Expression of Interest - Consultancy for developing and implementing INSPYRE 'Classroom to Career' (Professional Development Skills) Program

Sports & Youth Affairs Department, Government of Sindh in collaboration and partnership with the Habib University Foundation (H.U.F.), is implementing a project named 'INSPIRE -Inspiring Pakistani Youth to Reach Excellence', which is an innovative youth development initiative that aims at providing the youth with a platform for their personal growth, economic and social development. INSPYRE is being implemented in the major districts of Sindh which are Karachi, Larkana, Sukkur, Hyderabad and Mirpurkhas.

The program is designed to provide free training opportunities to youth of Sindh for their personal growth and career development. INSPYRE is being implemented since May 2009 by offering opportunities for skill development, personal development and economic development and ensures a smooth transition from education to a successful work life and career.

Scope of the Services Required

One of the key components of INSPYRE is facilitating youth on understanding requirements of professional and workplace practices. The program seeks to facilitate the youth studying in the institutes (Universities & Colleges) students of universities for sharpening their professional skills, realize the ways of self branding, understanding the real scenarios of Current Job market and successful transition from academic to initiating professional life.

INSPIRE is looking for organizations/individuals who could work with INSPYRE for developing a detailed and customized Classroom to Career Program.

- Designing a programmatic layout with detailed steps and sessions of classroom to career.
- Developing session plans and learning materials for the program to ensure the maximum engagement of youth and ensure the proper participation. Learning materials may include:
 - Program Layout and lesson plans
 - Self-assessment vis-à-vis Career skills
 - Local Case studies
 - Activities

Program Introduction and Concept:

Purpose:

This program is specifically designed for the final year students of educational institutes to help them for ensuring a smooth transition from the college/university to start the career life. The program seeks to facilitate the participants for sharpening their professional skills, realize the ways of self-branding, understand the real scenarios of Current Job market, and enjoy the fun-filled corporate activities by gaining practical knowledge & self-confidence.

The program will be facilitating participants to enhance the professional skills for job, focus on developing mindset for managing successful career and working productively in the work environment.

Objectives of the Program:

Through this program, INSPYRE encourages breadth of vision and promotes the maximum development of participant intellectually, emotionally and professionally. The Classroom to Career program will facilitate participants on:

- Developing potential to face the future with confidence and determination.
- Preparing for leadership and service in their chosen vocation with critical thinking skills to identify problems and to develop problem-solving abilities.
- Facilitating interpersonal relationships through developing personal values and constructive attitudes toward work, other people, and the quality of life.
- Promoting a sense of ethics and values to be applied in the personal and professional lives.
- Ensuring the successful transitions in career management at workplace.

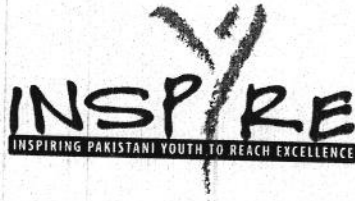

What needs to be submitted?

Interested organizations or individuals may submit Expression of Interest (EOI) with the following details and portfolio.

- A letter expressing the interest for working with INSPYRE for Classroom to Career Program
- A brief and comprehensive proposal describing to undertake the work, what will be the timelines and what will be the cost of services (approximate)
- Individual/Company profile highlighting the strengths for undertaking the assignment and examples of relevant work done.
