Triphasic Scan of Liver, Body &amp; Breast</li> <li>55. Optimized breath hold sequences for abdominal studies including angiograms. State sequences with acquisition time.</li> </ul>			
---	--	--	--

<p>56. MRI Enterography</p> <p>57. High resolution bilateral breast imaging technique</p> <p>58. High resolution T2 weighting for clear depiction of inner ear structures and facial nerve.</p> <p>59. Susceptibility weighted imaging with phase map to differentiate between micro- calcification and bleeding compulsory for trauma patients</p> <p>60. Multimodality fusion package</p> <p>61. It should be ensured that the imaging in MRI system is compatible with Medtronic Neuro-navigation system</p> <p>62. Should be connectable to multiple modalities like CT, PET, MRI, SPECT, ANGIO</p> <p>63. Must be able to do serial processing imaging system wise when multiple systems are connected to the processor.</p> <p><b>ACCESSORIES</b></p> <p>1. MRI Compatible wheel Chair (Qty 2)</p> <p>2. MRI Compatible Trolley (Qty 2)</p> <p>3. MRI Compatible IV Pole (Qty 4)</p> <p>4. Metal Detectors (Qty 3)</p> <p>5. Standard set of phantoms for calibration of MRI.</p> <p>6. Non-magnetic metallic platform for servicing of the magnet at no added cost</p> <p>7. Online sine pure sine Wave Double Conversion UPS for whole MRI suite or compatible with the system, with a minimum backup time of 1 Hour on full load, (MGE, Emerson, Liebert, Socomec, Delta, Chloride, Riello, APC) or equivalent</p> <p>8. Programmable, MRI Compatible Dual Head power injector with flow / volume and temperature control. Mounted on mobile base with 100 disposable syringes of 150ml capacity and connecting tubes (Medrad, Nemoto, Angiomat/Madtron/Tyco or Equivalent).</p> <p>9. DICOM 3 Ready Dry Laser Camera / Imager, multi-size up to 14" x 17" for different size films (Carestream, Agfa, Fuji, Konica or Equivalent) for black &amp; white printing on film, including 100 films.</p> <p>10. Film Viewer for images up to 14" x 17" with variable light control and shutter, with 4 1 format ; LED type</p> <p>11. Imported Water Chillers as per requirement of the system with standby arrangement. (USA, Europe or Japan Origin).</p> <p>12. RF copper cage with Oxygen, Air, Nitrous, Suction points and interior finishing as per manufacturer's recommendation and according to site requirement (USA, Europe or Japan Origin).</p> <p>13. MR Compatible Music system with audio headphone and audio earphone for patient during MRI.</p> <p>14. MR compatible stretcher(Qty3)</p> <p>15. MR Compatible laryngoscope. (Qty 2)</p> <p>16. <b>MRI Compatible Non-Invasive Monitor displaying following features in screen,</b></p> <p>a. NIBP with Cuff</p> <p>b. Pulse Oximeter</p> <p>c. Oxygen Saturation</p> <p>d. ECG</p> <p>e. ECG Electrodes (MRI Compatible)</p>			
---	--	--	--

- f. Finger Probes
- g. Respiratory Accessories (Should be provided MRI Compatible).

**17. MRI Compatible Anaesthesia Machine with Built in Ventilator**

**a) Description:**

- MRI Trolley left hand frame style, 2 vap mount Left hand cart on four antistatic castors, with Selectatec manifold for two vaporizers.
- Safety alarm and N2O cut-off in case of O2 failures.
- Must include patient breathing system (with Circle module) which is totally integrated in the footprint of the cart, eliminating all external tubes.
- The breathing system should be fully autoclave able and should be dissembled and assembled without any tools.
- Should include one lockable drawer
- The cart should be optimized for use in MRI environment and operated safely in magnetic field line of 300 Gauss.
- Should include MRI compatible Ventilator hardware Microprocessor controlled adult, pediatric and neonatal ventilator, featuring a clear ventilator screen (7 .6x15.2 cm).
- O2, pressure and volume monitoring on a single display.
- The screen should include the ventilator settings which can be easily controlled through a push & turn Command Wheel.
- Backup battery to provide operation for 45 minutes
- Should be compatible with close circuit system, Circle absorber. flow meter with sets compatible cylinders.

**b) Tidal Volume delivery**

- 20 to 1500 ml (for Volume Control and SIMV modes)
- 5 to 1500 ml (for Pressure Control Mode)
- O2 and volume monitoring, full tidal volume compensation.
- Electronic PEEP
- Short bag arm - non-adjustable height 25.4 cm/10 in
- All materials in contact with patient gas should be free of natural rubber latex.

**c) Ventilation modes**

- Volume Control
- Pressure Control
- Synchronized Intermittent Mandatory Ventilation (SIMV)
- Pressure Support (PSVPro) with Apnea Backup ventilation
- Cylinder connection, O2 cylinder pin indexed yoke
- Cylinder connection, N2O cylinder pin indexed yoke
- Air hose assembly - NIST, BOC MK3 probe, 4.6 m/15 ft hose assemblies
- N2O hose assembly - NIST, BOC MK3 probe, 4.6 m/15 ft hose assemblies

- 02 hose assembly - NIST, BOC MK3 probe, 4.6 m/15 ft hose assemblies
- 1x Isoflurane Vaporizer (MRI Compatible)
- 1x Sevoflurane Vaporizer (MRI Compatible)

**d) Accessories**

- Reusable Patient circuit (Qty 05)
- MR Compatible Oxygen Cylinder (Qty 02)
- MR Compatible Nitrous Cylinder (Qty 01)

**e) Quality Assurance**

System should be FDA and CE approved  
Country of Manufacturer: USA / EUROPE & JAPAN

**f) Warranty:**

Comprehensive 5 Years Warranty with parts

**TRAININGS**

1. All technical staff deputed at MRI suit should be trained. The comprehensive training covering operations, calibrations and basic services protocols.
2. 02 x Foreign Application specialist visit at site for 01 week or more each in order to let hospital staff smooth and comprehensive clinical start-up with new equipment and modern technologies.

**CIVIL WORKS / RENOVATION**

**SITE LOCATED ON GROUND FLOOR**

**ADJACENT TO MLO ROOM**

Construction and modification of existing Block of 2000 sqft. with complete air conditioning of the MR Suite with minimum Qty. 10, 2 Tons, one 4 Ton AC for magnet room and dehumidifier system Qty 2 according to the international MRI machine installation standard including all electrical installation including DBs, UPS, electrical panels, Lights, boards & switches, 2 proper electrical grounding, Quench pipe, ducting, medical gas line connection to existing hospital's oxygen air nitrous suction points, seating arrangement, application of glazed tiles, false ceiling, vinyl, exhaust, Hepa-filters, fire alarms/smoke detectors, fire extinguisher according to the compatibility as needed for proper / smooth operation of the MRI installation. The MR Suite consisting of MR examination room, control room, console room, waiting room & changing room. The MRI scan room should be properly planned with provision of imported magnetic shielding on all walls and roof in order to avoid any EMI Interference from nearby lifts, traffic, chiller plant, etc and complete imported RF copper shielding and its interior finishing or anything else deem required.

**Warranty:**

1. 5 Years Standard Warranty with parts including UPS, Helium, Coils. (This commitment of 5 years warranty should also be emailed by the manufacturer directly to the Procuring Agency).
2. Vendor will be responsible for provision of the Helium for 10 years. (Adequate level to operate).
3. Vendor will quote in USD for repair & maintenance with parts for the period 6-10 years after purchase (This will be emailed by manufacturer to Procuring Agency directly).

<p>4. Vendor will also give the cost of coil in USD for years 6-10 after purchase.</p> <p>5. 5 -Year Hardware Up-gradation and 10-year software up-gradation as per the latest released versions after the installation of the equipment. The warranty includes all services, spare parts, replenish-able items up gradation of the system software and hardware and all (accessories) supplied by the firm as per terms of the contract.</p> <p>6. <b>Manufacturer Warranty:</b> Undertaking of the manufacturer for providing Comprehensive 05-Years warranty and post warranty (Whole MRI facility including coils&amp; UPS batteries. Additional Items supplied by the local firm should also be included in the post warranty period on the same contract value. Certificate from the manufacturer that the after sales services / backup services shall be provided jointly with the local agent and in case of change of local agent, Manufacturer will provide the after sales services themselves or through newly appointed agent for five years from the date of commissioning and signing of installation report. The manufacturer or distributor will sign the Contract Agreement along with its Local agent and the manufacturer will provide a letter of authorization for the this commitment for ensuring prompt after sales service.</p> <p><b>Country of Manufacturer :</b> USA / UK, EU, Japan or Equivalent</p> <p><b>INTERNATIONAL SAFETY AND QUALITY ASSURANCE FOR MRI</b></p> <p>Any two below Certificates:</p> <ol style="list-style-type: none"> <li>1. MDD Compliance (CE Marked)</li> <li>2. FDA 510K Approval</li> <li>3. PAL Certificate</li> </ol> <p><b>MAJOR TERMS AND CONDITIONS</b></p> <ol style="list-style-type: none"> <li>1. The Manufacturer should have documentary evidence to the effect that they are the original Manufacturer of the quoted product</li> <li>2. Certificate from the manufacturer that the after sales services / backup services shall be provided jointly with the local agent and in case of change of local agent, they will provide the after sales services themselves or through newly appointed agent</li> <li>3. Lay out plan / drawing with fringe field calculation along with the bid.</li> <li>4. Satisfactory Past performance of the firm for a similar quoted item. (Local / Institutional) Govt. / Private</li> <li>5. Sufficient Technical and Engineering capabilities of the firm (attach a list of technical and engineering staff, special testing equipment/calibration/ repair tools for MRI system).</li> <li>6. Submission of valid legally enforceable authorization letter</li> </ol>			
---	--	--	--

<p>of manufacturer assuring full guarantee and warranty obligations.</p> <p>7. Infra structure for execution of after sales services mentioned by the bidder shall be evaluated for its suitability as per provisions given in specifications and other requirements detailed in the technical specifications of the bidding documents.</p> <p>8. Clearly state power requirement, heat dissipation in each room, accessories be adapt to local power, water supply, temperature, humidity, dust and other environmental hazards and variations. All essential term and condition to ensure optimum performance of the system after commissioning with minimum down time and life cycle cost.</p> <p>9. All items in the supply order should be supplied during the time of installation. No exceptions will be allowed. All third party items should be USA/Europe/Japan origin and medical third party items should be FDA and CE approved with mentioned origins.</p> <p>10. Software upgrades (where hardware upgrades are not required) like new pulse sequence, new application package, etc, should be provided within one month after release worldwide (any country, viz. North America / Europe / Germany, etc). In case, the same is not provided in time, the parent company should undertake the responsibility to implement the same.</p> <p>11. Satisfy Regulations as per international standard and FDA and CE approval certificate.</p> <p>12. All needed software and hardware must be provided</p> <p>13. Magnet should be manufactured by the manufacturer and certificate of brand new magnet should be enclosed by manufacturer Shipment of magnet should be via air.</p> <p><b>14. Installation and acceptance testing</b> of MRI will be carried out by foreign qualified and factory trained engineer.</p> <p><b>15. 95% up time of 365 days (24 hrs a day)</b> that is from the day of successful handing over of the equipment after the installation and acceptance testing as per manufacturer recommendations and international standards. If the uptime falls short of 95% then following formula will be applied to determine extension addition in the warranty / Service contract period.</p> <ol style="list-style-type: none"> <li>1. 100-95% No penalty.</li> <li>2. 85 - 95% - The warranty period / service contract will be extended by 1.6 times the number of days calculated as extra down time.</li> <li>3. 80 - 85% - The warranty period / service contract will be extended by 2.0 times the number of days of extra down time.</li> <li>4. Below 80% the warranty period / services contract will be</li> </ol>			
--	--	--	--

extended by 3.0 times the number of days calculated as extra down time. In addition 1% of the retained / performance bank guarantee will be deducted.

5. Down time would be defined as failure of equipment operation to acquire or process data / get images, resulting in the inability to carry out the required procedure / test including hard copy of images. The time should start when user notifies designated maintenance service engineer of the firm in writing. However, the call response time should not be more than 12 hours from the time of intimation verbally or in writing. Down time will end once the repair has been done in the system and is again available for clinical use.

6. Annual calibrations of complete system will be carried out by qualified engineer and a certificate to this effect will be provided by the local supplier.

16. Software upgrades (where hardware upgrades are not required) like FMI, new application package, etc, should be provided within one month after release worldwide (any country, viz. North America / Europe / Germany, etc). In case, the same is not provided in time, the parent company should undertake the responsibility to implement the same.

17. Safety regulations as per international standard and FDA and CE approval certificate

18. Provide proof of tech technical specification parameter and vendor certificate if required.

19. A certificate from the vendor for brand new, latest and state of the art system

20. Provide no. of installations of MRI carried out by the local supplier

21. Provide company profile and list of clients in Pakistan and Internationally with customer's satisfaction certificate.

22. The firm must possess its related back up support services including trained engineers, workshop facilities, spare parts availability and repair / calibration tools etc.

**MANUFACTURER/ SUPPLIER TERMS & CONDITIONS:**

1. The manufacturer/ supplier will undertake to maintain the equipment during the period of warranty from the date of full functional commissioning with all specified parameters. The manufacturer/ supplier will also undertake to provide the

<p>availability of brand new spare parts for 10 Years and confirmation of after sales services through its agent or directly.</p> <p>2. The manufacturer will provide undertaking that the magnet is manufactured by Manufacturer and Origin of Magnet will be preferred USA, Europe or Japan. Magnet to be shipped to Pakistan via Air by manufacturer &amp; supplier for safety and durability of Magnet.</p> <p>3. The maintenance will be the responsibility of the manufacturer and the agent. An annual optimal uptime of 95 % is considered as acceptable level of performance.</p> <p>4. Software and hard ware up gradation of the computing system should be carried out as available during warranty period as recommended by the manufacturer.</p> <p>5. Manufacturer/ Supplier shall be responsible for rectifying problems with all possible speed at their own expense any defect or fault in the system which may develop at any time during installation, commissioning period.</p> <p>6. The firm will bound to execute the installation/ maintenance according to the installation/ service protocol and will replace the components/ kits recommended by the manufacturers for installation and Periodic Preventive maintenance.</p> <p>7. The scheduled preventive maintenance shall be in accordance with Service Protocol recommended/ advised by the manufacturer.</p> <p>8. Under normal operating conditions and acceptable temperature, humidity range and atmosphere of MRI machine room with at least 6 hourly temperature and humidity log maintained in working hours, if the helium leaks, it will be the responsibility of the manufacturer/supplier to refill helium for 10 Years</p> <p>9. The manufacturer/ supplier will connect the system to their Remote Diagnosis and Service Centre via modem for pick-up early faults at no cost to the hospital.</p> <p>10. The manufacturer/ supplier will certify that the system will be used for continuous scanning/ examination purposes for at least two working shifts (at least from 8.00am to 10.00pm)</p> <p><b>PRE-REQUISITE:</b></p> <p>1. The firms must quote their leading brands with the proven past performance.</p> <p>2. The firm must possess its related back up support services including trained engineers on offered model, workshop facilities, spare parts availability and repair/calibration tools etc.</p> <p>3. The firm will submit the details regarding managerial, engineering, history of past projects, testing tools, key engineer's</p>			
--	--	--	--

<p>relevant trainings related to MRI Scanner etc. which will be verified by the technical team to assess its qualification for determining the eligibility. Only the qualified eligible firms will be evaluated further as per evaluation criteria.</p> <p>4. Similar one or more unit of 1.5T MRI must be installed and enjoy good reputation in Pakistani and/or Asian market for minimum one year.</p>

## BID LETTER FORM

From:

(Registered name and address of the bidder)

To:

Addl. Medical Superintendent,  
SBB Accident Emergency & Trauma Centre,  
Karachi – 74200

Madam,

Having examined the bidding document and amendment thereon we the undersigned, offer to provide services to the works including in conformity with the terms and conditions of the bidding document and amendments there on, for the following project in response to your tender call dated \_\_\_\_\_

**Tender Title: .....**

We undertake to provide services/execute the above project or it part assigned to us in conformity with the said bidding documents for an estimated sum of Rs. \_\_\_\_\_ (Rupees - \_\_\_\_\_) (total bid amount in words and figures) which may vary in accordance with the schedule of prices attached herewith and coverage options made by SBB Accident Emergency & Trauma Centre or its user organization.

**If our bid is accepted, we undertake to;**

- 1) Provide services/execute the work according to the time schedule specified in the bid document,
- 2) Obtain the performance guarantee of bank in accordance with bid requirements for the due performance of the contract, and
- 3) Agree to abide by the bid conditions, including pre-bid meeting minutes if any, which remain binding upon us during the entire bid validity period and bid may be accepted any time before the expiration of that period.
- 4) We understand that you are not bound to accept the lowest or any bid you may receive, nor to give any reason for the rejection of any bid and that you will not defray any expenses incurred by us in bidding.

Place:

Date:

Bidder's signature  
and seal.

## CONTRACT FORM

THIS AGREEMENT made the ..... Day of .....(year) Between the Procuring Agency (hereinafter "the SBB TRAUMA CENTRE") of one part and .....(Name of Vendor) of .....(City and country of Vendor) (Hereinafter "the Supplier") of the other part:

WHEREAS the SBB TRAUMA CENTRE is desirous that certain Supplies, as described in the bid document and briefly outlined below, should be provided by the Vendor.

**Date of tender call:**

**Title of the project:**

**Brief outline of the work:**

### NOW THIS AGREEMENT WITNESSETH AS FOLLOWS;

In this agreement words and expression shall have the same meanings as are respectively assigned to them in the bid document referred to.

The following document shall be deemed to form and be read and construed as part of this Contract, viz..

- 1) Bid document(s)
- 2) Pre-bid conference minutes if any,
- 3) Clarification on bid document issued if any,
- 4) SBB Trauma Centre notification of award.

In case of conflict among documents mentioned above, the documents mentioned above in reverse order will prevail over other documents. In consideration of the payments to be made by the SBB TRAUMA CENTRE to the Supplier as hereinafter mentioned, the Supplier hereby covenants with the SBB TRAUMA CENTRE to (**Tender Title** ..... ) and to remedy defects therein conformity, in all respects, with the provisions of the contract.

The SBB TRAUMA CENTRE hereby covenants to pay the Supplier in consideration of the provision of the goods and services and the remedying of defects therein, the contract price or such other sum as may become payable under the provisions of the contract at the times and in the manner prescribed by the contract.

Brief particulars of the services which shall be supplied/provided by the Supplier are as under:

Solutions, service or material	Quantity	Unit price	Amount	Remarks

IN WITNESS whereof the parties hereto have caused this Agreement executed the day and year above written.

Signed, sealed, delivered by \_\_\_\_\_ the (for the Procuring agency)

Signed, sealed, delivered by \_\_\_\_\_ the (for the Supplier)

**FORM OF PERFORMANCE SECURITY  
(Bank Guarantee)**

Guarantee No.: \_\_\_\_\_  
Executed on: \_\_\_\_\_  
Expiry date: \_\_\_\_\_

[Letter by the Guarantor to the Employer]

Name of Guarantor (Bank) with complete address (Scheduled Bank in Pakistan):

Name of Principal (Contractor, Manufacturer, Supplier or any bidder) with complete address:

Penal Sum of Security (express in words and figures):

Letter of Acceptance No. \_\_\_\_\_ Dated: \_\_\_\_\_

KNOW ALL MEN BY THESE PRESENTS, that in pursuance of the terms of the Bidding Documents and above said Letter of Acceptance (hereinafter called the Documents) and at the are e of the said Principal we, the Guarantor above named, are held and firmly bound unto the Additional Medical Superintendent, SBB Accident Emergency & Trauma Centre, Karachi (hereinafter called the Employer) in the penal sum of the amount stated above for the payment of which sum well and truly to be made to the said Employer, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH that whereas the Principal has accepted the Employer's above said Letter of Acceptance for \_\_\_\_\_ (Name of Contract) for the \_\_\_\_\_ (Name of Project).

NOW THEREFORE, if the Principal (Contractor) shall well and truly perform and fulfill all the undertakings, covenants, terms and conditions of the said Documents during the original terms of the said Documents and any extensions thereof that may be granted by the Employer, with or without notice to the Guarantor, which notice is, hereby, waived and shall also well and truly perform and fulfill all the undertakings, covenants terms and conditions of the Contract and of any and all modifications of said Documents that may hereafter be made, notice of which modifications to the Guarantor being hereby waived, then, this obligation to be void; otherwise to remain in full force and virtue till all requirements of Condition of Contract are fulfilled.

Our total liability under this Guarantee is limited to the sum stated above and it is a condition of any liability attaching to us under this Guarantee that the claim for payment in writing shall be received by us within the validity period of this Guarantee, failing which we shall be discharged of our liability, if any, under this Guarantee.

We, \_\_\_\_\_ (the Guarantor), waiving all objections and defences under the Contract, do hereby irrevocably and independently guarantee to pay to the Employer without delay upon the Employer's first written demand without cavil or arguments and without requiring the Employer to prove or to show grounds or reasons for such demand any sum or sums up to the amount stated above, against the Employer's \_\_\_\_\_ written \_\_\_\_\_ declaration that the Principal has refused or failed to perform the obligations under the Contract which payment will be effected by the Guarantor to Employer's designated Bank & Account Number.

PROVIDED ALSO THAT the Employer shall be the sole and final judge for deciding whether the Principal (Contractor) has duly performed his obligations under the Contractor has defaulted in fulfilling said obligations and the Guarantor shall pay without objection any sum or sums up to the amount stated above upon first written demand from the Employer forthwith and without any reference to the Principal or any other person.

IN WITNESS WHEREOF, the above-bounden Guarantor has executed this Instrument under its seal on the date indicated above, the name and corporate seal of the Guarantor being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

# **INSTRUCTIONS TO BIDDERS**

1. **Shaheed Benazir Bhutto Accident Emergency & Trauma Centre** invites sealed bids on single stage Two envelope system 46(2) as per Sindh Public Procurement Rules 2010, (Amended till date) Manufacturers/Importers/Sole Agents/Contractors for **Operation, Running, Repair and Maintenance Of Electrical Works and Power Generation System On Rate Contract Basis; Contract No:- AMS/SBB-TC/PROC/ (R&M-04) 2017-18**
2. Bidders are required to check that Tender Documents issued to them are complete in all respects as per table of content.
3. Bidders should examine carefully the table of content. They should visit and inspect the site at their own expense and responsibility and obtain all necessary information prior to submitting the Tender. Any detail/specification missing in the document should be obtained from Planning & Procurement Department before bidding. Once the Tender is submitted, it will be assumed that no further clarification was required.
4. The original bid shall be typed or written in indelible ink by the bidder or person duly authorized. The person or persons signing the bid shall initial all pages of the bid. The name and designation of each person signing must be mentioned below the signature.
5. No bidder shall be allowed to alter or modify his bid after the bids have been opened. However, the procuring agency may seek and accept clarification to the bids that do not change substances of the bids.
6. The Procuring Agency may reject all bids or proposal at any time prior to the acceptance of a bid or proposal. The Procuring Agency upon request communicate to any supplier or contractor who submitted a bid or proposal, the grounds for its rejection of all bids or proposal, but is not required to justify those grounds.
7. The quoted rates should include all costs of whatsoever description and expenses necessary for the whole work together with all risks, taxes, liabilities and obligations, specific or implied, in the Tender Documents. Arithmetical errors, if any shall be corrected and Tender price amended accordingly.
8. No unauthorized alteration may be made in the Tender documents. If any such alteration is made, tender may be liable for rejection.
9. Clarification, revision, addition or deletion, in the tender documents may be made by the authority before the submission and opening of Tender in the form of Addendum/Corrigendum. This will be made only by formal Addendum/ Corrigendum issued by the concerned authority and will become part of the contract documents. Each Addendum shall be signed by the Vendor and returned with other Tender documents.
10. The vendor has to quote only one rate for each work as per tender specifications. Hand written tenders or any over writing, cutting, should be signed.
11. The entire Tender Documents, listed duly priced, signed & stamped on each page and completed must reach at designated place in due time and dates as defined in the Bidding Data of the Tender.

12. Contractor who will win the tender will be required to enter into a Contract Agreement as defined in the Form of Agreement. Failing so, Procuring Agency may take necessary action against Contractor as deem fit.
13. All manufactured and other items should be used in the work in accordance with the instructions, specifications in the Tender Document and also in accordance with generally accepted norms of good workmanship.
14. Quantities of tender items are on estimated basis. They could vary according to the sanctioned amount as per discretion of Procurement Committee.

Place:

Date:

Bidder's signature  
and seal.

## CONTRACT FORM

THIS AGREEMENT made the ..... Day of .....(year) Between the Procuring Agency (hereinafter "the SBB TRAUMA CENTRE") of one part and .....(Name of Vendor) of .....(City and country of Vendor) (Hereinafter "the Supplier") of the other part: WHEREAS the SBB TRAUMA CENTRE is desirous that certain Supplies, as described in the bid document and briefly outlined below, should be provided by the Vendor.

**Date of tender call:**

**Title of the project:**

**Brief outline of the work:**

### NOW THIS AGREEMENT WITNESSETH AS FOLLOWS;

In this agreement words and expression shall have the same meanings as are respectively assigned to them in the bid document referred to.

The following document shall be deemed to form and be read and construed as part of this Contract, viz.,

- 1) Bid document(s)
- 2) Pre-bid conference minutes if any,
- 3) Clarification on bid document issued if any,
- 4) SBB Trauma Centre notification of award.

In case of conflict among documents mentioned above, the documents mentioned above in reverse order will prevail over other documents. In consideration of the payments to be made by the SBB TRAUMA CENTRE to the Supplier as hereinafter mentioned, the Supplier hereby covenants with the SBB TRAUMA CENTRE to (**Tender Title** ..... ) and to remedy defects therein conformity, in all respects, with the provisions of the contract.

The SBB TRAUMA CENTRE hereby covenants to pay the Supplier in consideration of the provision of the goods and services and the remedying of defects therein, the contract price or such other sum as may become payable under the provisions of the contract at the times and in the manner prescribed by the contract.

Brief particulars of the services which shall be supplied/provided by the Supplier are as under:

Solutions, service or material	Quantity	Unit price	Amount	Remarks

IN WITNESS whereof the parties hereto have caused this Agreement executed the day and year above written.

Signed, sealed, delivered by \_\_\_\_\_ the (for the Procuring agency)

Signed, sealed, delivered by \_\_\_\_\_ the (for the Supplier)

**FORM OF PERFORMANCE SECURITY  
(Bank Guarantee)**

Guarantee No.: \_\_\_\_\_

Executed on: \_\_\_\_\_

Expiry date: \_\_\_\_\_

[Letter by the Guarantor to the Employer]

Name of Guarantor (Bank) with complete address (Scheduled Bank in Pakistan):  
\_\_\_\_\_

Name of Principal (Contractor, Manufacturer, Supplier or any bidder) with complete address:  
\_\_\_\_\_

Penal Sum of Security (express in words and figures):  
\_\_\_\_\_

Letter of Acceptance No. \_\_\_\_\_ Dated: \_\_\_\_\_

KNOW ALL MEN BY THESE PRESENTS, that in pursuance of the terms of the Bidding Documents and above said Letter of Acceptance (hereinafter called the Documents) and at the are e of the said Principal we, the Guarantor above named, are held and firmly bound unto the Additional Medical Superintendent, SBB Accident Emergency & Trauma Centre, Karachi (hereinafter called the Employer) in the penal sum of the amount stated above for the payment of which sum well and truly to be made to the said Employer, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH that whereas the Principal has accepted the Employer's above said Letter of Acceptance for \_\_\_\_\_ (Name of Contract) for the \_\_\_\_\_ (Name of Project).

NOW THEREFORE, if the Principal (Contractor) shall well and truly perform and fulfill all the undertakings, covenants, terms and conditions of the said Documents- during the original terms of the said Documents and any extensions thereof that may be granted by the Employer, with or without notice to the Guarantor, which notice is, hereby, waived and shall also well and truly perform and fulfill all the undertakings, covenants terms and conditions of the Contract and of any and all modifications of said Documents that may hereafter be made, notice of which modifications to the Guarantor being hereby waived, then, this obligation to be void; otherwise to remain in full force and virtue till all requirements of Condition of Contract are fulfilled.

Our total liability under this Guarantee is limited to the sum stated above and it is a condition of any liability attaching to us under this Guarantee that the claim for payment in writing shall be received by us within the validity period of this Guarantee, failing which we shall be discharged of our liability, if any, under this Guarantee.

We, \_\_\_\_\_ (the Guarantor), waiving all objections and defences under the Contract, do hereby irrevocably and independently guarantee to pay to the Employer without delay upon the Employer's first written demand without cavil or arguments and without requiring the Employer to prove or to show grounds or reasons for such demand any sum or sums up to the amount stated above, against the Employer's \_\_\_\_\_ written \_\_\_\_\_ declaration that the Principal has refused or failed to perform the obligations under the Contract which payment will be effected by the Guarantor to Employer's designated Bank & Account Number.

PROVIDED ALSO THAT the Employer shall be the sole and final judge for deciding whether the Principal (Contractor) has duly performed his obligations under the Contractor has defaulted in

fulfilling said obligations and the Guarantor shall pay without objection any sum or sums up to the amount stated above upon first written demand from the Employer forthwith and without any reference to the Principal or any other person.

IN WITNESS WHEREOF, the above-bounden Guarantor has executed this Instrument under its seal on the date indicated above, the name and corporate seal of the Guarantor being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.
