

Bidding Data

The following specific data for the works to be tendered shall complement, amend, or supplement the provisions in the Instructions to Bidders. Wherever there is a conflict, the provisions herein shall prevail over those in the Instructions to Bidders.

Instructions to Bidders

Clause Reference

1.1 Name and address of the procuring agency:

Director General, Sindh Coal Authority, Bunglow No. 16, “E” Street, Behind Zamzama Park, DHA, Phase V, Karachi.
Phone: 92-21-99251507, 9251058, 9251060
Fax: 92-21-251038

1.2 Name of the Project and Summary of the works:

Various New Road Links, Bypasses, Improvement, Widening and Rehabilitation of Existing Roads in District Tharparkar and Mirpurkhas.

Contract Package – A (Length - 62 Kms.) comprising of:

- i) Widening & Reconstruction of Road from Mithi Intersection to Naukot (up to ADB Project End Point) – Length 42 Kms. ADP SCHEME 2233/2016 – 17.
- ii) Construction of Naukot, Jhuddo & Tando Jan Muhammad Bypasses – 20 Kms. ADP SCHEME 2234/ 2016 – 17

The Scheme consists of Widening / Improvement of 42 km long road stretch from Mithi intersection to Naukot to allow safe passage of the long low bed trailers and to sustain heavy loads of plant and equipment to be mobilized by the potential developers.

The scope of work comprises of Widening and Reconstruction of existing 42 kilometer long road section from Mithi intersection to Naukot. including drainage structures, protection works etc. The road shall consist of earthen embankment, granular sub base, aggregate base, Asphaltic concrete with stabilized shoulders. Road signs and markings and some other affiliated works of the project package shall also be executed.

The objective of 20 Kms road bypasses scheme is to facilitate transportation of heavy equipment, people and goods on road connecting Mirpurkhas City to Mithi. The road section from Mirwah to Naukot will be constructed under ADB programme, however its proposed alignment passes through congested built up areas at Tando Jan Muhammad, Jhuddo and Naukot Towns causing traffic delays / impediments.

In order to have an unhindered traffic flow it is proposed to construct three number bypass roads on these locations to keep the traffic away from passing through congested areas and facilitate free flow of traffic on the Mirpurkhas to Mithi road for transportation of heavy machinery and equipments by potential developers and local road users.

The construction works involves earthen embankment, granular sub base course, aggregate base course, asphaltic concrete base and wearing courses including drainage structures and protection works. Road signs and markings and some other affiliated works shall also be executed.

Two single span 30 M long two lane RCC bridges shall also be constructed. One new bridge is required at Nallah crossing on Naukot Bypass alignment and another is required to be constructed for Jhuddo Bypass road crossing over canal road.

2.1 Source of Financing

Government of Sindh

2.1 Amount and Type of Financing/Scheme Cost and Allocated Funds.

ADP Scheme No. 2233/2016-17 – Rs 700 Million in 2016-17
