The Secretary,
to Government of Sindh,
Irrigation Department,
Karachi.

SUBJECT: ACCORD NECESSARY PERMISSION TO CARRYOUT EMERGENT WORK FOR
"CONSTRUCTION OF TWO NOS. STONE SPURS ALONG OLD TORI BUND
FROM MILE 0/6 TO MILE 1/4" UNDER RULE 19 (1) OF SPP RULES
2010.

It is apprised that the Superintending Engineer Begari Sindh Feeder Circle Sukkur under letter No. SAC/G-2(b)/2374 dated: 14-7-2016 (Photo Copy attached) has narrated the critical site situation along Old Tori Bund mile 0/6 to 1/4 in connection with severe erosion action. The Superintending Engineer concerned has briefly pointed out the history of Old Tori Bund on account of emergency created during previous floods and efforts taken by the Department to combat the flood emergency. A part from this, your kind honor has also inspected the site, during your recent visit of Bunds of Gudu Barrage Region Sukkur on 13-7-2016 and observed the abnormal situation of Old Tori Bund personally. The under signed has also keep strict watch over the current site situation and issued necessary instructions to the Executive Engineer concerned from time to time for combating the erosion action along Old Tori Bund at vulnerable points. The Superintending Engineer Begari Sindh Feeder Circle Sukkur in his letter quoted above has also requested for withdrawn the permission accorded previously for execution of work supplying stone boulders for dumping as proposed by the Executive Engineer concerned under letter No. SAC/G-2(b)/630 dated: 27-6-2016.

It is further mentioning here that there is very difficult for the Executive Engineer concerned to face the emergency situation within meager normal allocated funds and to execute the work after fulfillment of routine procedure in accordance with SPP Rule 2010 without funds.

Looking to the above facts, the request of the Superintending Engineer / Executive Engineer concerned for execution of emergent work for "CONSTRUCTION OF TWO NOS. STONE SPURS ALONG OLD TORI BUND FROM MILE 0/6 TO MILE 1/4" under the provision of Rule 19(1) of SPP Rule 2010 appears reasonable / justified for which permission of your kind honor is required.

In view of position narrated above, it is requested to kindly make it convenient to accord necessary permission for carrying out above subjected emergent work under the provision of Rule 19(1) of SPP Rule 2010 so as to avoid any inconvenient situation during flood season 2016 as well as permission already accorded by your kind honor under letter No. SO(DEV)/2-325/2012 Karachi Dated: 30th June, 2016 may kindly be withdrawn as requested by the Superintending Engineer / Executive Engineer concerned. Also kindly approach Finance Department Government of Sindh Karachi for arranging required funds to the tune of Rs. 150.00 Million as early as possible so that emergent work can be completed well in time.

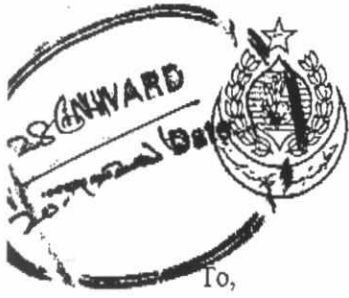

DA/As above.
