works, and counting, weighing and assisting in the measurement or examination at any time from time to time of work or materials. Failing his so doing the same may be provided by Transition Officer at the expense of contractor, or from his security deposit. The contractor shall also provide all necessary cordage and lights required to protect to public from accident and shall be bound to bear the expense or offense of every suit, action, or other proceeding, at law, that may be brought by any person for injury sustained owing to neglect of the above provisions and to pay the damage and the cost of which may be awarded in such suit, action or proceeding in any such person, or which may consent of the contractor be paid to compensation any claim by any such person.

**Clause no. 16** ) No work shall be on Sunday without sanction in writing of Transition Officer.

**Work on Sunday** )

**Clause no.17** ) The contractor shall not be assigned or subject without the approval of the Transition Officer, and if the work not to be ) contractor shall assign or subject his contract, so attempt to do, or become insolvent or commence, subcontract ) insolvency proceeding or make any composition with the creditors, or attempt to do so, of any kind,

gratuity, award or allowance pecuniary otherwise shall directly or indirectly to be given promised or obtained by the contractor, or any of his account against any public officer or person employed in Taluka Municipal Administration in any way contrary of his official employment, or if any such officer or person shall become in any way directly or indirectly to the contractor or the Transition Officer may thereupon by notice in writing, rescind the contract and the security deposit of the contractor shall there upon stand forfeited and be absolutely at the disposal of the Taluka Municipal Administration, and the same consequences shall ensue as if the contract had been rescinded and in addition the contractor shall not be entitled to receive or to be paid for any work thereby actually performed under the contract.

**Clause No. 18** ) All sums payable by way of compensation under any of these conditions shall be considered ) All sums payable by way of compensation to be) as reasonable compensation to be applied to the use of Taluka Municipal considered as reasonable compensation ) Administration without reference of actual loss of damage sustained and whether or

NOT AT ALL WITHOUT REFERENCE TO ACTUAL LOSS

) damage shall have been sustained.

Schedule B

OF M. ROAD K. KOT SAIFAL ROAD TO VILL: BUGHO DAHANI

	Description	Qty	Unit	Rate	Amount
	<p>Earth work for road embankment by bulldozer including ploughing, mixing, clod breaking, dressing, compacting with optimum moisture content, up to 200 ft and lift up to 5 ft in all types of soil except rock for 85% modified AASHO density.</p>	139127	P %0Cft	2515.39	349959
	<p>Earth work compaction by sheep foot Roller and Power Roller with optimum moisture content compaction for 95-100% (S.C.N. 4) (6) (7-8)</p>	21358	P %0Cft	1522.75	32523
	<p>Providing sand cushion subgrade supplying and spreading pit/canal sand of Approved quality from approved source of supply to site of work including watering and rolling etc complete. Rate includes all cost of materials T&amp;P labour &amp; carriage of 3000 ft/cu</p>	8609	P %0Cft	557.09	46610
	<p>(a) Preparing Sub-Base course by supplying and spreading stone metal 1 1/2" - 2" gauge of approved quarry in required 3" thickness in 2 layer each 3.0 layers with 20 etc. pit canal sand and having plasticity index of not more than 6% watering &amp; compacting to achieve 98-100% density as per modified AASHO specification rate includes all cost of material T&amp;P labour carriage up to site of work.</p>	4005	P %0Cft	5498.65	220141
	<p>(b) Providing Sub base course by applying and spreading stone metal 1 1/2" gauge of approved quality from approved quarry in required thickness to proper camber and grade 1/2 hand packing mixing with 10% screening &amp; non plastic quarry of approved quality &amp; gauge from approved source etc watering and compacting to achieve 98-100% density as per modified AASHO specification. Rate includes all cost of material T&amp;P and carriage up to site of work.</p>	4005	P %0Cft	5697.54	228195
	<p>Preparing Base course by supplying and spreading stone metal of approved quality from approved quarry properly graded to maximum size of 1 1/2" and required thickness to proper camber and grade etc supplying and spreading 10% of screening and non plastic quarry fines filling depressions with stone metal after initial rolling modified AASHO specification (Rate includes providing of using Templates camber plates seven forms as directed) Rate includes all cost of material T&amp;P and carriage up to site of work.</p>	4005	P %0Cft	5950.64	238323
	<p>Laying Brick on end siding including supplying 9" x 1 1/2" x 3 1/2" first class bricks excavation for having siding with seal waterproof to the road (Rate includes load up to site of work)</p>	2670	P %Rft	1176.93	31424

**Name of Work:-** Const: of Metallid road Kandhkot Saifal road to vil: Bugho Dahani  
**Tender Cost:-** 200000/- inwards (Twenty lac only)

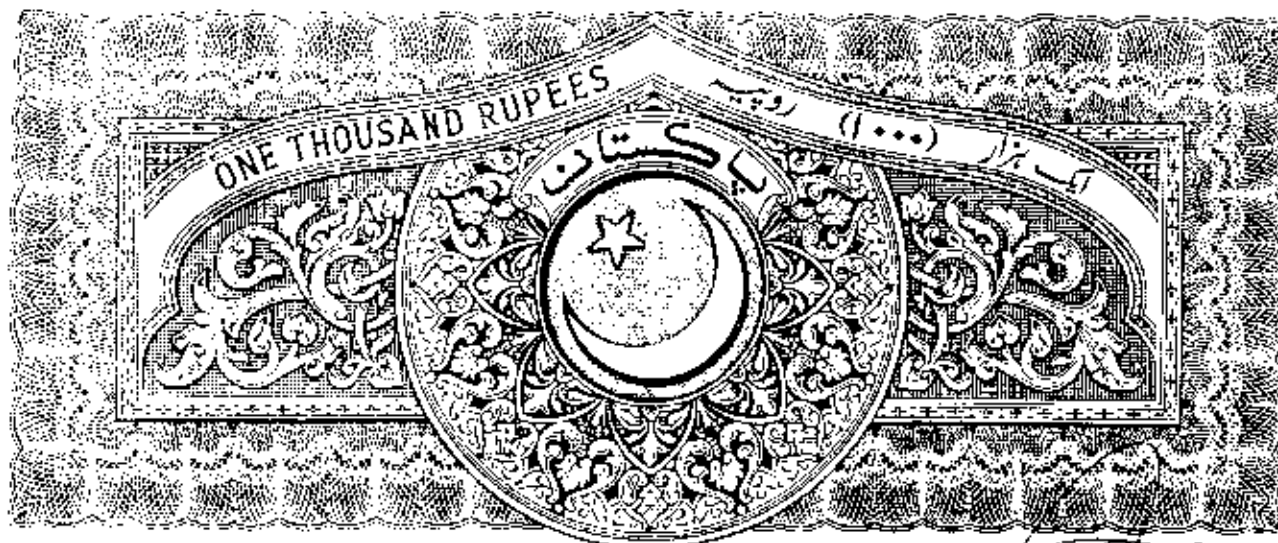

**CONDITIONS OF CONTRACT**

Clause No.01 ) the Person  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.

Clause No. 2 ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract as the part of the contractor) and the contractor shall pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3<sup>rd</sup> of the whole of the work before 1/3<sup>rd</sup> of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that the work remains uncommenced unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3<sup>rd</sup> of the whole of the work before 1/3<sup>rd</sup> of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed, and three fourths of the work before three fourths of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the pace quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

Clause No. 3 ) If the contractor shall desire extension of the time for completion of the work on the grounds of Extension of Time ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension of time if any, as may, in his opinion, be necessary or proper.

Clause No. 4 ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of Final Certificate ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, on upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the works shall have been measured by the Taluka Municipal Administration sub ordinate with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off dirt before the date fixed for completion of the work the Transition Officer may at the contractor remove such scaffolding, surplus materials or to dispose of the same as he thinks fit and clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred and respect of any such Scaffolding or surplus materials as sum actually raised by the sale thereof.

Mr. Mohammad Arab Government Contractor resident of Taluka Tangwani

**Name of Work:-** Const. of Mettalled road Gahano shakh to vil: Mohanmad Usman Bahalkani  
**Tender Cost:-** 1000000/- inwards (Ten lac only)

**CONDITIONS OF CONTRACT**

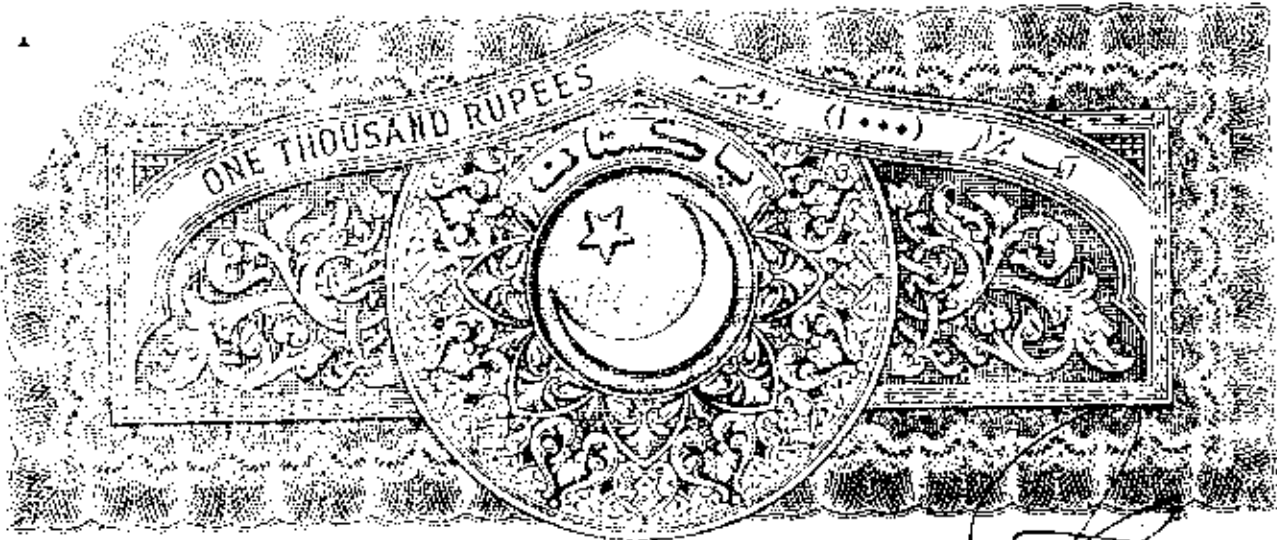

**Clause No. 01** ) the Person  
 ) The person whose tender may be accepted (hereinafter called the contractor) shall (within three days of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all due diligence (time being deemed to be the essence of the contract or the part of the contractor) and the contractor shall pay as compensation an amount equal to 1% of the estimated cost of the whole work as shown by tender for every day that the work remains uncompleted or unfinished after the proper date. And further to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3 of the whole of the work before 1/3 of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% of such weekly amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that the work remains uncompleted or unfinished, after the proper date. And further to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 2/3 of the whole of the work before 2/3 of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, and three quarters of the work before three quarters of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% of such weekly amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the pace of work remains uncompleted, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of Extension of Time ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefore authorize such extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of Final Certificate ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the site from all wood work, doors, windows, walls, floors or other parts of any building, and upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the work shall have been measured by the Taluka Municipal Administration sub-ordinate with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and clearing off the site before the date fixed for completion of the work the Transition Officer may:  
 ) of the contractor remove such scaffolding, surplus materials or to dispose of the same as he thinks fit and  
 ) clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred claim in  
 ) respect of any such scaffolding or surplus materials as sum actually settled by the rate  
 ) Thereof

Mr. Mohammad Arab Government Contractor resident of Taluka Tangwan

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed

**Clause No. 14** ) If the contractor or his work people, or servants shall break, defect, injury or destroy any part of building in which contractor liable they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & fix imperfection while in progress, from any cause what ever or any imperfections become apparent on it within three for three months months or a certificate final or others of his compellation shall have been given by Transition Officer in- after certificate charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in- charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time there after, may become due to the contractor,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall those decisions shall be final) from any suits that may be then or at any kind there after may become due to the contractor, or from his security deposit.

**Name of Work:-** Const. of Mettalled road from Jaffarabad road to vill: Mahmood Nindwari

**Tender Cost:-** 1000000/- inwards (Ten lac only)

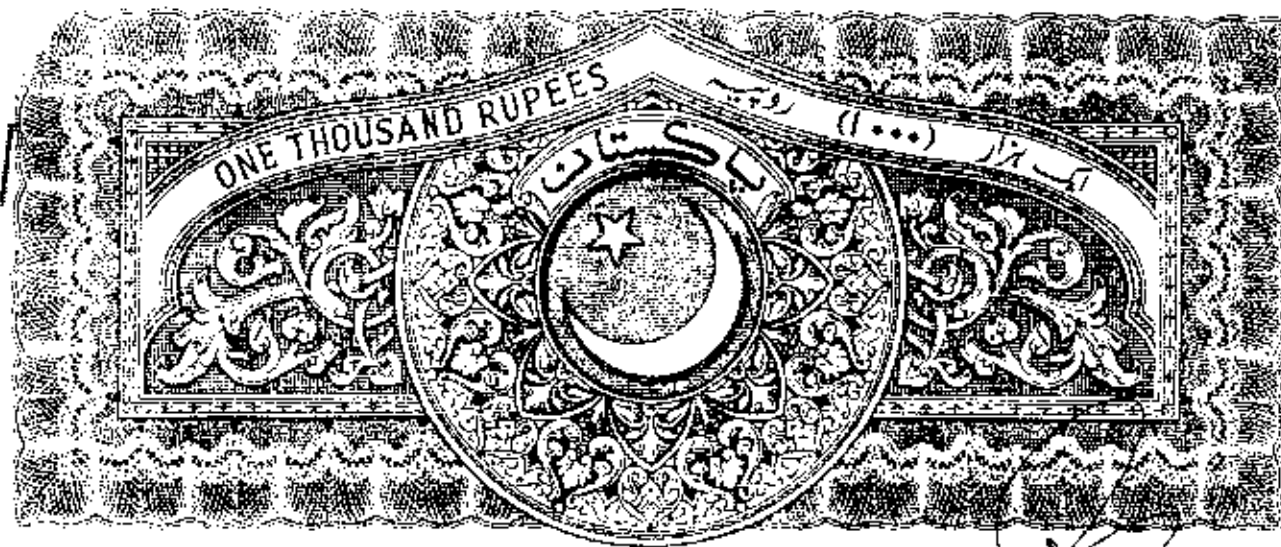

**CONDITIONS OF CONTRACT**

**Clause No.01** ) the Person  
**Security Deposit** ) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensations of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date stated in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all due diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount (equal to 1% or such smaller amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncompleted or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3<sup>rd</sup> of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the estimated cost of the whole as shown by tender every day that the work remains uncompleted unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3<sup>rd</sup> of the whole time allowed under the contract has elapsed one half of the work before one half of such time has elapsed, and three fourths of the work before three fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the quantity of work remains uncompleted, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of Extension of Time ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore authorize such extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of Final Certificate ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt from all wall work, doors, windows, walls, floors or other parts of any building, as soon or about which the work is to be executed, as of which he may have had possession for the purpose of the execution thereof, after which the works shall have been measured by the Taluka Municipal Administration sub-ordinate with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off dirt before the date fixed for completion of the work the Transition Officer may in lieu of the contractor remove such scaffolding, surplus materials or rubbish and dispose of the same as he thinks fit and claim in respect of any such Scaffolding or surplus materials as shall forthwith pay the amount of the expense so incurred and the amount of the sum actually relied by the sale thereof.

Mr. Ali Gohar Government Contractor resident of Taluka Kandhkot

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No. 14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable ) they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done ) to the premises on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection ) while in progress, from any cause what ever or any imperfections become apparent in it within three for three months ) months of a certificate final or others of his completion shall have been given by Transition Officer or after certificate ) charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time thereafter, may become due to the contractor,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall those decisions shall be final) from any sums that may be then or at any kind there either may become due to the contractor, or from his security deposit.

**Clause No. 15** ) (The contractor shall supply at his own cost all materials plant tools appliances, implements, ladders, cordage, Contractor to ) tackles, scaffolding and temporary works requisite or proper for the execution of the work whether original, supply plant, ) altered or substituted, and whether included in the specification or other documents part of the contract or ladders, ) referred to in these conditions or not which may be necessary for the purpose of safety of complying with the Scaffolding, etc ) requirements of the Transition Officer as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled to require together with carriage thereon, to and from the work. The contractor shall also supply without charge the requisite Transition Officer of persons with the means and materials necessary for the purpose of setting out work, and counting, weighing and assisting in the measurement or examination at any time from time to time of work or materials. Failing his so doing the same may be provided by Transition Officer at the expense of contractor, or from his security deposit. The contractor shall also provide all necessary fencing and lights required to protect the public from accident and shall be bound to bear the expenses of every suit, action or other proceeding, if law, that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay the damage and the costs of which may be awarded in such suit, action or proceeding to any such person, or which may consist of the contractor be paid to compromise any claim by any such person.

**Clause no. 16** ) No work shall be on Sunday without sanction in writing of Transition Officer.

**Work on Sunday** )

**Clause no. 17** ) The contractor shall not be assigned or subject without the approval of the Transition Officer, and if the work not to be ) contractor shall assign or subject his contract, an attempt to do, or become insolvent or bankrupt, subject ) insolvency proceeding or make any composition with the creditors, or attempt to do so, if any trade,

gratuity, award or advantage pecuniary otherwise said directly or indirectly to be given, promised or offered by the contractor, or any of his servant or agent to any public officer or person employed in Taluka Municipal Administration in any way during of his period of employment, or if any such officer or person shall become in any way directly or indirectly in the contract or the Transition Officer may thereupon by notice in writing demand the contractor and the security deposit of the contractor shall thus open stated forfeited and be absolutely at the disposal of the Taluka Municipality Administration, and the same consequences shall ensue and if the contract had been executed and in addition the contractor shall not be entitled to recover or to be paid for any work that has actually performed under the contract.

**Clause No. 18** ) All sums payable by a way compensation under any of these conditions shall be considered some payable by way or compensation to be ) as reasonable compensation to be applied to the use of Taluka Municipal Administration without reference of actual loss of damage sustained and whether or ) damage shall have been sustained. not any without Reference to actual loss

Mr. Sabir Ali Government Contractor resident of Taluka Kandhkot

**Name of Work:-** Const: of Mettalled road vill: Biland Khan Bajkani to Akbar Bajkani

**Tender Cost:-** 1000000/- inwards (Ten lac only)

**CONDITIONS OF CONTRACT**

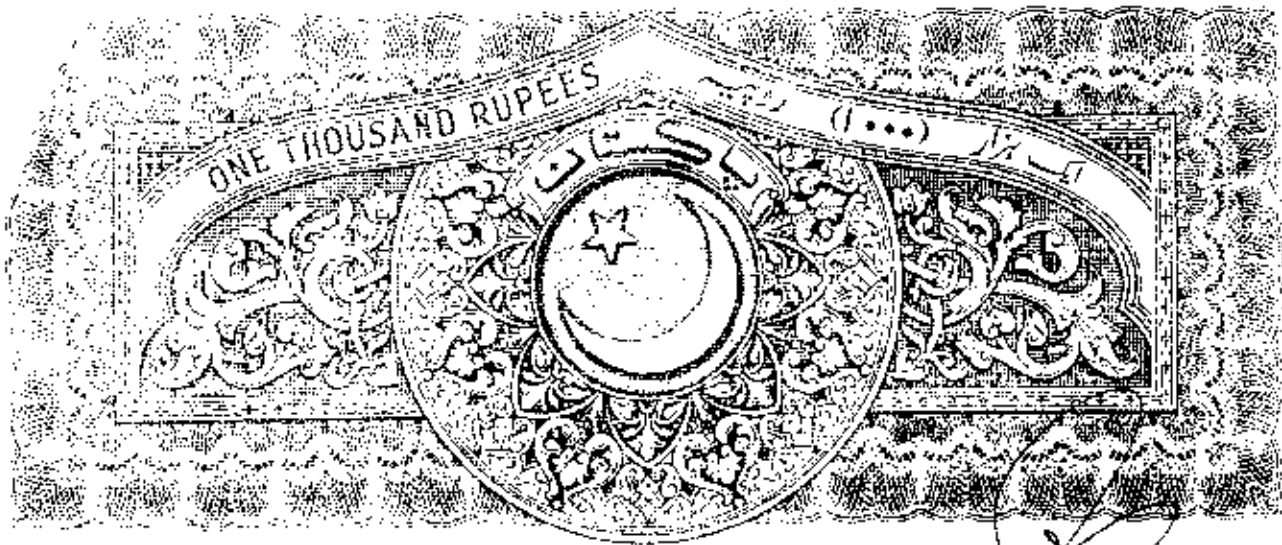

**Clause No.01** ) **the Person**  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All composition of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.

**Clause No. 2** ) **Compensation for Delay**  
 ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of this contract on the part of the contractor) and the contractor shall pay as compensation an amount equal to 1% (one per cent) of the estimated cost of the whole work as shown by tender for every day that the work remains uncommenced or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation and amount equal to 1% (one per cent) of such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that the work remains uncommenced or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, and these fourths of the work before three fourths of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% (one per cent) of such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) **Extension of Time**  
 ) If the contractor shall decide extension of the time for completion of the work on the grounds of his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefore authorize such extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) **Final Certificate**  
 ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt from all wood work, doors, windows, walls, roofs or other parts of any building, on or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and the works shall have been measured by the Taluka Municipal Administration and measured with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and clearing off dirt before the date fixed for completion of the work the Transition Officer may in

of the contractor remove such scaffolding, surplus materials or rubbish and dispose Of the same as he thinks fit and clear of such dirt as aforesaid shall forthwith Pay the amount of the expenses so incurred claim in respect of any such Scaffolding or surplus materials as sum actually relied by the said Contractor.

Mr. Sabir Ali Government Contractor resident of Taluka Kandhkot

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No.14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable ) they may be working, or any building, road, fence, enclosure, or gross land or any cultivated ground contiguous for damage done ) to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection ) while in progress, from any cause what ever or any imperfections become apparent to it within three for three months ) months of a certificate final or others of his completion shall have been given by Transition Officer in after certificate ) charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time there after, may become due to the contractor.

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall those decisions shall be final) from any sums that may be then or at any kind there either may become due to the contractor, or from his security deposit

**Clause No.15** ) The contractor shall supply at his own cost all materials plant tools appliances, implements, ladders, cordage, Contractor to ) rackets, scaffolding and temporary works requisite or proper for the execution of the work weather original, supply plant, ) altered or substituted, and weather included in the specification or other documents part of the contractor or ladders, ) referred to in these conditions or not which may be necessary for the purpose of satisfy of complying with the Scaffolding, etc ) requirements of the Transition Officer as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled to require together with carriage thereto, in and upon the work. The contractor shall also supply without charge the requisite Transition Officer of persons with the means and Materials necessary for the purpose of setting out works, and counting, weighing and assisting in the measurement or examination at any time from time to time of work or materials. Failing to do doing the same may be provided by Transition Officer at the expense of contractor, or from his security deposit. The contractor shall also provide all necessary tending and lights required to protect to public from accidents and shall be bound to bear the expenses or offence of every suit, action or other proceeding, a law, that may be brought by any person for injury sustained owing to neglect of the above provisions and to pay the damage and the cost of which may be awarded in such suit, action or proceeding to any such person, or which may concern of the contractor to be paid to compensate any claim by any such person.

**Clause no. 16** ) No work shall be on Sunday without sanction in writing of Transition Officer.

**Work on Sunday** )

**Clause no.17** ) The contractor shall not be assigned or subject without the approval of the Transition Officer, and if the work not to be ) contractor shall assign or subject his contract, an attempt to do, or become involved or commence, subject ) insolvent proceeding or make any composition with the creditors, or attempt to do so, if any trade,

privately, award or advantage pecuniary otherwise than directly or indirectly to his own personal or offered by the contractor or any of his servants or agent to any public officer or person employ at Taluka Municipal Administration in any way nature of his office or employment, or if any such officer or person shall become at any way directly or indirectly in the contract of the Transition Officer may thereupon by notice in writing to send the contractor and the security deposit of the contractor shall there upon stand forfeited and be absolutely at the disposal of the Taluka Municipal Administration, and the same consequences shall ensue and if the contract had been executed then in addition, the contractor shall not be entitled to receive or to be paid for any work more or less actually performed under the contract.

**Clause No. 18** ) All sums payable by way of compensation under any of these conditions shall be considered some payable by way of compensation or he ) as reasonable compensation to be applied to the use of Taluka Municipal Administration without reference of actual loss of damage sustained and whether or not any without Reference to actual loss ) damage shall have been sustained.

**Tender Cost:** - 200000/- inwards (Twenty lac only)

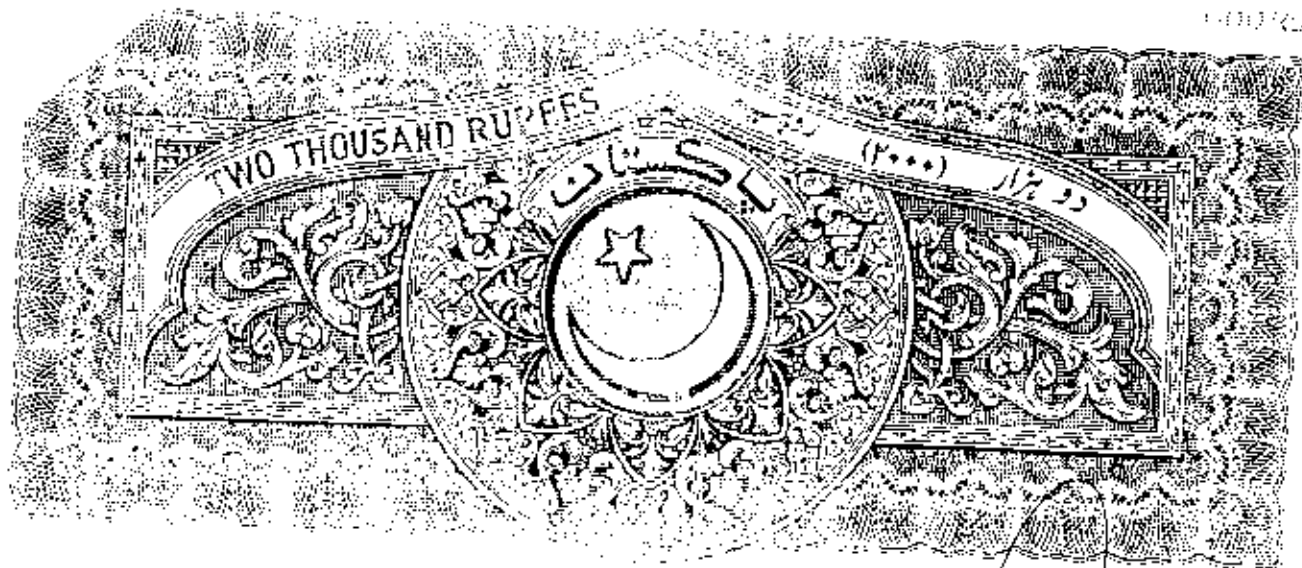

**CONDITIONS OF CONTRACT**

**Clause No.01** ) The Person  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days  
**Security Deposit** ) of the receipt by him of the notifications of the acceptance of his tender, deposit with the Transition Officer  
 in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the  
 tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the  
 security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for Delay** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work  
 shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to  
 be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount /equal to 1% or such a smaller  
 amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by  
 tender, for every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution  
 of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work  
 before 1/3rd of the whole time allowed under the contract has elapsed; and half of the work before one half of such time has elapsed, in the event of  
 the contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such a smaller amount as the  
 Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that  
 the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor  
 shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/3rd of the whole  
 time allowed under the contract has elapsed; and half of the work before one half of such time has elapsed, and three fourths of the work before three  
 fourths of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
 to 1% or such a smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work  
 for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of  
 this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of  
**Extension of Time** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
 to the Transition Officer within 10 days to the date of hindrance on account of which he desires such  
 extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore authorize such  
 extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the  
 contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the site  
 from all wood work, doors, windows, walls, floors or other parts of any building, on top or about which the work is to be executed, or of which he may  
 have had possession for the purpose of the execution thereof, and until the works shall have been measured by the  
 Taluka Municipal Administration sub ordinate with measurements after approval by the Transition Officer shall be binding and conclusive against the  
 contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish, and  
 clearing off the site before the date fixed for completion of the work the Transition Officer may at  
 of the contractor remove such scaffolding, surplus materials or or dispose Of the same as he thinks fit and  
 shall forthwith pay the amount of the expenses so incurred claim in  
 respect of any such Scaffolding or surplus materials as sum actually relied by the contractor  
 thereon.

 in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the  
 tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the  
 security deposit.
- Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work  
**Delay** ) shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to  
 be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount /equal to 1% or such smaller  
 amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by  
 order for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution  
 of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work  
 before 1/4 of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed. In the event of  
 contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the  
 Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole of the work the Contractor  
 shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/4 of the whole  
 time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed; and three fourths of the work before three  
 fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
 to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work  
 for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of  
 this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.
- Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of  
**Extension of** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
**Time** ) to the Transition Officer within 10 days to the date of hindrance on account of which he desires such  
 extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefor authorize such  
 extension of time if any, as may, in his opinion, be necessary or proper.
- Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the  
 contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus material and rubbish, and cleaned off the site  
 from all wood work, doors, windows, walls, floors or other parts of any building, on upon or about which the work is to be executed, or of which he may  
 have had possession for the purpose of the execution thereof, and the works shall have been measured by the  
 Taluka Municipal Administration with measurements after approval by the Transition Officer shall be binding and conclusive against the  
 contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and  
 cleaning off dirt before the date fixed for completion of the work the Transition Officer may in  
 of the contractor remove such scaffolding, surplus materials or dirt and dispose of the same as he thinks fit and  
 clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred and claim in  
 respect of any such Scaffolding or surplus materials as  
 thereon sum actually relid by the sale

PAUJIAI

Mr. Teja Ram Government Contractor resident of Ghouspur Taluka Kandhkot

**Name of Work:-** Const. of bridge over Tangwani shakh vill: Lalluo Malik  
**Tender Cost:-** 600000/- inwards (Six lac only)

**CONDITIONS OF CONTRACT**

Clause No.01 ) **the Person**

) The person whose tender may be accepted (herein after called the contractor) shall (within three days) of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from this security deposit.

Clause No. 2 )

**Compensation for Delay** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3rd of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that the work remains uncommenced unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/2 of the whole of the work before 1/2 of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed; and three fourths of the work before three fourths of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

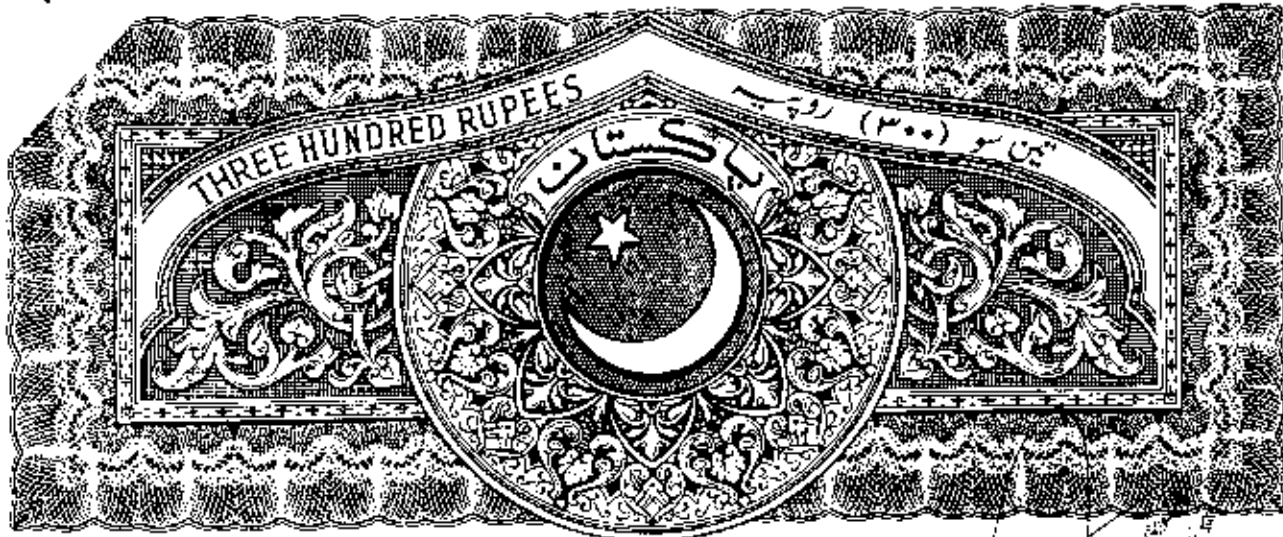

Clause No. 3 )

**Extension of Time** ) If the contractor shall decide extension of the time for completion of the work on the grounds of his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefore authorize such extension of time if any, as may, in his opinion, be necessary or proper.

Clause No. 4 )

**Final Certificate** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of such completion, but no such certificate given, one shall the work be considered to be complete until the contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, on or upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, nor until the works shall have been measured by the Taluk Municipal Administration sub assistance with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off dirt before the date fixed for completion of the work the Transition Officer may at

of the contractor remove such scaffolding, surplus materials or rubbish and dispose of the same as he thinks fit and clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred and respect of any such scaffolding or surplus materials as shall be actually rebled by the sale thereof.

Mr. Teja Ram Government Contractor resident of Ghouspur Taluka Kandhok

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No. 14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection while in progress, from any cause what ever or any imperfections become apparent in it within three for three months months of a certificate final or others of his compulsion shall have been given by Transition Officer after certificate charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer or charge may cause the same to be made good by the other workman and deduct the sum that may be there or any time there after, may become due to the contractor,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, Transition Officer shall those decisions shall be final; from any sums that may be then or at any kind there either may become due to the contractor, or from his security deposit.

**Clause No. 15** ) The contractor shall supply at his own cost all materials plant tools appliances, implements, ladders, cordage, Contractor to rackets, scaffolding and temporary works requisite or proper for the execution of the work weather original, supply plant, altered or substituted, and weather included in the specification or other documents part of the construction or ladders, referred to in these conditions or not which may be necessary for the purpose of satisfy of complying with the Scaffoldings, etc ) requirements of the Transition Officer as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitl into repair together with salvage therefor, to and from the work. The contractor shall also supply without charge the requisite Transition Officer of persons with the means and Materials necessary for the purpose of setting out works, and counting, weighing and assisting in the measurement or examination at any time from time to time of work or materials. Nothing but so doing the same may be provided by Transition Officer at the expense of contractor, or from his security deposit. The contractor shall also provide all necessary siding and rights required to protect its public from accident and shall be bound to bear the expenses or claims of every suit, service or other proceeding, it may, that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay the damage and the cost of which may be awarded in such suit, action or proceeding to any such person, or which may consist of the contractor be paid to compensate any claim by any such person.

### CONDITIONS OF CONTRACT

- Clause No.01** ) the Person  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days  
**Security Deposit** ) of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer  
 in cash a sum sufficient with this amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the  
 tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the  
 security deposit.
- Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for Delay** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work  
 shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to  
 be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount (equal to 1% or such smaller  
 amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by  
 tender for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution  
 of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work  
 before 1/3 of the whole time allowed under the contract has elapsed; and half of the work before one half of such time has elapsed. In the event of  
 the contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the  
 Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that  
 the work remains uncommenced unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor  
 shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 the whole of this work before 1/3 of the whole  
 time allowed under the contract has elapsed; and half of the work before one half of such time has elapsed, and three fourths of the work before three  
 fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
 to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the estimated cost of the whole work  
 for every day that the work remains uncommenced or unfinished, provided always that the entire amount of compensation to be paid under the provision of  
 this clause shall not exceed 10% of the estimated cost of the work as shown in the tender.
- Clause No. 3** ) if the contractor shall decide extension of the time for completion of the work on the grounds of  
**Extension of Time** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
 to the Transition Officer within 10 days to the date of hindrance on account of which he desires such  
 extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore authorize such  
 extension of time if any, as may, in his opinion, be necessary or proper.
- Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, the work shall be considered to be complete until the  
 contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt  
 from all wall work, doors, windows, walls, floors or other parts of any building, on upon or about which the work is to be executed, or of which he may  
 have had possession for the purpose of the execution thereof, and with the work shall have been measured by the  
 Taluka Municipal Administration and ordinance with measurements after approval by the Transition Officer shall be binding and conclusive against the  
 contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and  
 cleaning off dirt before the date fixed for completion of the work the Transition Officer may at  
 of the contractor remove such scaffolding, surplus materials or to dispose Of the same as he thinks fit and  
 clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred claim in  
 respect of any such Scaffolding or surplus materials as sum actually relid by the sale  
 thereof.

Mr. Imamdin Khoso Government Contractor resident of Taluka Kandhok

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for work, or the materials with which the same was executed.

Transition Officer  
(D) Taluka municipal administration  
Tangwani

Copy forwarded with recommendation for further information to:  
1. The Transition Officer (D) Tangwani. He is directed to intimate the actual start of work in monthly.

Transition Officer  
(D) Taluka municipal administration  
Tangwani

Mr. Illahi Bux Government Contractor resident of Taluka Tangwani Dist: Kashmore

**Name of Work:-** Const. of bridge over Hazaro shakh village Allahwarayo Nindwani

**Tender Cost:-** 600000/- inwards (Six lac only)

**CONDITIONS OF CONTRACT**

**Clause No.01** ) **the Person**  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days  
**Security Deposit** ) of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer  
 in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the  
 tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the  
 security deposit.

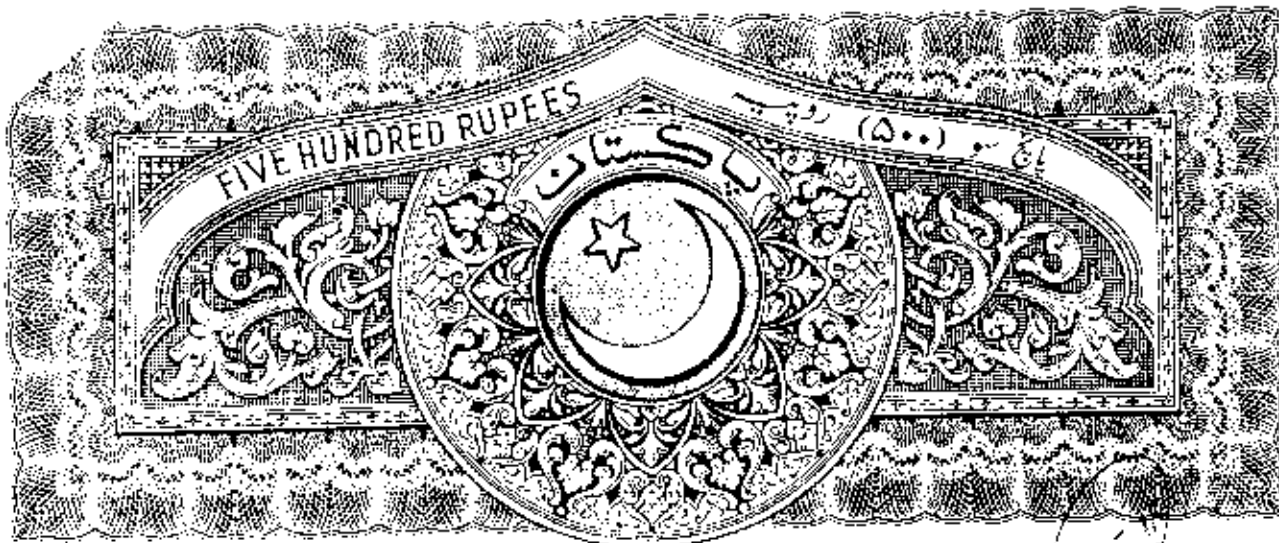

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for** ) Contractor and shall be reckoned from the date stated in the written order to commencement. The work  
**Delay** ) shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to  
 be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount (equal to three times as small or  
 amount for Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by  
 tender for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution  
 of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work  
 before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed. In the event of  
 contractor failing to comply with this condition he shall be liable to pay as compensation and amount equal to 1% of such smaller amount as the  
 Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that  
 the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor  
 shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 the whole of the work before 1/3rd of the whole  
 time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed; and three fourths of the work before three  
 fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
 to 1% or such smaller amount as the Transition Officer whose decision in writing shall be final) may decide on the said estimated cost of the whole work  
 for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of  
 this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall desire extension of the time for completion of the work on the grounds of  
**Extension of** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
**Time** ) to the Transition Officer within 10 days to the date of completion on account of which he desires such  
 extension as aforesaid, and the Transition Officer shall if in his opinion (which shall be final) reasonable grounds be shown therefore authorize such  
 extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the  
 contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt  
 from all wood work, doors, windows, walls, floors or other parts of any building, or open or about which the work is to be executed, or of which he may  
 have had possession for the purpose of the execution thereof, and until the works shall have been measured by the  
 Taluka Municipal Administration sub-ordinate with measurements after approval by the Transition Officer shall be binding; and notwithstanding the  
 contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and  
 cleaning off dirt before the date fixed for completion of the work the Transition Officer may at

of the contractor remove such scaffolding, surplus materials or rubbish and dispose Of the same as he thinks fit and  
 clean off such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred claim in  
 respect of any such scaffolding or surplus materials as sum actually relied by the said

Thereof.

Mr. Ilahi Bux Government Contractor resident of Taluka Tangwani Distt: Kashmir

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, in the materials with which the same was executed.

**Clause No. 14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable ) they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done ) to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection ) while in progress, from any cause what ever or any imperfections become apparent in it within three for three months ) months of a certificate final or others of his completion shall have been given by Transition Officer in after certificate ) charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in-charge may cause the same to be made good by the other workman and deduct the sum that may be due or any time thereafter, may become due to the contractor, or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof. (Transition Officer) shall those decisions shall be final) from any sums that may be then or at any kind these either may become due to the contractor, or from his security deposit.

**Clause No. 15** ) The contractor shall supply at his own cost all materials plant tools appliances, implements, ladders, vantage, Contractor to ) tackles, scaffolding and temporary works requisite or proper for the execution of the work weather material, supply plant, ) altered or substituted, and weather included in the specification or other documents part of the contractor or ladders, ) referred to in these conditions or not which may be necessary for the purpose of satisfy or complying with the Scaffoldings, etc ) requirements of the Transition Officer as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled to require together with carriage therefore, to and from the work. Mr. Arab Government Contractor resident of Taluka Tangwani Distt: Kashmir

**Name of Work:-** Const. of Mettalled road main bazaar of town Tangwani  
**Tender Cost:-** 500000/- inwards (Fifty lac only)

**CONDITIONS OF CONTRACT**

- Clause No. 01** ) **the Person**  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation or other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.
- Clause No. 2** ) **Compensation for Delay**  
 ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount equal to 1% of the estimated cost of the work for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/4 of the whole time allowed under the contract has elapsed, and in all cases in which the time allowed for any work exceeds one month, to complete 1/2 of the whole of the work before one half of such time has elapsed, in the event of the contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% of the estimated cost of the work for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/4 of the whole time allowed under this contract has elapsed, and in all cases in which the time allowed for any work exceeds one month, to complete 1/2 of the whole of the work before one half of such time has elapsed, and three fourths of the work before three fourths of such time has elapsed, in the event of the contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% of the estimated cost of the work for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/4 of the whole time allowed under this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.
- Clause No. 3** ) **Extension of Time**  
 ) If the contractor shall decide extension of the time for completion of the work on the grounds of extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore authorize such extension of time if any, as may, in his opinion, be necessary or proper.
- Clause No. 4** ) **Final Certificate**  
 ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, or upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the works shall have been measured by the Taluka Municipal Administration with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off dirt before the date fixed for completion of the work the Transition Officer may at the discretion of the contractor remove such scaffolding, surplus materials or dirt and shall forthwith pay the amount of the expenses so incurred and claim in respect of any such Scaffolding or surplus materials as disposed of the same as he thinks fit and the sum actually relised by the sale thereof.

Mr. Arab Government Contractor resident of Taluka Tangwani Distt: Kashmir

change of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed

**Clause No.14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & the imperfection) while in progress, from any cause what ever or any imperfections become apparent in it within three for three months months of a certificate final or others of his compulsion shall have been given by Transition Officer in- after certificate charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer or change may cause the same to be made good by the other workmen and deduct the value that may be then or any time these after, may become due to the contractor,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall these decisions shall be final) from any source that may be then or at any time there either may become due to the contractor, or from his security deposit.

Tangwani

Mr. Teja Ram Government Contractor resident of Ghouspur Taluka Kandhrot

*[Handwritten signature]*

**Name of Work:** - Const: Of RCC Nala main bazar of Town Tangwani  
**Tender Cost:** - 500000/- inwards (Fifty lac only)

**CONDITIONS OF CONTRACT**

- Clause No.01** ) The Person  
The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensations of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.
- Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3rd of the whole of the work before 1/3rd of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as a compensation and amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender, every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4th of the whole of the work before 1/4th of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed, and three fourths of the work before three fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the poor quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.
- Clause No. 3** ) Extension of Time  
If the contractor shall decide extension of the time for completion of the work on the grounds of his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days in the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonably grounds be shown therefore authorize such extension of time if any, as may, in his opinion, be necessary or proper.
- Clause No. 4** ) Final Certificate  
On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, on or about which the work is to be executed, in of which he may have had possession for the purpose of the execution thereof, and until the works shall have been measured by the Town Municipal Administration sub-ordinate with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and clearing off dirt before the date fixed for completion of the work the Transition Officer may at the contractor remove such scaffolding, surplus materials or rubbish and dispose of the same as he thinks fit and shall forthwith pay the amount of the expenses so incurred and claims in respect of any such scaffolding or surplus materials as may be actually raised by the sale thereof.

Clause No. 19

Change of consultation of firm) In the case of a tender by partners any change in the constitution of the firm shall be forthwith notified by the contractor to Transition Officer for information.

Clause No. 20

Decisions of Transition Officer) Except where otherwise specified in the contract the decision of Transition Officer shall be final, conclusive and binding on all parties to the contract upon all questions relating to the meaning of specifications, designs, drawings and instructions therein before mentioned and as to the quality of workmanship, or materials used on the work, or as to any other questions, claim, right matter, or thing whatsoever in any way arising out of or relating to the contractor's design, drawings, specifications, estimates, instructions orders, or otherwise concerning the work, or the execution of the contract shall be final, conclusive and binding on the contractor.

Clause No. 21

Store of Indian Manufacture to be used) The contractor shall obtain and use all goods of the best Indian manufacture, which may be required therefore in execution thereof, unless he has obtained permission in writing from the Transition Officer.

Clause No. 22

Lump sums in estimate) When the estimate on which the tender made includes lump sums in respect of items of work involved in part of the work in questions at the same time as are payable under this contract or such items, if the work in questions is not, in the opinion of Transition Officer shall be final and conclusive with regard to any sum or sums payable to him under the provisions of this clause.

Clause No. 23

In the case of any class of work for which there is no such specification as is mentioned in the title of such work shall be deemed to be no specification.) In all respects in accordance with the instructions and requirements of the Transition Officer.

Clause No. 24

Claims will be considered if not made within month from the date of measurement of classification or order as to change in design.

Clause No. 25

The Transition Officer shall at any time and for any purpose whenever from the contractor he may be required in writing to direct require the contractor not to execute any portion of the work specified in clause or may work done from the contractor shall not be entitled to any compensation by reason of such portion of work not have been executed by or withdrawn from him and the value of such work shall not be taken into account in the estimate of the work so ordered or withdrawn shall be deducted from any sums then due or there after to become the tender the contractor otherwise against or from the contractor.

Clause No. 26

All quarry taxes, royalties, octroi and other similar charges shall be paid by the contractor.

Mr. Ilaf Hussain Government Contractor resident of Taluka Tangwani Distt: Kashmir

**Name of Work:-** Const: of CC block & Envirante block town Tangwani  
**Tender Cost:-** 500000/- inwards (Fifty lac only)

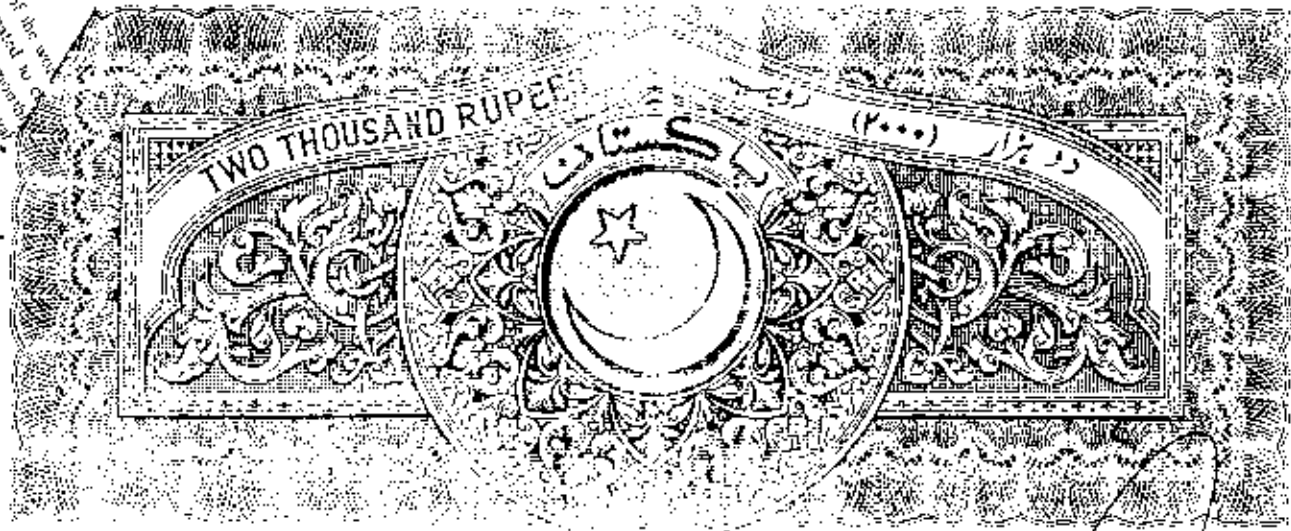

**CONDITIONS OF CONTRACT**

**Clause No.01** ) **the Person**  
 ) The person whose tender may by accepted (herein after called the contractor) shall (within three days of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited or men with his tender to make up the full security deposit specified in the tender. All compensation of other sorts of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount (equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncommenced or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all case in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/4 of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the work remains uncommenced or unfinished, after the proper date. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/4 of the whole of the work before 1/4 of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed; and three fourths of the work before three fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the poor quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provisions of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of Extension of Time ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing in the Transition Officer within 30 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer if it is in his opinion (which shall be final) reasonable grounds be shown therefore authorize such extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of Final Certificate ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the dirt from all wood work, doors, windows, wells, fountains or other parts of any building, on upon or other which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the works that have been measured by the Taluka Municipal Administration sub ordinance with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and clearing off the dirt before the date fixed for completion of the work the Transition Officer may at ) of the contractor remove such scaffolding, surplus materials or rubbish and clean of such dirt as aforesaid ) shall forthwith Pay the amount of the expenses so incurred ) disburse Of the same as he thinks fit and ) claim in respect of any such Scaffolding or surplus materials as ) sum actually retted by the sale ) Thereof.

**Name of Work:-** Const: of Mettalled road link road Mneral Khan Bijarani to village Muheem Khan Bajkani (Remaining work)  
**Tender Cost:-** 1000000/- inwards (Ten lac only)

**CONDITIONS OF CONTRACT**

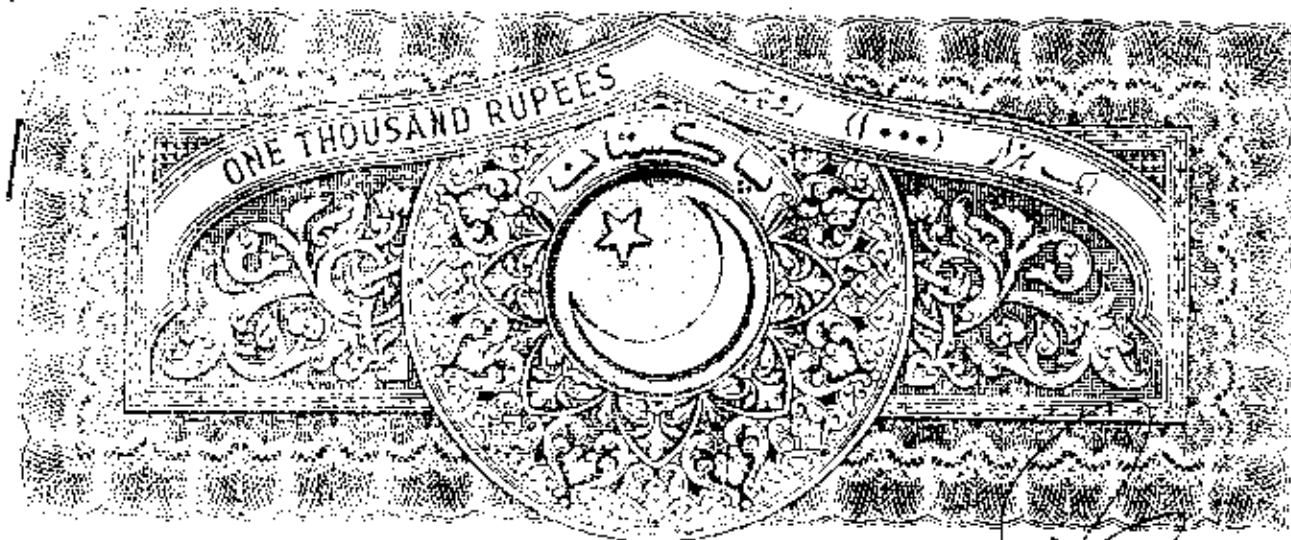

**Clause No.01** ) the Person  
) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount (equal to 1% or such smaller amount) the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown in tender for every day that the work remains uncommenced or unfinished, after the proper start. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3 of the whole of the work before 1/3 of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed; in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that the work remains uncommenced unfinished, after the proper start. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3 of the whole of the work before 1/3 of the whole time allowed under the contract has elapsed one half of the work before one half of such time has elapsed; and three fourths of the work before three fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the work remains uncommenced unfinished, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall desire extension of the time for completion of the work on the grounds of Extension of Time ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore whether such extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of Final Certificate ) such completion, but on such certificate he given, shall the work be considered to be complete until the contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, or upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and the work shall have been measured by the Taluka Municipal Administration sub ordinance with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off dirt before the date fixed for completion of the work the Transition Officer may at

of the contractor remove such scaffolding, surplus materials or to dispose Of the same as he thinks fit and clean of such dirt as aforesaid shall forthwith Pay the amount of the expenses so incurred claim to respect of any such Scaffolding or surplus materials as sum actually raised by the sale thereof

M/S Nisar and Shurat Government Contractor resident of Taluka Tangwani

change of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No.14** ) If the contractor or his work people, or servants shall break, defect injury or destroy any part of building in which contractor liable ) they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done ) to the premises on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection ) while in progress, from any cause what ever or any imperfections become apparent in it within three for three months ) months of a certificate final or others of his completion shall have been given by Transition Officer or after certificate ) change as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in-charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time there after, may become due to the contractor,

or from his security deposit, or the proceeds of sale thereof, or of a sufficient portion thereof, (Transition Officer shall those decisions shall be final) from any sums that may be then or at any kind there either may become due to the contractor, or from his security deposit.

**Clause No.15** ) (The contractor shall supply at his own cost all materials plant tools appliances, implements, ladders, cordage, Contractor to ) tackles, scaffolding and temporary works requisite or proper for the execution of the work weather original, supply plant, ) altered or substituted, and weather included in the specification or other documents part of the contract or ladders, ) referred in in these conditions or not when may be necessary for the purpose of satisfy if complying with the Scaffolding, etc ) requirements of the Transition Officer as to any matter as to which under these conditions he is entitled to be satisfied, or which he is entitled to require together with carriage thereto, to and from the work. The contractor shall also supply without charge the requisite Transition Officer of persons with the means and Materials necessary for the purpose of setting out works, and counting, weighing and securing in the measurement or examination at any time from time to time of work or materials. Pulling has to doing the same may be provided by Transition Officer at the expense of contractor, or from his security deposit. *Mejnoo Dahari*  
 Government Contractor

**Name of Work:-** Repair of CC drain town Karanpur  
**Tender Cost:-** 1000000/- inwards (Ten lac only)

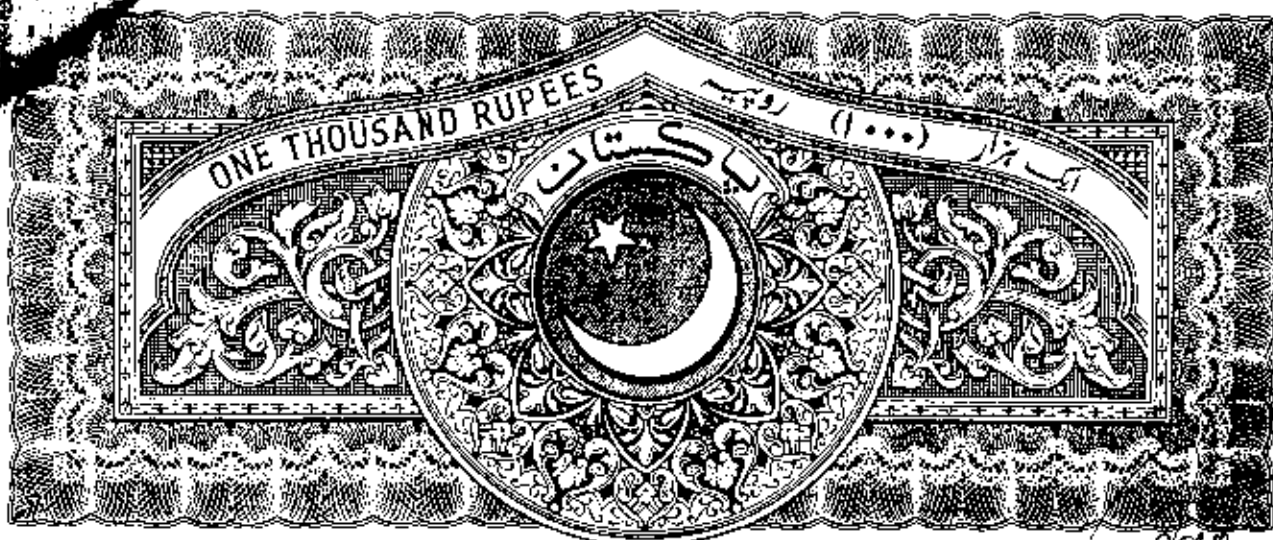

**CONDITIONS OF CONTRACT**

**Clause No.01** ) **the Person**  
 ) The person whose tender may be accepted (herein after called the contractor) shall (within three days of the receipt by him of the notifications of the acceptance of his tender) deposit with the Transition Officer in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the Contractor and shall be reckoned from the date noted in the written order to commence. The work shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by tender for every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3 of the whole of the work before 1/3 of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed, in the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole as shown by tender every day that the work remains uncompleted or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete 1/3 of the whole of the work before 1/3 of the whole time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed, and three fourths of the work before three fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work for every day that the work remains uncompleted, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of Extension of Time ) his having been unavoidably hindered in its execution on any other ground, he shall apply in writing to the Transition Officer within 10 days to the date of hindrance on account of which he desires such extension as aforesaid, and the Transition Officer shall state in his opinion (which shall be final) reasonable grounds be shown therefore authorizing such extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of Final Certificate ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleaned off the dirt from all wood work, doors, windows, walls, doors or other parts of any building, on upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, and until the works shall have been measured by the Tanka Municipal Administration sub ordinate with measurements after approval by the Transition Officer shall be binding and conclusive against the contractor if the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning off dirt before the date fixed for completion of the work the Transition Officer may at ) dispose Of the same as he thinks fit and clean of such dirt as aforesaid ) shall forthwith Pay the amount of the expenses so incurred ) claim in respect of any such Scaffolding or surplus materials as ) sum actually recd by the sale ) Thereof.

Mr. Mejnoo Dahani Government Contractor resident of Taluka Tangwani

**Name of Work:** - Rehabilitation of (flood 2010) effected road vill: Ghulam Akbar Khan Bijarani  
UC Karampur  
**Tender Cost:** 2000000/- inwards (Twenty lac only)

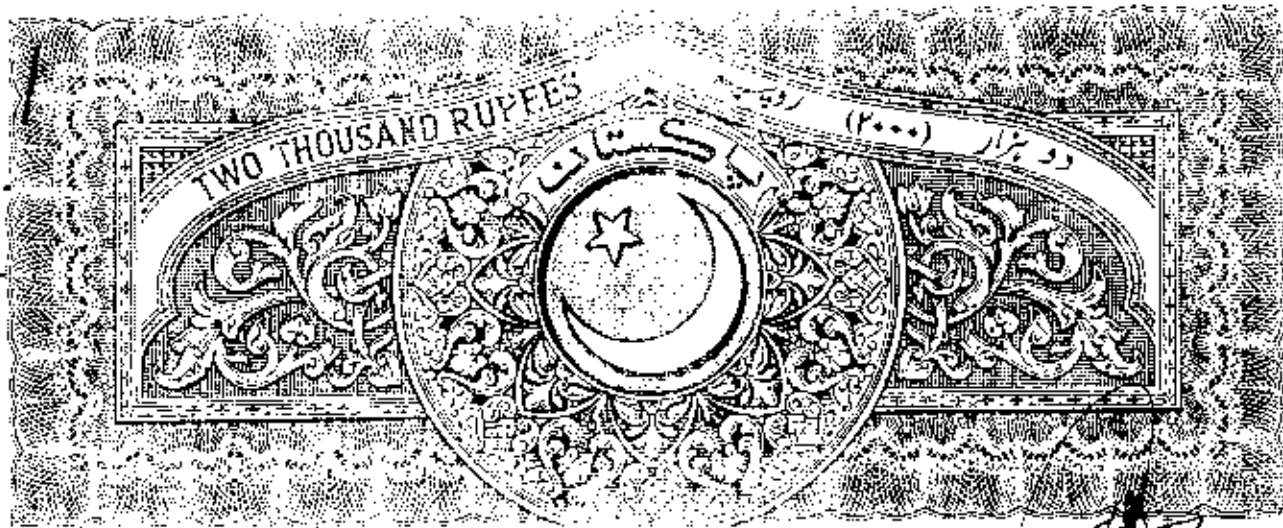

### CONDITIONS OF CONTRACT

**Clause No.01** ) **the Person**  
) The person whose tender may be accepted (herein after called the contractor) shall (within three days  
**Security Deposit** ) of the receipt by him of the notification of the acceptance of his tender) deposit with the Transition Officer  
in cash a sum sufficient with the amount of the earnest money deposited by him with his tender to make up the full security deposit specified in the  
tender. All compensation of other sums of money payable by the contractor to Government under the terms of his contract may be deducted from the  
security deposit.

**Clause No. 2** ) The time allowed for carrying out the work as entered in the Tender shall be strictly observed by the  
**Compensation for** ) Contractor and shall be reckoned from the date noted in the written order to commence. The work  
**Delay** ) shall throughout the stipulated period of the contract be proceeded with all the diligence (time being deemed to  
be the essence of the contract or the part of the contract) and the contractor shall pay as compensation an amount (equal to 1% or such smaller  
amount the Transition Officer (whose decision in writing shall be final) may decide in the amount of the estimated cost of the whole work as shown by  
tender for every day that the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution  
of the work the Contractor shall be bound in all cases in which the time allowed for any work exceeds one month, to complete  $\frac{1}{4}$  of the whole of the work  
before 1/3<sup>rd</sup> of the whole time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed. In the event of  
contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal to 1% or such smaller amount as the  
Transition Officer (whose decision in writing shall be final) may decide on the amount of the estimated cost of the whole work as shown by tender every day that  
the work remains uncommenced or unfinished, after the proper dates. And further, to ensure good progress during the execution of the work the Contractor  
shall be bound in all cases in which the time allowed for any work exceeds one month, to complete  $\frac{1}{4}$  of the whole of the work before 1/3<sup>rd</sup> of the whole  
time allowed under the contract has elapsed; one half of the work before one half of such time has elapsed; and three fourths of the work before three  
fourths of such time has elapsed. In the event of contractor failing to comply with this condition he shall be liable to pay as compensation an amount equal  
to 1% or such smaller amount as the Transition Officer (whose decision in writing shall be final) may decide on the said estimated cost of the whole work  
for every day that the pure quality of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of  
this clause shall not exceed 10% on the estimated cost of the work as shown in the tender.

**Clause No. 3** ) If the contractor shall decide extension of the time for completion of the work on the grounds of  
**Extension of** ) his having been unavoidably hindered in its execution or on any other ground, he shall apply in writing  
**Time** ) to the Transition Officer within 10 days to the date of hindrance on account of which he desires such  
extension as aforesaid, and the Transition Officer shall in his opinion (which shall be final) reasonable grounds be shown therefore authorize such  
extension of time if any, as may, in his opinion, be necessary or proper.

**Clause No. 4** ) On completion of the work the contractor shall be furnished with a certificate by the Transition Officer of  
**Final Certificate** ) such completion, but no such certificate be given, nor shall the work be considered to be complete until the  
contractor shall have remove from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish, and cleared off the site  
from all wood work, doors, windows, walls, fixtures or other parts of any building, on upon or about which the work is to be executed, or of which he may  
have had possession for the purpose of the execution thereof, and until the works shall have been measured by the  
Taluka Municipal Administration sub ordinance with measurements after approval by the Transition Officer shall be binding and conclusive against the  
contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and  
clearing off the site before the date fixed for completion of the work the Transition Officer may as  
of the contractor remove such scaffolding, surplus materials or to dispense Of the same as he thinks fit and  
clean of such dirt as aforesaid shall forthwith pay the amount of the expenses so incurred claim to  
respect of any such scaffolding or surplus materials as sum actually relied by the said  
Contractor.

Mr. Arab Government Contractor resident of Taluka Taagwani Distt: Kashmir

charge of the work, and if any work shall be covered up or covered beyond the reach of measurement without such notice have been given or consent beyond, the same shall be uncovered at the contractor's expense, or in default thereof payment of allowance shall be made for such work, or the materials with which the same was executed.

**Clause No. 14** ) If the contractor or his work people, or servants shall break, deface, injure or destroy any part of building or which contractor liable they may be working, or any building, road, fence, enclosure, or grass land or any cultivated ground contiguous for damage done to the promise on which the work or the part of work it has been executed, or if any damage shall happen to & for imperfection while in progress, from any cause what ever or any imperfections become apparent in it within three for three months months of a certificate final or orders of his compellations shall have been given by Transition Officer in- after certificate charge as aforesaid, the contractor shall make the same on his own expense, or in default, the Transition Officer in- charge may cause the same to be made good by the other workman and deduct the sum that may be then or any time thereafter, may become due to the contractor.
