“The amounts payable to the Contractor, pursuant to Sub-Clause 14.6, shall be adjusted in respect of the rise or fall in the cost of materials only, and will be

paid to the contractor on those items mentioned in the **Appendix –C (B)**. To the extent that full compensation for any rise or fall in Costs is not covered by the provisions of this or other Clauses, the Accepted Contract Amount shall be deemed to have included amounts to cover the contingency of other rises and falls in costs.

Until such time as each current cost index is available, the Engineer shall determine a provisional index for the issue of Interim Payment Certificates. When a current cost index is available, the adjustment shall be recalculated accordingly.

If the Contractor fails to complete the Works within the Time for Completion, adjustment of prices thereafter shall be made using either (i) each index or price applicable on the date 49 days prior to the expiry of the Time for Completion of the Works, or (ii) the current index or price: whichever is more favourable to the Employer.”

14.1 The Contract Price

Sub-para (d) is deleted.

14.2 Advance Payment

The Entire Text is deleted and replaced with following:

The Employer if requested by the Contractor shall make an advance payment for mobilization and cash flow support, when the Contractor submits a guarantee in accordance with this Sub-Clause. The total advance payment, the number and timing of installments (if more than one) shall be as stated in the Appendix-A.

The Advance Payment (if required) shall be paid in two equal installments after the following conditions have been fulfilled.

Installment-1: 50% of the total amount of the Advance Payment.

- That the Contract Agreement has been signed by the Parties.
- The Contractor has submitted bank guarantee for the full amount of the advance payment in the form of irrevocable without recourse bank guarantee.
- The Contractor has submitted the Performance Security in the form as prescribe in Sub-Clause 4.2.

Installment-2: Remaining 50% of the total amount of the Advance Payment shall be paid on mobilization of Plant, Equipment and other resources at site by the Contractor to the satisfaction of the Engineer.

Unless and until the Employer receives this guarantee, or if the total advance payment is not stated in the Appendix A, this Sub-Clause shall not apply.

The Contractor shall pay interest on the mobilization advance at the rate of 10% per annum on the advance.

The Engineer shall deliver to the Employer and to the Contractor an Interim Payment Certificate for the advance payment or its first installment after receiving a Statement (under Sub-Clause 14.3 [Application for Interim Payment Certificates]) and after the Employer receives (i) the Performance Security in accordance with Sub-Clause 4.2 [Performance Security] and (ii) a guarantee in amount equal to the advance payment. This guarantee shall be issued by an entity and from within a Country (for other jurisdiction) approved by the Employer, and shall be in the form Annexed to the particular conditions or in another form approved by the Employer.

The Contractor shall ensure that the guarantee is valid and enforceable until the advance payment has been repaid, but its amount shall be progressively reduced by the amount repaid by the Contractor as indicated in the payment certificates. If the terms of the guarantee specify its expiry date, and the advance payment has not been repaid by the date 28 days prior to the expiry date, the Contractor shall extend the validity of the guarantee until the advance payment has been repaid.

At any time, the bank guarantee shall be valid for an amount not less than the amount of the original advance payment less any partial repayment of that advance payment which may have been affected. The Contractor shall inform the guaranteeing bank, by letter, counter sign by the Employer, of the required amount of the guarantee from time to time. Reduction of the amount shall not be made without such authorizing letter.

Unless stated otherwise in the appendix A, the advance payment including interest shall be recovered in 5 equal installments starting from 3rd IPC and incase the number of bills is less than 5 then 1/5 of the advance inclusive of the interest thereon shall be recovered from each bill and balance together with interest be recovered from the final bill. It may be ensured that there is sufficient amount in the final bill to enable recovery of the mobilization advance.

If the advance payment has not been repaid prior to the issue of the taking over certificates for the works or prior to termination under clause 15 [Termination by Employer], Clause 16 [suspension and termination by Contractor] or Clause 19 [Force Majeure] as the case may be, the whole of the balance then outstanding shall immediately become due and incase of termination under Clause 15 [Termination by Employer] and Sub-Clause 19.6 [Optional Termination, Payment and release], payable by the Contractor to the Employer.

In the event that the amount of money certified and due to the Contractor under the contract at any time is less than the total of due repayments of advance payment, the balance of the due repayments shall be paid to the Employer by the Contractor within 7 days of demand by the Employer. If the balance is not so paid the Employer shall be empowered to call in sufficient of the advance payment bank guarantee to cover the said balance.

The employer shall be empowered to call in the guarantee in whole or in parts

if the Contractors defaults in the repayment for any reasons.
