Section 6. Forms of Contract	61

Introduction

The Government of Sindh has established Directorate of Urban Policy & Strategic Planning to provide technical support to the Planning & Development Department, Government of Sindh on policies, plans, issues, programmes, projects and schemes related to urban sector revitalization and development.

As per the approved PC-II, one of the major tasks of the Directorate is preparation of development master plans of all major urban centres of Sindh. It may be noted that development master plans for Karachi and Hyderabad were prepared in the years 2007 & 2008 respectively by the respective local governments. Urban Development Strategies for district headquarter towns of Sukkur and Larkana have also been prepared by this Directorate through Consultants with the financial assistance of Asian Development Bank (ADB) from tranche 1 of Sindh Cities Improvement program.

The Directorate of Urban Policy & Strategic Planning, P&DD, Government of Sindh is publishing this Request for Proposal (RFP) document to invite Technical and Financial Proposals from the interested consultants for "Preparation of Development Master Plans of Fourteen (14) District Headquarter Towns of Hyderabad, Mirpurkhas & Shaheed Benazirabad Divisions". The list of district headquarter towns is given as under:

S.No	Divisions	District Headquarter Towns
1	Hyderabad	Matiari
2		Dadu
3		Jamshoro
4		Tando Muhammad Khan
5		TandoAllahyar
6		Badin
7		Thatta
8		Sujawal
9	Mirpurkhas	MirpurKhas
10		Mithi
11		UmerKot
12	Shaheed Benazirabad	Nawabshah
13		Sanghar
14		NausheroFeroze

The main objective of the assignment is to guide development of all major cities of Sindh in a systemic and orderly manner. The Development Master Plans would focus on the following:

- Review of Past Trends, Development Strategies and Prevalent Conditions
- Preparation of Digital Base Maps
- SWOT Analysis
- Carving out a Vision for Future
- Preparation of the Development Plan focusing on:
 - *Long Term Development Plan*
 - *Growth Scenarios*
 - *Short Term Action Plan for Priority Infrastructure*
 - *Immediate Action Plan for the Core Urban Area*
 - *Economic Development Plan*
 - *Disaster Management Plan*
 - *Climate Change, Resilience & Adaptability Plan*
- Implementation Strategy

The detailed Terms of Reference of the assignment are given in section-5 of this RFP document.

Local consultancy services would be hired to perform the above mentioned tasks. It is estimated that the assignment study will be completed in about 6.0 months' time from the date of consultants' mobilization.

Section 1. Letter of Invitation

Letter of Invitation

Invitation/File No.....;
Karachi and Date]

Dear Mr./Ms.:

1. The Directorate of Urban Policy and Strategic Planning (DUPSP) (hereinafter called "Procuring Agency") now invite proposals to provide the following consulting services:

"Preparation of Development Master Plans of Fourteen (14) District Headquarter Towns of Hyderabad, Mirpurkhas & Shaheed Benazirabad Divisions"

The details on the services are provided in the Terms of Reference.

2. This Request for Proposal (RFP) has been addressed to the interested consultants.

3. The consultants will be selected under Quality and Cost Based Selection (QCBS) Method and procedures described in this RFP, in accordance with the SPP Rules.

4. The RFP includes the following documents:

Introduction

Section 1 - Letter of Invitation

Section 2 - Instructions to Consultants (including Data Sheet)

Section 3 - Technical Proposal - Standard Forms

Section 4 - Financial Proposal - Standard Forms

Section 5 - Terms of Reference

Section 6 - Standard Forms of Contract

Yours sincerely,

Khair Muhammad Kalwar,

Director General,

Directorate of Urban Policy & Strategic Planning,

Planning and Development Department, Govt. of Sindh.

Section 2. Instructions to Consultants

Instructions to Consultants

Definitions

- (a) “Procuring Agency (PA)” means the department with which the selected Consultant signs the Contract for the Services.
- (b) “Consultant” means a professional who can study, design, organize, evaluate and manage projects or assess, evaluate and provide specialist advice or give technical assistance for making or drafting policies, institutional reforms and includes private entities, consulting firms, legal advisors, engineering firms, construction managers, management firms, procurement agents, inspection agents, auditors, international and multinational organizations, investment and merchant banks, universities, research institutions, government agencies, nongovernmental organizations, and individuals
- (c) “Contract” means an agreement enforceable by law and includes General and Special Conditions of the contract.
- (d) “Data Sheet” means such part of the Instructions to Consultants that is used to reflect specific assignment conditions.
- (e) “Day” means calendar day including holiday.
- (f) “Government” means the Government of Sindh.
- (g) “Instructions to Consultants” (Section 2 of the RFP) means the document which provides shortlisted/Pre-qualified (as the case may be) Consultants with all information needed to prepare their Proposals.
- (h) “LOI” (Section 1 of the RFP) means the Letter of Invitation sent by the procuring agency to the Consultant.
- (i) “Proposal” means the Technical Proposal and the Financial Proposal.
- (j) “RFP” means the Request For Proposal prepared by the procuring Agency for the selection of Consultants.
- (k) “Sub-Consultant” means any person or entity to whom the Consultant subcontracts any part of the Services.
- (l) “Terms of Reference” (TOR) means the document included in the RFP as Section 5 which explains the objectives, scope of work, activities, tasks to be performed, respective responsibilities of the procuring agency and the Consultant, and expected results and deliverables of the assignment.

2. Introduction

- 2.1 The Procuring Agency named in the Data Sheet will select a Consultant (from the short list prepared through Request for Expression of Interest or from list of qualified consultant prepared through prequalification process), in accordance with the method of selection specified in the Data Sheet.
- 2.2 The eligible Consultants (prequalified/shortlisted) are invited to submit a Technical Proposal and a Financial Proposal, or a Technical Proposal only, as specified in the Data Sheet. The Proposal will be the basis for contract negotiations and ultimately for a signed Contract with the selected Consultant.
- 2.3 Consultants should familiarize themselves with rules / conditions and take them into account while preparing their Proposals. Consultants are encouraged to attend a pre-proposal conference if one is specified in the Data Sheet. Attending the pre-proposal conference is, however optional. Consultants may liaise with procuring agency's representative named in the Data Sheet for gaining better insight into the assignment.
- 2.4 Consultants shall bear all costs associated with the preparation and submission of their proposals and contract negotiation. The Procuring Agency reserves the right to annul the selection process at any time prior to Contract award, without thereby incurring any liability to the Consultants.
- 2.5 Procuring Agency may provide facilities and inputs as specified in Data Sheet.

3. Conflict of Interest

- 3.1.1 Consultants are required to provide professional, objective, and impartial advice and holding the Procuring Agency interest paramount. They shall strictly avoid conflict with other assignments or their own corporate interest. Consultants have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of the Procuring Agency, or that may reasonably be perceived as having such effect. Failure to disclose said situations may lead to the disqualification of the Consultant or the termination of its Contract.
- 3.1.2 Without limitation on the generality of the foregoing, Consultants, and any of their affiliates, shall be considered to have a conflict of interest and shall not be recruited, under any of the circumstances set forth below:
 - (i) A consultant that has been engaged by the procuring

agency to provide goods, works or services other than consulting services for a project, any of its affiliates, shall be disqualified from providing consulting services related to those goods, works or services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, any of its affiliates, shall be disqualified from subsequently providing goods or works or services other than consulting services resulting from or directly related to the firm's consulting services for such preparation or implementation.

- (ii) A Consultant (including its Personnel and Sub-Consultants) or any of its affiliates shall not be hired for any assignment that, by its nature, may be in conflict with another assignment of the Consultant to be executed for the same or for another Procuring Agency.
- (iii) A Consultant (including its Personnel and Sub-Consultants) that has a business or family relationship with a member of the Procuring Agency's staff who is directly or indirectly involved in any part of (i) the preparation of the Terms of Reference of the assignment, (ii) the selection process for such assignment, or (iii) supervision of the Contract, may not be awarded a Contract, unless the conflict stemming from this relationship has been resolved.

Conflicting Relationships

- 3.2 Government officials and civil servants may be hired as consultants only if:
- (i) They are on leave of absence without pay;
 - (ii) They are not being hired by the agency they were working for, six months prior to going on leave; and
 - (iv) Their employment would not give rise to any conflict of interest.

4. Fraud and Corruption

It is Government's policy that Consultants under the contract(s), observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy, the Procuring Agency follows the instructions contained in Sindh Public procurement Rules 2010 which defines:

“ corrupt and fraudulent practices” includes the offering, giving, receiving, or soliciting, directly or indirectly of anything of value to influence the act of another party for wrongful gain or any act or omission ,including misrepresentation, that knowingly or recklessly misleads or attempt mislead a party to obtain a financial or other benefit or to avoid an obligation;

Under Rule 35 of SPPR2010, “The PA can interalia blacklist Bidders found to be indulging in corrupt or fraudulent practices. Such barring action shall be duly publicized and communicated to the SPPRA. Provided that any supplier or contractor who is to be blacklisted shall be accorded adequate opportunity of being heard”.

5. Integrity Pact Pursuant to Rule 89 of SPPR 2010 Consultant undertakes to sign an Integrity pact in accordance with prescribed format attached hereto for all the procurements estimated to exceed Rs. 2.5 million.

6. Eligible Consultants 6.1 If a pre-qualification process has been undertaken, as outlined under Rule 27 and 28 of SPPR2010 for the Contract(s) for which these RFP documents are being issued, those firms - in case of Joint Ventures with the same partner(s) and Joint Venture structure - that had been pre-qualified are eligible.

6.2 Short listed consultants emerging from request of expression of interest are eligible.

6.3 National consultant in case of NCB (National Competitive bidding) and international consultant in case of ICB (International competitive Bidding) shall comply with applicable laws concerning Federal, Provincial & Local taxes and specific eligible parameters defined in the Data sheet, terms of reference ToRs; and consultant from eligible source countries (for ICB) as defined under the rules, laws statutes or relevant instructions of Federal/Provincial Government are eligible.

7. Eligibility of Sub-Consultants A prequalified/shortlisted Consultant would not be allowed to associate with Consultants who have failed to qualify the pre-qualification/short listing process.

8. Only one Proposal Prequalified/Shortlisted Consultants may only submit one proposal. If a Consultant submits or participates in more than one proposal, such proposals shall be disqualified. Participation of the same Sub-Consultant, including individual experts, to more than one proposal is not allowed.

9 Proposal Validity 9.1 The Data Sheet indicates Proposals validity that shall not be more than 90 days in case of National Competitive Bidding (NCB) and 120 days in case of International competitive Bidding (ICB). During this period, Consultants shall maintain the availability of Professional staff nominated in the Proposal. The Procuring Agency will make its best effort to complete negotiations within this period. Should the need arise; however, the Procuring Agency may request Consultants to extend the validity period of their proposals. Consultants who agree to

such extension shall confirm that they maintain the availability of the Professional staff nominated in the Proposal, or in their confirmation of extension of validity of the Proposal, Consultants may submit new staff in replacement, who would be considered in the final evaluation for contract award. Consultants who do not agree have the right to refuse to extend the validity of their Proposals.

9.2 Consultants shall submit required bid security along with financial proposal defined in the data sheet (which shall not be less than one percent and shall not exceed five percent of proposed amount).

10. Clarification and Amendment in RFP Documents

10.1 Consultants may request for a clarification of contents of the bidding document in writing, and procuring agency shall respond to such queries in writing within three calendar days, provided they are received at least five calendar days prior to the date of opening of proposal. The procuring agency shall communicate such response to all parties who have obtained RFP document without identifying the source of inquiry. Should the PA deem it necessary to amend the RFP as a result of a clarification, it shall do so.

10.2 At any time before the submission of Proposals, the Procuring Agency may amend the RFP by issuing an addendum/corrigendum in writing. The addendum shall be sent to all Consultants and will be binding on them. Consultants shall acknowledge receipt of all amendments. To give Consultants reasonable time in which to take an amendment into account in their Proposals the Procuring Agency may, if the amendment is substantial, extend the deadline for the submission of Proposals.

11. Preparation of Proposals

11.1 In preparing their Proposal, Consultants are expected to examine in detail the documents comprising the RFP. Material deficiencies (deviation from scope, experience and qualification of personnel) in providing the information requested may result in rejection of a Proposal.

11.2 The estimate number of professional staff months or the budget required for executing the assignment should be shown in the data sheet, but not both. However, proposal shall be based on the professional staff month or budget estimated by the consultant.

12. Language

The Proposal as well as all related correspondence exchanged by the Consultants and the Procuring Agency shall be written in English. However, it is desirable that the firm's Personnel have a working knowledge of the national and regional languages of Islamic Republic of Pakistan.

13. Technical Proposal Format and Content

13.1 While preparing the Technical Proposal, consultants must give particular attention to the following:

- (i) If a consultant considers that it does not have all the expertise for the assignment, it may obtain a full range of expertise by associating with individual consultant(s) and/or other firms or entities in a joint venture or sub-consultancy, as appropriate. The international consultants are encouraged to seek the participation of local consultants by entering into a joint venture with, or subcontracting part of the assignment to, national consultants.
- (ii) For assignments on a staff-time basis, the estimated number of professional staff-months is given in the Data Sheet. The proposal shall, however, be based on the number of professional staff-months estimated by the firm. For fixed-budget-based assignments, the available budget is given in the Data Sheet, and the Financial Proposal shall not exceed this budget.
- (iii) It is desirable that the majority of the key professional staff proposed be permanent employees of the firm or have an extended and stable working relationship with it.
- (iv) Proposed professional staff must, at a minimum, have the experience indicated in the Data Sheet, preferably working under similar geographical condition.
- (v) Alternative professional staff shall not be proposed, and only one curriculum vitae (CV) shall be submitted for each position.

13.2 The Technical Proposal shall provide the following information using the attached Standard Forms (Section 3):

- (i) A brief description of the consultant organization and an outline of recent experience on assignments (Section 3B) of a similar nature. For each assignment, the outline should indicate, *inter alia*, the profiles of the staff, duration of the assignment, contract amount, and firm's involvement.

- (ii) Any comments or suggestions on the Terms of Reference and on the data, a list of services, and facilities to be provided by the PA (Section 3C).
- (iii) The list of the proposed staff team by specialty, the tasks that would be assigned to each staff team member, and their timing (Section 3E).
- (iv) CVs recently signed by the proposed professional staff and the authorized representative submitting the proposal (Section 3F). Key information should include number of years working for the consultant and degree of responsibility held in various assignments during the last _____ (PA may give number of years as per their requirement) years.
- (v) Estimates of the total staff input (professional and support staff; staff time) needed to carry out the assignment, supported by bar chart diagrams showing the time proposed for each professional staff team member (Sections 3E and 3G).
- (vi) A detailed description of the proposed methodology, work plan for performing the assignment, staffing, and monitoring of training, if the Data Sheet specifies training as a major component of the assignment (Section 3D).
- (vii) Any additional information requested in the Data Sheet.

13.3 The Technical Proposal shall not include any financial information.

14. Financial Proposals

14.1 The Financial Proposal shall be prepared using the attached Standard Forms (Section 4). It shall list all costs associated with the assignment, including (a) remuneration for staff (in the field and at the Consultants' office), and (b) reimbursable expenses indicated in the Data Sheet (if applicable). Alternatively Consultant may provide their own list of cost. If appropriate, these costs should be broken down by activity. All activities and items described in the Technical Proposal must be priced separately; activities and items described in the Technical Proposal but not priced, shall be assumed to be included in the prices of other activities or items.

15. Taxes

15.1 The Consultant will be subject to all admissible taxes including stamp duty and service charges at a rate prevailing on the date of contract agreement unless exempted by relevant tax authority.

16. Submission,

16.1 Proposal shall contain no interlineations or overwriting.

**Receipt, and
Opening of
Proposals**

Submission letters for both Technical and Financial Proposals should respectively be in the format of TECH-1 of Section 3, and FIN-1 of Section 4. All pages of the original Technical and Financial Proposals will be initialed by an authorized representative of the Consultants (Individual Consultant). The authorization shall be in the form of a written power of attorney accompanying the Proposal

- 16.2 All required copies of the Technical Proposal are to be made from the original. If there are discrepancies between the original and the copies of the Technical Proposal, the original governs.
- 16.3 The original and all copies of the Technical Proposal shall be placed in a sealed envelope clearly marked “TECHNICAL PROPOSAL” Similarly, the original Financial Proposal (if required under the selection method indicated in the Data Sheet) shall be placed in a sealed envelope clearly marked “FINANCIAL PROPOSAL” followed by name of the assignment, and with a warning “**DO NOT OPEN WITH THE TECHNICAL PROPOSAL.**” If the Financial Proposal is not submitted in a separate sealed envelope duly marked as indicated above, this will constitute grounds for declaring the Proposal non-responsive.
- 16.4 The Proposals must be sent to the address indicated in the Data Sheet and received by the PA no later than the time and the date indicated in the Data Sheet, or any extension to this date. Any proposal received by the PA after the deadline for submission shall be returned unopened. In order to avoid any delay arising from the postal or PA’s internal despatch workings, Consultants should ensure that proposals to be sent through couriers should reach a day before the deadline for submission. .

**17. Proposal
Evaluation**

- 17.1 From the time the Proposals are opened to the time the Contract is awarded, the Consultants should not contact the PA on any matter related to its Technical and/or Financial Proposal. Any effort by Consultants to influence the PA in the examination, evaluation, ranking of Proposals, and recommendation for award of Contract may result in the rejection of the Consultants’ Proposal.

Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

**18. Evaluation of
Technical Proposals**

- 18.1 Notwithstanding any method used pursuant to Rule 36 (a-d) of PPR 2010, the evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference, applying the evaluation criteria, sub-

criteria, and point system specified in the Data Sheet. Each responsive Proposal will be given a technical score (St). A Proposal shall be rejected at this stage if it fails to achieve the minimum technical score indicated in the Data Sheet.

In the case of Quality-Based Selection, Selection Based on Consultant's Qualifications, and Single-Source Selection, the highest ranked consultant or firm selected on a single-source basis is invited to negotiate its proposal and the contract on the basis of the Technical Proposal and the Financial Proposal submitted.

**Public Opening and Evaluation of Financial Proposals:
(QCBS, Fixed-Budget, and Least-Cost Selection Methods
Only)**

18.2 After the technical evaluation is completed, the PA shall notify in writing Consultants that have secured the minimum qualifying marks, the date, time and location, allowing a reasonable time, for opening the Financial Proposals. Consultants' attendance at the opening of Financial Proposals is optional.

Financial proposals of those consultants who failed to secure minimum qualifying marks shall be returned unopened.

**19. Evaluation of
Financial Proposals**

19.1 In QCBS and Least Cost, Financial Proposals shall be opened publicly in the presence of the Consultants' representatives who choose to attend. The name of the Consultants, and the technical scores of the Consultants shall be read aloud. The Financial Proposal of the Consultants who met the minimum qualifying mark will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals shall be then opened, and the total prices read aloud and recorded.

19.2 The Evaluation Committee will correct any computational errors. When correcting computational errors, in case of discrepancy between a partial amount and the total amount, or between word and figures the formers will prevail. In addition to the above corrections, activities and items described in the Technical Proposal but not priced, shall be assumed to be included in the prices of other activities or items.

19.3 The lowest evaluated Financial Proposal (Fm) will be given the maximum financial score (Sf) of 100 points. The financial scores (Sf) of the other Financial Proposals will be computed as indicated in the Data Sheet. Proposals will be ranked according

to their combined technical (St) and financial (Sf) scores using the weights (T = the weight given to the Technical Proposal; P = the weight given to the Financial Proposal; T + P = 1) indicated in the Data Sheet: $S = St \times T\% + Sf \times P\%$. The firm achieving the highest combined technical and financial score will be invited for negotiations. However in least cost the technically qualified consultant with lowest proposed cost shall be selected.

19.4 In the case of Fixed-Budget and Quality Based Selection, the Procuring Agency will select the firm that submitted the highest ranked Technical Proposal.

20. Negotiations

20.1 Negotiations will be held at the date and address indicated in the Data Sheet. The invited Consultant will, as a pre-requisite for attendance at the negotiations, confirm availability of all Professional staff. Failure in satisfying such requirements may result in the PA proceeding to negotiate with the next-ranked Consultant. Representatives conducting negotiations on behalf of the Consultant must have written authority to negotiate and conclude a Contract.

21. Technical negotiations

21.1 Technical Negotiations will include a discussion of the Technical Proposal, the proposed technical approach and methodology, work plan, organization and staffing, and any suggestions made by the Consultant to improve the Terms of Reference. The PA and the Consultants will finalize the Terms of Reference, staffing schedule, work schedule, logistics, and reporting. These documents will then be incorporated in the Contract as "Description of Services". Minutes of negotiations, which will be signed by the PA and the Consultant, will become part of Contract Agreement.

22. Financial negotiations

22.1 If applicable, it is the responsibility of the Consultant, before starting financial negotiations, to contact the local tax authorities to determine the tax amount to be paid by the Consultant under the Contract. The financial negotiations will include a clarification (if any) of the firm's tax liability, and the manner in which it will be reflected in the Contract; and will reflect the agreed technical modifications in the cost of the services. Consultants will provide the PA with the information on remuneration rates described in the Appendix attached to Section 4 (i.e. Financial Proposal - Standard Forms of this RFP).

23. Availability of Professional

23.1 Having selected the Consultant on the basis of, among other things, an evaluation of proposed Professional staff, the PA

staff/experts

expects to negotiate a Contract on the basis of the Professional staff named in the Proposal. Before contract negotiations, the PA will require assurances that the Professional staff will be actually available. The PA will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or for reasons such as death or medical incapacity. If this is not the case and if it is established that Professional staff were offered in the proposal without confirming their availability, the Consultant may be disqualified. Any proposed substitute shall have equivalent or better qualifications and experience than the original candidate and be submitted by the Consultant within the period of time specified in the letter of invitation to negotiate.

24. Award of Contract

- 24.1 After completing negotiations, the Procuring Agency shall award the Contract to the selected Consultant and within seven of the award of contract, Procuring Agency shall publish on the website of the Authority and on its own website, if such a website exists, the result of the bidding process, identifying the bid through procuring identifying number, if any and the following information, evaluation report, form of contract and letter of award, bill of quantity or schedule of requirement, as the case may be.
- 24.2 After publishing of award of contract consultant required to submit a performance security at the rate indicated in date sheet.
- 24.3 The Consultant is expected to commence the assignment on the date and at the location specified in the Data Sheet.

25. Confidentiality

Information relating to evaluation of Proposals and recommendations concerning awards shall not be disclosed to the Consultants who submitted the Proposals or to other persons not officially concerned with the process, until the publication of the award of Contract. The undue use by any Consultant of confidential information related to the process may result in the rejection of its Proposal.

FORM TECH-1. TECHNICAL PROPOSAL SUBMISSION FORM

[Location, Date]

To: [Name and address of PA]

Dear Sirs:

We, the undersigned, offer to provide the consulting services for [Insert title of assignment] in accordance with your Request for Proposal dated [Insert Date] and our Proposal. We are hereby submitting our Proposal, which includes this Technical Proposal, and a Financial Proposal sealed under a separate envelope¹.

We are submitting our Proposal in association with: [Insert a list with full name and address of each associated Consultant]²

We hereby declare that all the information and statements made in this Proposal are true and accept that any misinterpretation contained in it may lead to our disqualification.

If negotiations are held during the period of validity of the Proposal, i.e., before the date indicated in the Data Sheet, we undertake to negotiate on the basis of the proposed staff. Our Proposal is binding upon us and subject to the modifications resulting from Contract negotiations.

We undertake, if our Proposal is accepted, to initiate the consulting services related to the assignment not later than the date indicated in the Data Sheet.

We understand you are not bound to accept any Proposal you receive.

We remain,

Yours sincerely,

Authorized Name and Name Address: _____
Signature and _____
[In full Title of _____ and _____ initials]:
Signatory: _____
Firm: _____

¹ [In case Paragraph Reference 1.2 of the Data Sheet requires to submit a Technical Proposal only, replace this sentence with: "We are hereby submitting our Proposal, which includes this Technical Proposal only."]

² [Delete in case no association is foreseen.]

For FTP Only

FORM TECH-2. CONSULTANT'S ORGANIZATION AND EXPERIENCE

A - Consultant's Organization

[Provide here a brief (two pages) description of the background and organization of your firm/entity and each associate for this assignment.]

B - Consultant's Experience

[Using the format below, provide information on each assignment for which your firm, and each associate for this assignment, was legally contracted either individually or as a corporate entity or as one of the major companies within an association, for carrying out consulting services similar to the ones requested under this assignment. Use 20 pages.]

Assignment name:	Approx. value of the contract (in current US\$ or Euro):
Country: Location within country:	Duration of assignment (months):
Name of PA:	Total No of staff-months of the assignment:
Address:	Approx. value of the services provided by your firm under the contract (in current US\$ or Euro):
Start date (month/year): Completion date (month/year):	No of professional staff-months provided by associated Consultants:
Name of associated Consultants, if any:	Name of senior professional staff of your firm involved and functions performed (indicate most significant profiles such as Project Director/Coordinator, Team Leader):
Narrative description of Project:	
Description of actual services provided by your staff within the assignment:	

Firm's Name: _____

For FTP Only

FORM TECH-3. COMMENTS AND SUGGESTIONS ON THE TERMS OF REFERENCE AND ON COUNTERPART STAFF AND FACILITIES TO BE PROVIDED BY THE PA

A - On the Terms of Reference

[Present and justify here any modifications or improvement to the Terms of Reference you are proposing to improve performance in carrying out the assignment (such as deleting some activity you consider unnecessary, or adding another, or proposing a different phasing of the activities). Such suggestions should be concise and to the point, and incorporated in your Proposal.]

B - On Counterpart Staff and Facilities

[Comment here on counterpart staff and facilities to be provided by the PA according to Paragraph Reference 1.4 of the Data Sheet including: administrative support, office space, local transportation, equipment, data, etc.]

FORM TECH-4. DESCRIPTION OF APPROACH, METHODOLOGY AND WORK PLAN FOR PERFORMING THE ASSIGNMENT

[Technical approach, methodology and work plan are key components of the Technical Proposal. You are suggested to present your Technical Proposal (maximum of 50 pages, inclusive of charts and diagrams) divided into the following three chapters:

- a) Technical Approach and Methodology,*
- b) Work Plan, and*
- c) Organization and Staffing,*

a) Technical Approach and Methodology. In this chapter you should explain your understanding of the objectives of the assignment, approach to the services, methodology for carrying out the activities and obtaining the expected output, and the degree of detail of such output. You should highlight the problems being addressed and their importance, and explain the technical approach you would adopt to address them. You should also explain the methodologies you propose to adopt and highlight the compatibility of those methodologies with the proposed approach.

b) Work Plan. In this chapter you should propose the main activities of the assignment, their content and duration, phasing and interrelations, milestones (including interim approvals by the PA), and delivery dates of the reports. The proposed work plan should be consistent with the technical approach and methodology, showing understanding of the TOR and ability to translate them into a feasible working plan. A list of the final documents, including reports, drawings, and tables to be delivered as final output, should be included here. The work plan should be consistent with the Work Schedule of Form TECH-8.

c) Organization and Staffing. In this chapter you should propose the structure and composition of your team. You should list the main disciplines of the assignment, the key expert responsible, and proposed technical and support staff.]

FORM FIN-1. FINANCIAL PROPOSAL SUBMISSION FORM

[Location, Date]

To: [Name and address of PA]

Dear Sirs:

We, the undersigned, offer to provide the consulting services for [Insert title of assignment] in accordance with your Request for Proposal dated [Insert Date] and our Technical Proposal. Our attached Financial Proposal is for the sum of [Insert amount(s) in words and figures¹].

Our Financial Proposal shall be binding upon us subject to the modifications resulting from Contract negotiations, up to expiration of the validity period of the Proposal, i.e. before the date indicated in Paragraph Reference 1.12 of the Data Sheet.

Commissions and gratuities paid or to be paid by us to agents relating to this Proposal and Contract execution, if we are awarded the Contract, are listed below²:

Name and Address of Agents	Amount and Currency	Purpose of Commission or Gratuity
_____	_____	_____
_____	_____	_____
_____	_____	_____

We understand you are not bound to accept any Proposal you receive.

We remain,

Yours sincerely,

Authorized Name and Address: _____
Signature and _____
[In full Title of _____
and initials]: Signatory: _____
Firm: _____

1 Amounts must coincide with the ones indicated under Total Cost of Financial proposal in Form FIN-2.
2 If applicable, replace this paragraph with: "No commissions or gratuities have been or are to be paid by us to agents relating to this Proposal and Contract execution."

FORM FIN-2. SUMMARY OF COSTS

Item	Costs	
	<i>Indicate Foreign Currency</i>	<i>Indicate Local Currency</i>
Total Costs of Financial Proposal ²		

- 1 Indicate between brackets the name of the foreign currency. Maximum of three currencies; use as many columns as needed, and delete the others.
- 2 Indicate the total costs excluding local taxes to be paid by the PA in each currency. Such total costs must coincide with the sum of the relevant Subtotals indicated in all Forms FIN-3 provided with the Proposal.

FORM FIN-3. BREAKDOWN OF COSTS BY ACTIVITY¹

Group of Activities (Phase): ² _____	Description: ³ _____			
Cost component	Costs			
	<i>[Indicate Foreign Currency # 1]</i> ⁴	<i>[Indicate Foreign Currency # 2]</i> ⁴	<i>[Indicate Foreign Currency # 3]</i> ⁴	<i>[Indicate Local Currency]</i>
Remuneration ⁵				
Reimbursable Expenses ⁵				
Subtotals				

- 1 Form FIN-3 shall be filled at least for the whole assignment. In case some of the activities require different modes of billing and payment (e.g.: the assignment is phased, and each phase has a different payment schedule), the Consultant shall fill a separate Form FIN-3 for each group of activities. For each currency, the sum of the relevant Subtotals of all Forms FIN-3 provided must coincide with the Total Costs of Financial Proposal indicated in Form FIN-2.
- 2 Names of activities (phase) should be the same as, or correspond to the ones indicated in the second column of Form TECH-8.
- 3 Short description of the activities whose cost breakdown is provided in this Form.
- 4 Indicate between brackets the name of the foreign currency. Use the same columns and currencies of Form FIN-2.
- 5 For each currency, Remuneration and Reimbursable Expenses must respectively coincide with relevant Total Costs indicated in Forms FIN-4, and FIN-5.

FORM FIN-4. BREAKDOWN OF REMUNERATION¹

Name ²	Position ³	Staff-month Rate ⁴
Foreign Staff		
		[Home] [Field]
Local Staff		
		[Home] [Field]

- 1 Form FIN-4 shall be filled in for the same Professional and Support Staff listed in Form TECH-7.
- 2 Professional Staff should be indicated individually; Support Staff should be indicated per category (e.g.: draftsmen, clerical staff).
- 3 Positions of the Professional Staff shall coincide with the ones indicated in Form TECH-5.
- 4 Indicate separately staff-month rate and currency for home and field work.

FORM FIN-5. BREAKDOWN OF REIMBURSABLE EXPENSES

N°	Description ¹	Unit	Unit Cost ²
	Per diem allowances	Day	
	International flights ³	Trip	
	Miscellaneous travel expenses	Trip	
	Communication costs between [Insert place] and [Insert place]		
	Drafting, reproduction of reports		
	Equipment, instruments, materials, supplies, etc.		
	Shipment of personal effects	Trip	
	Use of computers, software		
	Laboratory tests.		
	Subcontracts		
	Local transportation costs		
	Office rent, clerical assistance		
	Training of the PA's personnel ⁴		

- 1 Delete items that are not applicable or add other items according to Paragraph Reference 14.1 of the Data Sheet.
- 2 Indicate unit cost and currency.
- 3 Indicate route of each flight, and if the trip is one- or two-ways.
- 4 Only if the training is a major component of the assignment, defined as such in the TOR.

Section 5. Terms of Reference

A. TERMS OF REFERENCE (TORs)

Directorate of Urban Policy and Strategic Planning (DUP&SP) as per its mandate intends to develop comprehensive development master plans of Fourteen (14) District Headquarter Towns of Hyderabad, Mirpurkhas & Shaheed Benazirabad Divisions the District Headquarters Towns of Sindh. Detailed Terms of Reference for Consultants to prepare Development Master Plans for the individual District Headquarters Towns are given as follows:

1. Review of Past Trends, Development Strategies & Prevalent Conditions

As soon as the Consultants are mobilized, they will be required to initiate the study of the past trends in the development of each of the districts in general and headquarter towns including its rural hinterland in particular. This will involve studies regarding past trends in population growth, urbanization and expansion of urban fabric, changes in the urban and regional economy and employment, and measures / strategies adopted by the relevant authorities to cope with the changing nature of issues in the form of different planning and infrastructure development exercises including among others major development schemes, projects, programs, strategies and plans. The Consultants will be required to evaluate these strategies on the basis of the development objectives and criteria adopted.

Furthermore, the Consultants will also be required to carry out a detailed review of existing conditions including;

a. Population Profile and Socio-Economic Indicators

The Consultants will be required to carry out population profiling of the towns including information about socio-economic indicators like education, employment and income, etc based on available secondary data and the socio-economic survey to be carried out at a suitable sample size with the help of a comprehensive questionnaire and develop a statistical prediction population representation model for the district headquarter under study. This should result in determining the population profile, size, structure and spatial distribution at the scale of union councils.

b. Expansion and Evolution of Urban Form

Over the years, each headquarter town and its hinterland have grown in physical expanse and economic overreach. This growth has been planned and unplanned, influenced by a variety of factors. The consultants will be required to carry out critical study of trends of growth impacting upon evolution of the district headquarter towns into urban centers emphasizing upon its spatial expansion and structure as well as zoning and land uses to formulate a sound strategy for guiding this growth in a planned and ecologically sustainable manner.

c. Housing Conditions

The Consultants will be required to carry out the study of the salient features of housing conditions, market and policies initiated and furnish the information regarding the housing situation in general;

in terms of condition, supply-demand, future needs and policy implications. Within the general framework of study, the Consultants will be required to undertake quantitative and statistical studies of low income housing in greater detail emphasizing on location, housing finance arrangements and address proliferation of KatchiAbadis including strategy for up-gradation / rehabilitation of Katchi Abadis and slum areas.

d. Social Amenities

The Consultants will be required to incorporate detailed analysis of social amenities including educational, health and recreational and miscellaneous facilities in the district headquarter town and entire district and work out projected requirements for the plan period.

e. Basic Utilities

The Consultants would analyze situation of basic utilities including water supply, sewerage, drainage and solid waste management by collecting data regarding the present demand and supply dynamics, identification of backlog and future requirements. The consultants would furnish data / bore-logs on sub-soil water availability and quality contours, water intake / source identification, filtration and treatment systems focusing on quality of water supplied to the end consumer and submit water demand and supply model. The consultants would also be required to have special focus on prevalent waste water management / solid waste management and disposal system arrangements.

f. Infrastructure

The Consultants would be required to focus on transportation, electric power, gas, firefighting system and communications network. The study would involve a description of the transport activities and network available, with a quantitative assessment of the movement of people and freight highlighting factors of critical importance to the transport system, e.g. the journey to work, the problems of the central area, the servicing of industry and proportion of through traffic.

The Consultants will also carry out a detailed analysis of existing system and demand and supply situation of electric power, gas and other communication apparatus.

g. Environmental Setting & Natural Disaster

This will involve a detailed analysis of environmental setting of the towns focusing upon local ecology, meteorological data, topographical data, sub-surface aquifers lithology, drainage patterns, soil loss and degradation. The Consultants will also carry out a detailed study of natural disasters that may affect the towns and the larger region including flood threat, seismic activity / earthquakes, cyclonic activities, etc.

h. Economic Base

The Consultants will be required to study the economic character and structure of the towns and the larger region focusing on production and distribution functions; jobs and employment opportunities;

and agricultural and industrial economic base. This will include information pertaining to existing industrial patterns, industry wise installed capacities and details regarding existing major industrial units in each district.

The information will also include data on population, manpower, production of agriculture crops, fruits, vegetables, livestock, fisheries, forest resources, ores/ minerals, infrastructural facilities such as technical or vocational training facilities, communication, industrial estates, dry ports, industrial financing facilities, and special economic zones, etc.

i. Assessment of Urban Land Development and Management Practices

The Consultants would carry out a comprehensive study of Urban Land development and Management practices in the context of Urban Planning of the study area to identify the gaps and policy reforms along with urban development zones required in the urban sector and also present strategic expansion / future master plan development vision. This may include analysis of previous development master /structure plans / strategies prepared for the particular urban area, their implementation and outcomes, urban development policies by the government at federal, provincial and local level, institutional mechanism etc.

2. Preparation of Digital Base Maps

The Directorate will provide digital base map to the consultant including high resolution satellite imagery of area of interest alongwith administrative boundaries and base layers for development of proposed development master plans. Based on this data and analysis of existing situation, the Consultant will prepare and submit a comprehensive report alongwith maps including all the spatial datasets required for master planning and proposed projections on standard GIS files formats.

3. SWOT Analysis

SWOT Analysis will focus on economic development potential of the headquarter towns and the districts, identifying and suggesting the measures to actualize the development potential of the towns and the larger region / district. This should also include dovetailing of various development projects at various stages of planning and development with the Strategic Development Process and their role in reinforcing the development potential of the town and the larger region / district.

4. Carving out a Vision for Future

Based on the SWOT analysis the Consultants will, in consultation with all the stakeholders, carve out a vision for future of the headquarter towns and larger region / districts focusing on economic sustainability, environmentally sustainable urbanism and socially sustainable urbanization.

5. Preparation of a Development Plan

The review of the past trends and prevalent conditions as well as SWOT analysis and future vision will subsequently form the basis for formulation of potential future scenarios to guide the development of the town and the larger region / district upto year 2035. The final outcome of all the forgoing exercises would result in preparation of a Development Master Plan suggesting a strategic framework for short term and long term development of the headquarter towns and the larger region for the next five and twenty years respectively.

a. Long Term Plan

The Long Term Framework will focus on development of the headquarter towns and the larger region for the next 20 years (upto 2035) on ecologically sustainable basis. This will concentrate on overall urban planning and development regime as well as programs and strategies in various infrastructure, economic and social sectors including housing, land supply and management, education, health, recreation, water supply, sewerage, drainage, solid waste management, transportation network, electric power supply, gas supply, firefighting system, environmental & ecological concerns and economic development as well as policy actions. Based upon the long term plan, programs and specific projects will be identified which will be implemented in the short term.

b. Determination of Growth Scenarios

Determination of Spatial Growth Scenarios will base upon population growth projections, economic development potential and recommendation of a most viable spatial growth option for the headquarter towns. This should be based on requirements of land for spatial growth, environmental concerns and tapping of economic opportunities. This would form the basis for delimitation of development zone for the headquarter towns and its hinterland. The Consultants should ensure that area so delineated is able to meet the anticipated spatial needs of the project area for coming 20 years or so.

c. Short Term Action Plan for Priority Infrastructure Investment

Based on the long term physical and economic development plans, the Consultants will be required to prepare the short term action plans, identifying the projects in each sector with special focus on rehabilitation, improvement and extension of water supply, sewerage, drainage, solid waste management, road infrastructure - housing including Katchi Abadis and slums, education, health, recreation, firefighting system, to be completed on priority basis. This would in essence be an Action Planning exercise. The project scope, size and preliminary cost estimates will need to be worked out for public sector projects for ADP allocations.

d. Preparation of an Immediate Action Plan for the Core Urban Area

Immediate action plan will include plans and detailed design proposals for development and revitalization of the core urban area vis. a. vis. housing and other activities, most important arteries; footpaths, street lights and street furniture; storm water drainage; essential garbage collection; and

horticulture, plantation and creation of urban open spaces. Based on the approved action plan, the consultants will also prepare PC1, tender documents and engineer's estimates.

e. Economic Development Plan

Within the framework of Long Term Development Plan a long and short term economic development plan will be formulated. This plan will emphasize on identification of strategies, interventions and projects that will result in economic revitalization and rejuvenation of the headquarter towns and the districts. The Economic Development Plans will also include Investment Plans specially with reference to finding out new avenues and resources for job creation, revenue generation, development of Small Medium Enterprises – SME's, Special Economic Zone(s), Agro-based Industries and Services industry focused around development potential of each headquarter town and the larger region / district in sync with their core competence.

f. Disaster Management Plan

Based on detailed study of environmental setting and natural disaster proneness of each headquarter town and the larger region / district, the Consultants will devise a comprehensive Disaster Management Plan focusing on threat perception, emergency preparedness, coordination between various local, provincial and federal government agencies, emergency response, relief and rehabilitation.

g. Climate Change, Resilience & Adaptability Plan

The Consultants will prepare climate change resilience and emergency contingency plan for the headquarter town and larger region / district based on secondary data and consultation with concerned institutions / organization.

6. Implementation Strategy

The Consultants will devise a realistic Institutional Setup to guide the implementation of the Development Master Plans. This would be based on an understanding of present role and institutional setup of various agencies and bodies concerned with planning and development controls in the towns, districts and the province; study of all the Acts and Ordinances pertaining to urban planning, development and projects appraisal and implementation to ascertain legal basis of undertaking planning exercise and its approval and implementation by the relevant authorities as well as various potential means of funding including but not limited to public sector funds, donor agencies, private and public private partnerships, etc.

B. TEAM COMPOSITION

Team composition for Fourteen (14) District Headquarter Towns of Hyderabad, Mirpurkhas & Shaheed Benazirabad Divisions is as follows:

S.No	Position	Man Months
1	Team Leader (01 No.)	6.0
2	Deputy Team leaders (02 Nos.)	12.0
3	Sr. Urban Planners (05 Nos.)	20.0
4	Legal Expert (01 No.)	4.0
5	Senior GIS Specialist (01 No.)	2.0
6	GIS Specialists (05 Nos.)	10.0
7	Senior Environment Specialist (01 No.)	3.0
8	Environment Specialists (03 Nos.)	9.0
9	Senior Urban & Regional Economist (01 No.)	3.0
10	Urban & Regional Economists (02 Nos.)	6.0
11	Senior Chief Services & Infrastructure Engineer (01 No.)	4.0
12	Chief Services & Infrastructure Engineers (02 Nos.)	8.0
13	Senior Municipal Services Engineer (01 No.)	3.0
14	Municipal Services Engineers (05 Nos.)	15.0
15	Senior Roads and Transportation Engineer (01 No.)	3.0
16	Roads and Transportation Engineers (05 Nos.)	15.0
17	Sr. Electrical Engineer (01 No.)	2.0
18	Electrical Engineers (02 Nos.)	4.0
19	Sr. Mechanical Engineer (01 No.)	2.0
20	Mechanical Engineers (02 Nos.)	4.0
21	Social Scientist (02 Nos.)	4.0
22	Jr. Planners (16 Nos.)	48.0
23	Jr. Engineers (40 Nos.)	120.0
24	Support Staff (includes Junior GIS Staff, DEOs, CAD Operators, Filed Workers, etc	135.0
	Total man months	442.0

c. QUALIFICATION AND JOB DESCRIPTION FOR THE KEY EXPERTS

1) Team Leader:

Roles and Responsibilities:

- Overall management and supervision of the progress of the assignment
- Overall execution, conduct and monitoring of tasks as outlined in TORs
- Providing leadership and technical guidance to the team
- Timely production and submission of deliverables to the Client
- Mobilization of team and deployment of resources, necessary for accomplishment of the scheduled tasks
- Liaison with the client; and attendance of meetings and presentation
- Analysis of guidelines pertaining to Zoning and Spatial planning of secondary cities developed by SCIP 3 Consultants;
- Finalization of immediate action plan for development and revitalization of urban core area
- Finalization of a Development Master Plan for short term and long term development of the Headquarter Towns and larger region / districts of the cluster for the next five and twenty years respectively

Qualification and Experience: Ph.D degree in Urban & Regional Planning or any other relevant field with min 15 years' experience in regional economic policy making, urban planning and economic development, experience in multilateral or bilateral financed projects will be considered favorably, work experience in Sindh province preferred.

2) Deputy Team Leader:

Roles and Responsibilities:

- Management and supervision of the progress of the assignment in assigned districts
- Execution, conduct and monitoring of tasks as outlined in TORs
- Providing technical guidance to the team
- Timely production and submission of deliverables to the team leader
- Review and compilation of immediate action plan for development and revitalization of urban core area
- Carrying out of SWOT analysis and carving out future vision for formulation of potential future scenarios to guide the development of city for the next 20 years or so
- Preparation of a Development Master Plan for short term and long term development of the Headquarter Towns and larger region / districts of the cluster for the next five and twenty years respectively; and should be lined up with immediate action plan developed for core urban area of the city

Qualification and Experience: Ph.D degree in Urban & Regional Planning or any other relevant field with min 10 years' experience in urban planning, infrastructure and

economic development, experience in multilateral or bilateral financed projects will be considered favorably, work experience in Sindh province preferred.

3) Senior Urban Planner

Roles and Responsibilities:

- Review of the past development trends of the Headquarter Towns and larger region / districts, including population growth, expansion of urban fabric, changes in the urban and regional economy and employment
- Evaluation of the strategies on the basis of the development objectives and criteria adopted
- Analysis of the salient features of housing market and housing situation, in terms of supply-demand, future needs and policy implications
- Analysis of the low income housing in greater detail emphasizing on location, housing finance arrangements and proliferation of Katchi Abadis, including a strategy for upgradation / rehabilitation of Katchi Abadis and slum areas
- Preparation of immediate action plan for development and revitalization of urban core area
- Assistance to the Team Leader in analysis of guidelines pertaining to Zoning and Spatial planning of secondary cities developed by SCIP 3 Consultants
- Assistance to the deputy team leader to carryout SWOT analysis and carving out of future vision to guide the development of city for the next 20 years
- Assist the deputy team leader in preparation of a Development Master Plan that should suggest a strategic framework for short term and long term development of the Headquarter Towns and larger region / districts for the next five and twenty years respectively

Qualification and Experience: Master Degree in City & Regional Planning or any other relevant field with at least 5 years' experience in urban and regional development planning.

4) Legal Expert:

Roles and Responsibilities:

- Study and analyze all the Acts and Ordinances pertaining to urban planning, development and projects appraisal and implementation to ascertain legal basis of undertaking planning exercise and its approval and implementation by the relevant authorities
- Based on analysis and understanding of present role and institutional setup of various agencies and bodies concerned with planning and development controls, devise a realistic Institutional Setup to guide the implementation of the Development Master Plans
- Provide support to other team experts in legal issues pertaining to their respective fields.

Qualification and Experience: Degree in Law with 7 years' work experience, should

have in depth knowledge of regulatory regime pertaining to urban planning, development and environment including knowledge of roles of local, provincial and federal governments / government agencies in development planning and implementation.

5) Senior GIS Specialist

Roles and Responsibilities:

- Analyze the GIS and MIS framework available with the Urban Directorate
- Prepare a base map for immediate development and revitalization of urban core area vis-à-vis most important arteries, footpaths, street lights and street furniture; storm water drainage; essential garbage collection; and horticulture, plantation and creation of urban open spaces
- Prepare a comprehensive base map of the city indicating the required information for various sectors like water, sewerage, drainage, population profile, housing, education, health, recreational activities and transportation network utilities network, recreational and amenities activities, etc.

Qualification and Experience: Ph.D degree in GIS / Remote Sensing having at least 12 years' of relevant experience; should be competent in mapping and GIS.

6) GIS Specialist

Roles and Responsibilities:

- Analyze the GIS and MIS framework available with the Urban Directorate
- Prepare a base map for immediate development and revitalization of urban core area vis-à-vis most important arteries, footpaths, street lights and street furniture; storm water drainage; essential garbage collection; and horticulture, plantation and creation of urban open spaces
- Prepare a comprehensive base map of the city indicating the required information for various sectors like water, sewerage, drainage, population profile, housing, education, health, recreational activities and transportation network utilities network, recreational and amenities activities, etc.

Qualification and Experience: Graduate degree with GIS certification having at least 7 years' of relevant experience; should be competent in mapping and GIS.

7) Senior Environment Specialist

Roles and Responsibilities:

- Detailed analysis of environmental setting of the Headquarter Towns and larger region / districts, focusing upon local ecology, meteorological data, topographical data, aquifer, drainage patterns, soil loss and degradation
- Detailed study and analysis of natural disasters that may affect the city and its environs including flood threat, earth quakes, etc.
- Devise a comprehensive Disaster Management Plan focusing on threat perception, emergency preparedness, coordination between various local, provincial and federal

government agencies, emergency response, relief and rehabilitation based on detailed study of environmental setting and disaster proneness.

Qualification and Experience: Ph.D degree in Environmental Planning /engineering/management having at least 10 years of relevant experience, including experience in multilateral or bilateral financed projects.

8) Environment Specialist

Roles and Responsibilities:

- Detailed analysis of environmental setting of the Headquarter Towns and larger region / districts, focusing upon local ecology, meteorological data, topographical data, aquifer, drainage patterns, soil loss and degradation
- Detailed study and analysis of natural disasters that may affect the city and its environs including flood threat, earth quakes, etc.
- Devise a comprehensive Disaster Management Plan focusing on threat perception, emergency preparedness, coordination between various local, provincial and federal government agencies, emergency response, relief and rehabilitation based on detailed study of environmental setting and disaster proneness.

Qualification and Experience: Post graduate degree in Environmental Planning /engineering/management having at least 7 years of relevant experience, including experience in multilateral or bilateral financed projects.

9) Urban & Regional Economist

Roles and Responsibilities:

- Study the economic character and structure of the Headquarter Towns and larger region / districts focusing on production and distribution functions; jobs and employment opportunities; and agricultural and industrial economic base
- Analysis of Local Economic Development Strategies – LEDS - developed by SCIP 3 Consultants
- Based on the analysis of LEDS, preparation of long term and short term economic development plan, emphasizing on identification of strategies, interventions and projects that will result in economic revitalization and rejuvenation of the district headquarter towns Headquarter Towns and larger region / districts

Qualification and Experience: Ph.D degree in Economics / Development Economics / urban and regional development planning with at least 10 years' experience in regional economic policy making and economic development.

10) Urban & Regional Economist

Roles and Responsibilities:

- Study the economic character and structure of the Headquarter Towns and larger

region / districts focusing on production and distribution functions; jobs and employment opportunities; and agricultural and industrial economic base

- Analysis of Local Economic Development Strategies – LEDS - developed by SCIP 3 Consultants
- Based on the analysis of LEDS, preparation of long term and short term economic development plan, emphasizing on identification of strategies, interventions and projects that will result in economic revitalization and rejuvenation of the district headquarter towns Headquarter Towns and larger region / districts

Qualification and Experience: Post Graduate in Economics / Development Economics / urban and regional development planning with at least 7 years' experience in regional economic policy making and economic development.

11) Senior Chief Services Engineer

Roles and Responsibilities:

- Lead the team of municipal services engineers to perform the assigned work as per their TORs
- Coordinate with local administration, relevant sections of Local Govt. Deptt, Urban Services Corporation, etc. in order to obtain the current data to be used for situation analysis and preparation of short term and long term development plans
- Support the GIS specialist in providing information / data to be plotted on base map.
- Preparation of immediate action plan for development and revitalization of urban core area vis-à-vis storm water drainage and essential garbage collection for most important arteries and footpaths
- Develop short term and long term sectoral plans related to municipal services
- Provide technical recommendations to meet the legal, social and health requirements related to water supply, sewerage, drainage and solid waste management system

Qualification and Experience: Ph.D degree in civil engineering or related field; minimum of 12 years' experience in preparation of feasibility studies and master plans for water supply, sewerage, drainage and solid waste management sectors including experience in multilateral or bilateral financed projects.

12) Chief Services Engineer

Roles and Responsibilities:

- Lead the team of municipal services engineers to perform the assigned work as per their TORs
- Coordinate with local administration, relevant sections of Local Govt. Deptt, Urban Services Corporation, etc. in order to obtain the current data to be used for situation analysis and preparation of short term and long term development plans
- Support the GIS specialist in providing information / data to be plotted on base map.
- Preparation of immediate action plan for development and revitalization of urban core area vis-à-vis storm water drainage and essential garbage collection for most

important arteries and footpaths

- Develop short term and long term sectoral plans related to municipal services
- Provide technical recommendations to meet the legal, social and health requirements related to water supply, sewerage, drainage and solid waste management system

Qualification and Experience: Post Graduate in civil engineering or related field; minimum of 10 years' experience in preparation of feasibility studies and master plans for water supply, sewerage, drainage and solid waste management sectors including experience in multilateral or bilateral financed projects.

13) Senior Municipal Services Engineer

Roles and Responsibilities:

- Situation analysis of water supply, sewerage, drainage and solid waste management by collecting and analyzing data pertaining to the present demand and supply dynamics, identification of backlog and future requirements
- Assist to the Chief Services Engineer in preparation of immediate action plan for development and revitalization of urban core area vis-à-vis storm water drainage and essential garbage collection for most important arteries
- Furnish data on water intake, filtration and treatment systems focusing on quality of water supplied to the end consumer
- Focus on wastewater management, solid waste management and their disposal system arrangements prevalent in the Headquarter Towns and larger region / districts
- Assist the Chief Services Engineer in developing the short term and long term development plans regarding municipal services considering economic and technical viability
- Assist the Chief Services Engineer to furnish technical recommendations to meet the legal, social and health requirements related to water supply, sewerage, drainage and solid waste management system

Qualification and Experience: Ph.D degree in Engineering (Civil / Environmental / public health); with 10 years' experience in preparation of master plans, feasibility studies and design of water supply, sewerage and drainage networks, schemes and treatment plants, including experience in multilateral or bilateral financed projects.

14) Municipal Services Engineer

Roles and Responsibilities:

- Situation analysis of water supply, sewerage, drainage and solid waste management by collecting and analyzing data pertaining to the present demand and supply dynamics, identification of backlog and future requirements
- Assist to the Chief Services Engineer in preparation of immediate action plan for development and revitalization of urban core area vis-à-vis storm water drainage and

essential garbage collection for most important arteries

- Furnish data on water intake, filtration and treatment systems focusing on quality of water supplied to the end consumer
- Focus on wastewater management, solid waste management and their disposal system arrangements prevalent in the Headquarter Towns and larger region / districts
- Assist the Chief Services Engineer in developing the short term and long term development plans regarding municipal services considering economic and technical viability
- Assist the Chief Services Engineer to furnish technical recommendations to meet the legal, social and health requirements related to water supply, sewerage, drainage and solid waste management system

Qualification and Experience: Post Graduate in Engineering (Civil / Environmental / public health); with 5 years' experience in preparation of master plans, feasibility studies and design of water supply, sewerage and drainage networks, schemes and treatment plants, including experience in multilateral or bilateral financed projects.

15) Senior Road and Transportation Engineer

Roles and Responsibilities:

- Situation analysis of the transport activities and available network
- Quantitative assessment of the movement of people and freight highlighting factors of critical importance to the transport system, e.g. the journey to work; the problems of the central area, pedestrian and parking; the servicing of industry and proportion of through traffic
- Assist to Deputy Team Leader in preparation of immediate action plan for development and revitalization of urban core area
- Coordination with related departments in order to obtain the current data to carry out the assignment.
- Preparation of the short term and long term development plans regarding transportation networks and services considering economic and technical viability.

Qualification and Experience: Ph.D degree in Transport engineering / planning with 7 years' experience in the relevant field including experience in multilateral or bilateral financed projects.

16) Road and Transportation Engineer

Roles and Responsibilities:

- Situation analysis of the transport activities and available network
- Quantitative assessment of the movement of people and freight highlighting factors of critical importance to the transport system, e.g. the journey to work; the problems of the central area, pedestrian and parking; the servicing of industry and proportion of through traffic
- Assist to Deputy Team Leader in preparation of immediate action plan for

development and revitalization of urban core area

- Coordination with related departments in order to obtain the current data to carry out the assignment.
- Preparation of the short term and long term development plans regarding transportation networks and services considering economic and technical viability.

Qualification and Experience: Post Graduate in Transport engineering / planning with 5 years' experience in the relevant field including experience in multilateral or bilateral financed projects.

17) Senior Electrical Engineer

Roles and Responsibilities:

- Situation analysis of electric power and communication infrastructure.
- Detailed analysis of existing system, demand and supply situation of electric power, and other communication apparatus.
- Assist Deputy Team Leader in preparation of immediate action plan for development and revitalization of urban core area
- Develop the short term and long term development plans regarding utilities services considering economical and technical viabilities
- Coordination with Utilities provider i:e PTCL, HESCO, etc in order to obtain the current data to carry out the assignment.
- Provide technical recommendations to meet the legal and social requirements related to utility services.

Qualification and Experience: Ph.D degree in Electrical engineering; 7 years' experience in the relevant field including experience in multilateral or bilateral financed projects.

18) Electrical Engineer

Roles and Responsibilities:

- Situation analysis of electric power and communication infrastructure.
- Detailed analysis of existing system, demand and supply situation of electric power, and other communication apparatus.
- Assist Deputy Team Leader in preparation of immediate action plan for development and revitalization of urban core area
- Develop the short term and long term development plans regarding utilities services considering economical and technical viabilities
- Coordination with Utilities provider i:e PTCL, HESCO, etc in order to obtain the current data to carry out the assignment.
- Provide technical recommendations to meet the legal and social requirements related to utility services.

Qualification and Experience: Post Graduate in Electrical engineering; 5 years'

experience in the relevant field including experience in multilateral or bilateral financed projects.

19) Senior Mechanical Engineer

Roles and Responsibilities:

- Situation analysis of utilities related gas and firefighting infrastructure.
- Detailed analysis of existing system, demand and supply situation of gas and firefighting system.
- Develop the short term and long term development plans regarding utilities services considering economical and technical viabilities
- Coordination with Utilities provider i.e. SSGC and other related departments in order to obtain the current data to carry out the assignment.
- Provide technical recommendations to meet the legal and social requirements related to utility services.

Qualification and Experience: Ph.D degree in Mechanical engineering; 7 years' experience in the relevant field including experience in multilateral or bilateral financed projects.

20) Senior Mechanical Engineer

Roles and Responsibilities:

- Situation analysis of utilities related gas and firefighting infrastructure.
- Detailed analysis of existing system, demand and supply situation of gas and firefighting system.
- Develop the short term and long term development plans regarding utilities services considering economical and technical viabilities
- Coordination with Utilities provider i.e. SSGC and other related departments in order to obtain the current data to carry out the assignment.
- Provide technical recommendations to meet the legal and social requirements related to utility services.

Qualification and Experience: Post Graduate degree in Mechanical engineering; 5 years' experience in the relevant field including experience in multilateral or bilateral financed projects.

21) Social Scientist

Roles and Responsibilities:

- Prepare a population profiling of the project city, including information about socio-economic indicators like education, entertainment, employment and income
- Carry out a detailed analysis of social set up of the city and its environs, including information about social institutions, culture and customs, etc.
- Assist the Deputy Team Leader and other relevant experts in preparation of socially

viable and sensitive plans

Qualification and Experience: Post graduate degree in Sociology or Social Sciences; at least 7 years' experience and knowledge of urban social issues, demographic patterns, community organization and development process through participation

22) Jr. Planner:

Roles and Responsibilities:

- Assist the Senior Urban Planner to carry out the tasks as per their TORs.
- Data collection, computation and compilation as required by the Senior Urban Planner.

Qualification and Experience: Bachelor's Degree in City & Regional Planning; with 2 years' relevant experience.

23) Jr. Engineer

Roles and Responsibilities:

- Assist the Senior Municipal Services / Electrical / Mechanical Engineer to carry out the tasks as per TORs.
- Data collection, computation and compilation as required by Senior Engineers.

Qualification and Experience: Bachelor's Degree in Civil / Electrical / Mechanical Engineering; with 2 years' relevant experience

D. REPORTING REQUIREMENTS AND TIME SCHEDULE FOR DELIVERABLES

S.No.	Deliverables	Time Schedule
1	Inception Report	0.5 month after mobilization
2	Situation Analysis Report	1.5 month after mobilization
3	Digital Base Map with Explanatory Report	3.5 months after mobilization
4	SWOT Analysis and Future Vision Report	4.0 months after mobilization
5	Convening consultation workshops with concerned line departments and relevant stakeholders	4.0 months after mobilization
6	Draft Strategic Development Plan Report	4.5 months after mobilization
7	Draft Economic Development Plan Report	4.5 months after mobilization
8	Draft Immediate Action Plan Report	5.0 months after mobilization
9	Draft Priority Projects Report	5.5 months after mobilization
10	Draft Disaster Management Plan	5.5 months after mobilization
11	Draft Climate Change, Resilience & Adaptability Plan	5.5 months after mobilization
12	Convening consultation workshops with concerned line departments and relevant stakeholders	5.5 months after mobilization
13	Final Strategic Development Plan Report (including final versions of draft reports mentioned at 5 to 10 above)	6.0 months after mobilization

Section 6. Forms of Contract

II. General Conditions of Contract

1. GENERAL PROVISIONS

- 1.1 Definitions** Unless the context otherwise requires, the following terms whenever used in this Contract have the following meanings:
- (a) “Applicable Law” means the Sindh Public Procurement Act, thereunder Rules 2010.
 - (b) “Procuring Agency PA” means the implementing department which signs the contract
 - (c) “Consultant” means a professional who can study, design, organize, evaluate and manage projects or assess, evaluate and provide specialist advice or give technical assistance for making or drafting policies, institutional reforms and includes private entities, consulting firms, legal advisors, engineering firms, construction managers, management firms, procurement agents, inspection agents, auditors, international and multinational organizations, investment and merchant banks, universities, research institutions, government agencies, nongovernmental organizations, and individuals.
 - (d) “Contract” means the Contract signed by the Parties and all the attached documents listed in its Clause 1, that is General Conditions (GC), the Special Conditions (SC), and the Appendices.
 - (e) “Contract Price” means the price to be paid for the performance of the Services, in accordance with Clause 6;
 - (f) “Effective Date” means the date on which this Contract comes into force and effect pursuant to Clause GC 2.1.
 - (g) “Foreign Currency” means any currency other than the currency of the PA’s country.
 - (h) “GC” means these General Conditions of Contract.
 - (i) “Government” means the Government of Sindh.
 - (j) “Local Currency” means Pak Rupees.
 - (k) “Member” means any of the entities that make up the joint venture/consortium/association, and “Members” means all these entities.
 - (l) “Party” means the PA or the Consultant, as the case may be, and “Parties” means both of them.

- (m) “Personnel” means persons hired by the Consultant or by any Sub-Consultants and assigned to the performance of the Services or any part thereof.
- (n) “SC” means the Special Conditions of Contract by which the GC may be amended or supplemented.
- (o) “Services” means the consulting services to be performed by the Consultant pursuant to this Contract, as described in the Terms of References.
- (p) “Sub-Consultants” means any person or entity to whom/which the Consultant subcontracts any part of the Services.
- (q) “In writing” means communicated in written form with proof of receipt.

1.2 Law Governing Contract

This Contract, its meaning and interpretation, and the relation between the Parties shall be governed by the applicable law.

1.3 Language

This Contract is executed in the language specified in the SC, which shall be the binding and controlling language for all matters relating to the meaning or interpretation of this Contract.

1.4 Notices

1.4.1 Any notice, request or consent required or permitted to be given or made pursuant to this Contract shall be in writing. Any such notice, request or consent shall be deemed to have been given or made when delivered in person to an authorized representative of the Party to whom the communication is addressed, or when sent to such Party at the address specified in the SC.

1.4.2 A Party may change its address for notice hereunder by giving the other Party notice in writing of such change to the address specified in the SC.

1.5 Location

The Services shall be performed at such locations as are specified in special condition of contract and, where the location of a particular task is not so specified, at such locations, whether in the Government’s country or elsewhere, as the PA may approve.

1.6 Authority of Member in Charge

In case the Consultant consists of a joint venture/ consortium/ association of more than one individual firms, the Members hereby authorize the individual firms or specified in the SC to act on their behalf in exercising all the Consultant’s rights and obligations towards the PA under this Contract, including without limitation the receiving of instructions and payments from the PA.

1.7 Authorized Representa-

Any action required or permitted to be taken, and any document required or permitted to be executed under this Contract by the PA or the

- tives** Consultant may be taken or executed by the officials specified in the SC.
- 1.8 Taxes and Duties** The Consultant, Sub-Consultants, and their Personnel shall pay such direct or indirect taxes, duties, fees, and other impositions levied under the Applicable Law as specified in the SC, the amount of which is deemed to have been included in the Contract Price.
- 1.9 Fraud and Corruption** If the PA determines that the Consultant and/or its Personnel, sub-contractors, sub-consultants, services providers and suppliers has engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices, in competing for or in executing the Contract, then the PA may, after giving 14 days notice to the Consultant, terminate the Consultant's employment under the Contract, and may resort to other remedies including blacklisting/disqualification as provided in SPPR 2010.
- Any personnel of the Consultant who engages in corrupt, fraudulent, collusive, coercive, or obstructive practice during the execution of the Contract, shall be removed in accordance with Sub-Clause 4.2.

2. COMMENCEMENT, COMPLETION, MODIFICATION AND TERMINATION OF CONTRACT

- 2.1 Effectiveness of Contract** This Contract shall come into effect on the date the Contract is signed by both Parties or such other later date as may be stated in the SC. The date the Contract comes into effect is defined as the Effective Date.
- 2.2 Commencement of Services** The Consultant shall begin carrying out the Services not later than the number of days after the Effective Date specified in the SC.
- 2.3 Expiration of Contract** Unless terminated earlier pursuant to Clause GC 2.6 hereof, this Contract shall expire at the end of such time period after the Effective Date as specified in the SC.
- 2.4 Modifications or Variations** Any modification or variation of the terms and conditions of this Contract, including any modification or variation of the scope of the Services, may only be made by written agreement between the Parties. However, each Party shall give due consideration to any proposals for modification or variation made by the other Party.
- 2.5 Force Majeure** The failure on the part of the parties to perform their obligation under the contract will not be considered a default if such failure is the result of natural calamities, disasters and circumstances beyond the control of the parties.

2.5.2 No Breach of Contract The failure of a Party to fulfill any of its obligations under the contract shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event (a) has taken all reasonable precautions, due care and reasonable alternative measures in order to carry out the terms and conditions of this Contract, and (b) has informed the other Party as soon as possible about the occurrence of such an event.

2.5.3 Extension of Time Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

2.5.4 Payments During the period of their inability to perform the Services as a result of an event of Force Majeure, the Consultant shall be entitled to continue to be paid under the terms of this Contract, as well as to be reimbursed for additional costs reasonably and necessarily incurred by them during such period for the purposes of the Services and in reactivating the Service after the end of such period.

2.6 Termination

2.6.1 By the PA The PA may terminate this Contract in case of the occurrence of any of the events specified in paragraphs (a) through (f) of this Clause GC 2.6.1. In such an occurrence the PA shall give a not less than thirty (30) days' written notice of termination to the Consultant, and sixty (60) days' in the case of the event referred to in (e).

(a) If the Consultant does not remedy the failure in the performance of their obligations under the Contract, within thirty (30) days after being notified or within any further period as the PA may have subsequently approved in writing.

(b) If the Consultant becomes insolvent or bankrupt.

(c) If the Consultant, in the judgment of the PA has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

(d) If, as the result of Force Majeure, the Consultant(s) are unable to perform a material portion of the Services for a period of not less than sixty (60) days.

(e) If the PA, in its sole discretion and for any reason whatsoever, decides to terminate this Contract.

(f) If the Consultant fails to comply with any final decision reached as a result of arbitration proceedings pursuant to Clause GC 8 hereof.

2.6.2 By the Consultant

The Consultants may terminate this Contract, by not less than thirty (30) days' written notice to the PA, such notice to be given after the occurrence of any of the events specified in paragraphs (a) through (c) of this Clause GC 2.6.2:

- (a) If the PA fails to pay any money due to the Consultant pursuant to this Contract without consultants fault.
- (b) Pursuant to Clause GC 7 hereof within forty-five (45) days after receiving written notice from the Consultant that such payment is overdue.
- (c) If, as the result of Force Majeure, the Consultant is unable to perform a material portion of the Services for a period of not less than sixty (60) days.
- (d) If the PA fails to comply with any final decision reached as a result of arbitration pursuant to Clause GC 8 hereof.

2.6.3 Payment upon Termination

Upon termination of this Contract pursuant to Clauses GC 2.6.1 or GC 2.6.2, the PA shall make the following payments to the Consultant:

- (a) payment pursuant to Clause GC 6 for Services satisfactorily performed prior to the effective date of termination;
- (b) except in the case of termination pursuant to paragraphs (a) through (c), and (f) of Clause GC 2.6.1, reimbursement of any reasonable cost incident to the prompt and orderly termination of the Contract, including the cost of the return travel of the Personnel and their eligible dependents.

3. OBLIGATIONS OF THE CONSULTANT

3.1 General

3.1.1 Standard of Performance

The Consultant shall perform the Services and carry out their obligations hereunder with all due diligence, efficiency and economy, in accordance with generally accepted professional standards and practices, and shall observe sound management practices, and employ appropriate technology and safe and effective equipment, machinery, materials and methods. The Consultant shall always act, in respect of any matter relating to this Contract or to the Services, as faithful advisers to the PA, and shall at all times support and safeguard the PA's legitimate interests in any dealings with Sub-Consultants or third Parties.

3.2 Conflict of Interests

The Consultant shall hold the PA's interests paramount, without any consideration for future work, and strictly avoid conflict with other

assignments or their own corporate interests.

- 3.2.1 Consultants not to Benefit from Commissions, Discounts, etc.** The payment of the Consultant pursuant to Clause GC 6 shall constitute the Consultant's only payment in connection with this Contract or the Services, and the Consultant shall not accept for their own benefit any trade commission, discount, or similar payment in connection with activities pursuant to this Contract or to the Services or in the discharge of their obligations under the Contract, and the Consultant shall use their best efforts to ensure that the Personnel, any Sub-Consultants, and agents of either of them similarly shall not receive any such additional payment.
- 3.2.2 Consultant and Affiliates not to be Otherwise Interested in Project** The Consultant agrees that, during the term of this Contract and after its termination, the Consultant and any entity affiliated with the Consultant, as well as any Sub-Consultants and any entity affiliated with such Sub-Consultants, shall be disqualified from providing goods, works or services (other than consulting services) resulting from or directly related to the Consultant's Services for the preparation or implementation of the project.
- 3.2.3 Prohibition of Conflicting Activities** The Consultant shall not engage, and shall cause their Personnel as well as their Sub-Consultants and their Personnel not to engage, either directly or indirectly, in any business or professional activities which would conflict with the activities assigned to them under this Contract.
- 3.3 Confidentiality** Except with the prior written consent of the PA, the Consultant and the Personnel shall not at any time communicate to any person or entity any confidential information acquired in the course of the Services, nor shall the Consultant and the Personnel make public the recommendations formulated in the course of, or as a result of, the Services.
- 3.4 Insurance to be Taken Out by the Consultant** The Consultant (a) shall take out and maintain, and shall cause any Sub-Consultants to take out and maintain, at their (or the Sub-Consultants', as the case may be) own cost but on terms and conditions approved by the PA, insurance against the risks, and for the coverage, as shall be specified in the SC; and (b) at the PA's request, shall provide evidence to the PA showing that such insurance has been taken out and maintained and that the current premiums have been paid.
- 3.5 Consultant's Actions Requiring PA's Prior Approval** The Consultant shall obtain the PA's prior approval in writing before taking any of the following actions:
- (a) entering into a subcontract for the performance of any part of the Services,
 - (b) appointing such members of the Personnel not listed by name in Appendix C, and
 - (c) any other action that may be specified in the SC.

- 3.6 Reporting Obligations** (a) The Consultant shall submit to the PA the reports and documents specified in (PA may insert appendix) hereto, in the form, in the numbers and within the time periods set forth in the said Appendix.
- (b) Final reports shall be delivered in CD ROM in addition to the hard copies specified in said Appendix.
- 3.7 Documents Prepared by the Consultant to be the Property of the PA** (a) All plans, drawings, specifications, designs, reports, other documents and software submitted by the Consultant under this Contract shall become and remain the property of the PA, and the Consultant shall, not later than upon termination or expiration of this Contract, deliver all such documents to the PA, together with a detailed inventory thereof.
- (b) The Consultant may retain a copy of such documents and software. Restrictions about the future use of these documents, if any, shall be specified in the SC.
- 3.8 Accounting, Inspection and Auditing** 3.8.1 The Consultant shall keep, and shall cause its Sub-consultants to keep, accurate and systematic accounts and records in respect of the Contract, in accordance with internationally accepted accounting principles and in such form and detail as will clearly identify relevant time changes and costs.
- 3.8.2 The Consultant shall permit, and shall cause its Sub-consultants to permit, the PA and/or persons appointed by the PA to inspect its accounts and records relating to the performance of the Contract and the submission of the Proposal to provide the Services, and to have such accounts and records audited by auditors appointed by the PA if requested by the PA. The Consultant's attention is drawn to Clause 1.9.1 which provides, inter alia, that acts intended to materially impede the exercise of the PA's inspection and audit rights provided for under Clause 3.8 constitute a prohibited practice subject to contract termination (as well as to a determination of ineligibility pursuant to the PA's prevailing sanctions procedures.).

4. CONSULTANT'S PERSONNEL

- 4.1 Description of Personnel** The Consultant shall employ and provide such qualified and experienced Personnel and Sub-Consultants as are required to carry out the Services. The titles, agreed job descriptions, minimum qualifications, and estimated periods of engagement in the carrying out of the Services of the Consultant's Key Personnel are described in Appendix C. The Key Personnel and Sub-Consultants listed by title as well as by name in Appendix C are hereby approved by the PA.
- 4.2 Removal** (a) Except as the PA may otherwise agree, no changes shall be made

**and/or
Replacement
of Personnel**

in the Key Personnel. If, for any reason beyond the reasonable control of the Consultant, such as retirement, death, medical incapacity, among others, it becomes necessary to replace any of the Key Personnel, the Consultant shall provide as a replacement a person of equivalent or better qualifications.

- (b) If the PA finds that any of the Personnel have (i) committed serious misconduct or have been charged with having committed a criminal action, or (ii) have reasonable cause to be dissatisfied with the performance of any of the Personnel, then the Consultant shall, at the PA's written request specifying the grounds thereof, provide as a replacement a person with qualifications and experience acceptable to the PA.
- (c) The Consultant shall have no claim for additional costs arising out of or incidental to any removal and/or replacement of Personnel.

5. OBLIGATIONS OF THE PA

- 5.1 Assistance and Exemptions** The PA shall use its best efforts to ensure that the Government shall provide the Consultant such assistance and exemptions as specified in the SC.
- 5.2 Change in the Applicable Law Related to Taxes and Duties** If, after the date of this Contract, there is any change in the Applicable Law with respect to taxes and duties which increases or decreases the cost incurred by the Consultant in performing the Services, then the remuneration and reimbursable expenses otherwise payable to the Consultant under this Contract shall be increased or decreased accordingly by agreement between the Parties, and corresponding adjustments shall be made to the amounts referred to in Clauses GC 6.2 (a) or (b), as the case may be.
- 5.3 Services and Facilities** The PA shall make available free of charge to the Consultant the Services and Facilities listed under Appendix F.

6. PAYMENTS TO THE CONSULTANT

- 6.1 Security** The consultant has to submit bid security and the performance security at the rate mention in SC.
- 6.2 Lump-Sum Payment** The total payment due to the Consultant shall not exceed the Contract Price which is an all inclusive fixed lump-sum covering all costs required to carry out the Services described in Appendix A. Except as provided in Clause 5.2, the Contract Price may only be increased above the amounts stated in Clause 6.2 if the Parties have agreed to additional payments in accordance with

Clause 2.4.

- 6.3 Contract Price** The price payable in Pak Rupees/foreign currency/ is set forth in the SC.
- 6.4 Payment for Additional Services** For the purpose of determining the remuneration due for additional services as may be agreed under Clause 2.4, a breakdown of the lump-sum price is provided in Appendices D and E.
- 6.5 Terms and Conditions of Payment** Payments will be made to the account of the Consultant and according to the payment schedule stated in the SC. Unless otherwise stated in the SC, the first payment shall be made against the provision by the Consultant of an advance payment guarantee for the same amount, and shall be valid for the period stated in the SC. Such guarantee shall be in the form set forth in Appendix G hereto, or in such other form, as the PA shall have approved in writing. Any other payment shall be made after the conditions listed in the SC for such payment have been met, and the Consultant has submitted an invoice to the PA specifying the amount due.

7. GOOD FAITH

- 7.1 Good Faith** The Parties undertake to act in good faith with respect to each other's rights under this Contract and to adopt all reasonable measures to ensure the realization of the objectives of this Contract.

8. SETTLEMENT OF DISPUTES

- 8.1 Amicable Settlement** The Parties agree that the avoidance or early resolution of disputes is crucial for a smooth execution of the Contract and the success of the assignment. The Parties shall use their best efforts to settle amicably all disputes arising out of or in connection with this Contract or its interpretation.
- 8.2 Dispute Resolution** Any dispute between the Parties as to matters arising pursuant to this Contract that cannot be settled amicably within thirty (30) days after receipt by one Party of the other Party's request for such amicable settlement may be submitted by either Party for settlement in accordance with the provisions specified in the SC.

III. Special Conditions of Contract

(Clauses in brackets { } are optional; all notes should be deleted in final text)

**Number of
GC Clause**

**Amendments of, and Supplements to, Clauses in the
General Conditions of Contract**

{1.1} Sindh Public Procurement Act and Sindh Public Procurement Rules 2010.

1.3 The language is English.

1.4 The addresses are:

Procuring _____ Agency: _____

Attention: _____

Facsimile: _____

For the PA: _____

For the Consultant: _____

1.8 *PA shall specify all relevant taxes including stamp duty and service charges to be borne by the consultant. In case there is exemption from any rates, taxes, the same shall be mentioned here.*

The Consultant must be informed in Clause Reference 3.7 of the Data Sheet about which alternative the PA wishes to apply.

The PA warrants that the Consultant, the Sub-Consultants and the Personnel shall be exempt from (or that the PA shall pay on behalf of the Consultant, the Sub-Consultants and the Personnel, or shall reimburse the Consultant, the Sub-Consultants and the Personnel for) any indirect taxes, duties, fees, levies and other impositions imposed, under the Applicable Law, on the Consultant, the Sub-Consultants and the Personnel in respect of:

- (a) any payments whatsoever made to the Consultant, Sub-Consultants and the Personnel (other than nationals or permanent residents of Pakistan), in connection with the carrying out of the Services;
- (b) any equipment, materials and supplies brought into the Government's country by the Consultant or Sub-Consultants for the purpose of carrying out the Services and which, after having been brought into such territories, will be subsequently withdrawn there from by them;
- (c) any equipment imported for the purpose of carrying out the Services and paid for out of funds provided by the PA and which is treated as property of the PA;
- (d) any property brought into the province by the international Consultant, any Sub-Consultants or the Personnel or the eligible dependents of such Personnel for their personal use and which will subsequently be withdrawn there from by them upon their respective departure from the Government's country, provided that:

Special Condition of Contract

- (1) the Consultant, Sub-Consultants and Personnel, and their eligible dependents, shall follow the usual customs procedures of the Government's country in importing property into the Government's country; and
- (2) if the Consultant, Sub-Consultants or Personnel, or their eligible dependents, do not withdraw but dispose of any property in the Pakistan for which customs duties and taxes have been exempted, the Consultant, Sub-Consultants or Personnel, as the case may be, (i) shall bear such customs duties and taxes in conformity with the regulations of the Government's country, or (ii) shall reimburse them to the PA if they were paid by the PA at the time the property in question was brought into the Government's country.

2.2 The date for the commencement of Services is *[insert date]*.

2.3 The time period shall be *[insert time period, e.g.: twelve months, eighteen months]*.

3.4 The risks and the coverage shall be as follows:

- (a) Third Party motor vehicle liability insurance in respect of motor vehicles operated by the Consultant or its Personnel or any Sub-Consultants or their Personnel, with a minimum coverage of *[insert amount and currency]*;
- (b) Third Party liability insurance, with a minimum coverage of *[insert amount and currency]*;
- (c) professional liability insurance, with a minimum coverage of *[insert amount and currency]*;
- (d) employer's liability and workers' compensation insurance in respect of the Personnel of the Consultant and of any Sub-Consultants, in accordance with the relevant provisions of the Applicable Law, as well as, with respect to such Personnel, any such life, health, accident, travel or other insurance as may be appropriate; and
- (e) insurance against loss of or damage to (i) equipment purchased in whole or in part with funds provided under this Contract, (ii) the Consultant's property used in the performance of the Services, and (iii) any documents prepared by the Consultant in the performance of the Services.

Special Condition of Contract

Note: Delete what is not applicable

{3.5 (c)} {The other actions are: *[insert actions]*.}

Note: If there are no other actions, delete this Clause SC 3.5 (c).

{3.7 (b)} *Note: If there is to be no restriction on the future use of these documents by either Party, this Clause SC 3.7 should be deleted. If the Parties wish to restrict such use, any of the following options, or any other option agreed to by the Parties, may be used:*

{The Consultant shall not use these documents and software for purposes unrelated to this Contract without the prior written approval of the PA.}

{The PA shall not use these documents and software for purposes unrelated to this Contract without the prior written approval of the Consultant.}

{Neither Party shall use these documents and software for purposes unrelated to this Contract without the prior written approval of the other Party.}

{5.1} *Note: List here any assistance or exemptions that the PA may provide under Clause 5.1. If there is no such assistance or exemptions, state “not applicable.”*

6.1 Procuring Agency shall indicate bid security not less than 1% and above 5%
Performance security shall not exceed 10% of contract amount

6.3 The amount in Pak Rupees or in foreign Currency *[insert amount]*.

6.5 The accounts are:

for foreign currency or currencies: *[insert account]*

for local currency: *[insert account]*

Payments shall be made according to the following schedule:

- (a) Twenty (10) percent of the Contract Price shall be paid on the commencement date against the submission of a demand guarantee for the same.
- (b) Ten (20) percent of the lump-sum amount shall be paid upon submission of the inception report.
- (c) Twenty-five (25) percent of the lump-sum amount shall be paid upon submission of the interim report.
- (d) Twenty-five (25) percent of the lump-sum amount shall be paid upon submission of the draft final report.
- (e) Twenty (20) percent of the lump-sum amount shall be paid upon approval of the final report.
- (f) The demand guarantee shall be released when the total payments reach fifty (50) percent of the lump-sum amount.

Note: This sample clause should be specifically drafted for each contract.

8.2 Disputes shall be settled by complaint redressal committee define in SPPR 2010 or through arbitration Act of 1940.in accordance with the following provisions:

Appendix A

(INTEGRITY PACT)

DECLARATION OF FEES, COMMISSION AND BROKERAGE ETC.

PAYABLE BY THE SUPPLIERS OF GOODS, SERVICES & WORKS IN

Contract No. _____ Dated _____

Contract Value: _____

Contract Title: _____

..... [name of Supplier] hereby declares that it has not obtained or induced the procurement of any contract, right, interest, privilege or other obligation or benefit from Government of Sindh (GoS) or any administrative subdivision or agency thereof or any other entity owned or controlled by GoS through any corrupt business practice.

Without limiting the generality of the foregoing, [name of Supplier] represents and warrants that it has fully declared the brokerage, commission, fees etc. paid or payable to anyone and not given or agreed to give and shall not give or agree to give to anyone within or outside Pakistan either directly or indirectly through any natural or juridical person, including its affiliate, agent, associate, broker, consultant, director, promoter, shareholder, sponsor or subsidiary, any commission, gratification, bribe, finder's fee or kickback, whether described as consultation fee or otherwise, with the object of obtaining or inducing the procurement of a contract, right, interest, privilege or other obligation or benefit in whatsoever form from GoS, except that which has been expressly declared pursuant hereto.

[name of Supplier] certifies that it has made and will make full disclosure of all agreements and arrangements with all persons in respect of or related to the transaction with GoS and has not taken any action or will not take any action to circumvent the above declaration, representation or warranty.

[name of Supplier] accepts full responsibility and strict liability for making any false declaration, not making full disclosure, misrepresenting facts or taking any action likely to defeat the purpose of this declaration, representation and warranty. It agrees that any contract, right, interest, privilege or other obligation or benefit obtained or procured as aforesaid shall, without prejudice to any other rights and remedies available to GoS under any law, contract or other instrument, be voidable at the option of GoS.

Notwithstanding any rights and remedies exercised by GoS in this regard, [name of Supplier] agrees to indemnify GoS for any loss or damage incurred by it on account of its corrupt business

Contract

practices and further pay compensation to GoS in an amount equivalent to ten time the sum of any commission, gratification, bribe, finder’s fee or kickback given by [name of Supplier] as aforesaid for the purpose of obtaining or inducing the procurement of any contract, right, interest, privilege or other obligation or benefit in whatsoever form from GoS.

CONTRACT

THIS CONTRACT (“Contract”) is entered into this *[insert starting date of assignment]*, by and between *[insert PA’s name]* (“the PA”) having its principal place of business at *[insert PA’s address]*, and *[insert Consultant’s name]* (“the Consultant”) having its principal office located at *[insert Consultant’s address]*.

WHEREAS, the PA wishes to have the Consultant performing the services hereinafter referred to, and

WHEREAS, the Consultant is willing to perform these services,

NOW THEREFORE THE PARTIES hereby agree as follows:

- 1. Services**
 - (i) The Consultant shall perform the services specified in Annex A, “Terms of Reference and Scope of Services,” which is made an integral part of this Contract (“the Services”).
 - (ii) The Consultant shall provide the reports listed in Annex B, “Consultant’s Reporting Obligations,” within the time periods listed in such Annex, and the personnel listed in Annex C, “Cost Estimate of Services, List of Personnel and Schedule of Rates” to perform the Services.

- 2. Term** The Consultant shall perform the Services during the period commencing *[insert start date]* and continuing through *[insert completion date]* or any other period as may be subsequently agreed by the parties in writing.

- 3. Payment**
 - A. Ceiling

For Services rendered pursuant to Annex A, the PA shall pay the Consultant an amount not to exceed *[insert amount]*. This amount has been established based on the understanding that it includes all of the Consultant’s costs and profits as well as any tax obligation that may be imposed on the Consultant.

 - C. Payment Conditions

Payment shall be made in *[specify currency]*, no later than 30 days following submission by the Consultant of invoices in duplicate to the Coordinator designated in paragraph 4.

- 4. Economic Price Adjustment** In order to adjust the remuneration for inflation, a price adjustment provision has been included if the contract has duration of more than 18 months or if the inflation is expected to exceed ----% per annum. The adjustment will be made every 12 months after the date of the contract for remuneration. Remuneration will be adjusted by using the relevant index as per following provision:
“Payments for remuneration made in accordance with Clause 3 shall be adjusted as follows:

Remuneration pursuant to the rates set forth in Annex C shall be adjusted every 12 months (and, for the first time, with effect for the remuneration earned in the [13] th calendar month after the date of the Contract) by applying the following formula:

$$R_l = R_{l_0} \frac{I_l}{I_{l_0}}$$

where R_l is the adjusted remuneration, R_{l_0} is the remuneration payable on the basis of the rates set forth in Annex C for payable remuneration, I_l is the official rate of inflation for the first month for which the adjustment is to have effect and, I_{l_0} is the official rate of inflation for the month of the date of the Contract.”]

5. Project Administration

A. Coordinator

The PA designates Mr./Ms. [insert name] as PA’s Coordinator; the Coordinator shall be responsible for the coordination of activities under the Contract, for receiving and approving invoices for payment, and for acceptance of the deliverables by the PA.

B. Timesheets

During the course of their work under this Contract the Consultant’s employees providing services under this Contract may be required to complete timesheets or any other document used to identify time spent, as instructed by the Coordinator.

C. Records and Accounts

The Consultant shall keep accurate and systematic records and accounts in respect of the Services, which will clearly identify all charges and expenses. The PA reserves the right to audit, or to nominate a reputable accounting firm to audit, the Consultant’s records relating to amounts claimed under this Contract during its term and any extension, and for a period of three months thereafter.

6. Performance Standard

The Consultant undertakes to perform the Services with the highest standards of professional and ethical competence and integrity. The Consultant shall promptly replace any employees assigned under this Contract that the PA considers unsatisfactory.

7. Confidentiality

The Consultants shall not, during the term of this Contract and within two years after its expiration, disclose any proprietary or confidential information relating to the Services, this Contract or the PA’s business or operations without the prior written consent of the PA.

8. Ownership of Material

Any studies, reports or other material, graphic, software or otherwise, prepared by the Consultant for the PA under the Contract shall belong to and remain the property of the PA. The Consultant may retain a copy of such documents and

Contract

software.

- 9. Consultant Not to be Engaged in Certain Activities** The Consultant agrees that, during the term of this Contract and after its termination, the Consultants and any entity affiliated with the Consultant, shall be disqualified from providing goods, works or services (other than the Services or any continuation thereof) for any project resulting from or closely related to the Services.
- 10. Insurance** The Consultant will be responsible for taking out any appropriate insurance coverage for their personnel and equipments.
- 11. Assignment** The Consultant shall not assign this Contract or Subcontract any portion thereof it without the PA's prior written consent.
- 12. Law Governing Contract and Language** The Contract shall be governed by the laws of Islamic Republic of Pakistan or the Provincial Government and the language of the Contract shall be English.
- 13. Dispute Resolution** Any dispute arising out of this Contract, which cannot be amicably settled between the parties, shall be referred to adjudication/arbitration in accordance with the Arbitration Act of 1940
