### **CALL FOR PROPOSAL**

Mehran University of Engineering and Technology has established a US-Pakistan Center for Advanced Studies in Water (USPCAS-W) at Jamshoro with financial support from USAID to which technical assistance is being provided by the University of Utah (UU), USA. The Center offers a unique combination of higher education and applied research in water engineering with strong emphasis on research-policy interface.

USPCAS-W invites proposals from individuals/companies for production of 10-12 minutes documentary on following aspects of USPCAS-W;

- Water Scarcity in the country
- Water – Development Nexus
- USAID intervention by setting up USPCAS-W at MUET
- Applied Research as a Solution to water challenges
- Partnerships; focusing on UU capacity building
- Academia-Industry Linkage – Technology Commercialization
- Center Activities

The proposal shall include the following;

- i) A description of the profile of company/individual including relevant experience.
- ii) Showreel of relevant work
- iii) Budget estimates
- iv) Workplan of activities upto delivery of final product

Only short-listed proposals will be contacted for further selection process.

The proposals shall be submitted via email to [po.uspacasw@admin.mueta.edu.pk](mailto:po.uspacasw@admin.mueta.edu.pk) by 20<sup>th</sup> October 2017.

For further information, pl contact Mr. Sahib Khan Bhand at [cmo.uspcasw@admin.mueta.edu.pk](mailto:cmo.uspcasw@admin.mueta.edu.pk).
