MINUTES OF THE MEETINGS OF TECHNICAL
COMMITTEE OF MEDICINES FOR THE YEAR 2012-13

A meeting of Technical Committee regarding the bid evaluation was held on 19th may 2012, in which documents of 22 companies were scrutinized. Only 12 companies were qualified for financial opening. (Attached as annexure "A").

A provisional comparative statement was displayed on 20th may in which products of 12 bidders were shown.

A second meeting of technical committee was held on 25 & 26 May 2012/23 in which all the drugs were discussed thoroughly.

Some Technical Committee Members pointed out that this institution is dealing with secured workers/ labour class who are registered under Social Security Act and all the medicines required for secured workers and their dependents should be provided by the institution and no drug should be purchased from outside by secured workers/ patients. In this connection this institute is bound to provide quality medicines to all patients who are registered by this institution.

It was also decided with consensus of all the Technical Committee Members that some of the life saving drugs may be considered from reputable National/ Multinational companies according to "OPRA Two Envelope Procedure" in which before the opening of financial bid, items are evaluated by the Technical Committee and only technically qualified items would be approved.

The Members of Technical Committee also decided that the medicines of those companies which were experienced previous year and results were not satisfactory, should not be considered for this year (Remarks of SESSI Consultants, end users and Members of Technical Committee are attached at annexure "B").

- The meeting started with recitation from Holy Qur'aan by Dr. Muhammad Khan with the permission of Chair.
- Medical Advisor briefed the Technical Committee/ Consultants that on the basis of your recommendation matter was brought in C.P.C. on dated 31st May 2012.
- All the members agreed that procurement may be done on the recommendation of Consultants in larger interest of patients and Institution.
- On dated 29th June 2012, few members of G.B. put up a paper, with permission to chair, that they are not clear about the procurement procedure.
- Honorable Minister Labour Sindh briefed that when he joined office, medicines were being purchased on lowest basis and when he visited hospitals/ circles there were hue and cry by patients and consultants about the bad quality medicines. He

[Handwritten signatures and initials on the left margin]

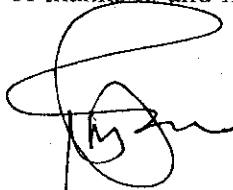

[Handwritten signatures and initials at the bottom of the page]

called the meeting of consultants and told them that they may recommend better quality medicines and same is being practiced in SESSI since last years medicines are being purchased not on lowest basis but on the recommendation of end users.

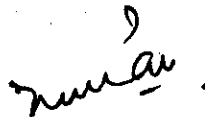

- This whole matter was briefed by Medical Advisor to Technical Committee members and asked their opinion. All Committee Members unanimously proposed that their recommendation are based on following:-

1. They have recommended few multinational products like Flagyle, Solucartif etc.
2. They have bifurcated pharmaceuticals into two categories. One with better market reputation and the other unknown pharmaceuticals with no better credibility in market and medicines may be purchased from reputable recommended pharmaceuticals on lowest among them.
3. 120 products are recommended to be purchased on lowest basis.

- The meeting ended with vote of thanks to and from the chair.
